The Plan Administrator's determination of death and of the right of any person to receive payment shall be conclusive.
- D.** Death benefits payable to a Beneficiary shall be made in a form as selected by the Beneficiary in accordance with the available options. REVENUE AND FINANCE

1. December 31 of the calendar year immediately following the calendar year in which the Participant or Former Participant dies, or
2. December 31 of the calendar year in which the Participant or Former Participant would have attained 70 ½.

The payments to the surviving spouse as the designated Beneficiary must be made over a period not to exceed the surviving spouse's life expectancy. Notwithstanding the foregoing, for purposes of this subsection, an Alternate Payee who is a spouse or former spouse will be treated as a Participant's or Former Participant's surviving spouse.

- H.** If there is no designated Beneficiary as of September 30 of the year following the year of the Participant's or Former Participant's death, the Participant's or Former Participant's entire interest will be distributed by December 31 of the calendar year containing the fifth anniversary of the Participant's or Former Participant's death.
- I.** If the Participant or Former Participant dies on or after the date distributions begin and there is a designated Beneficiary, distributions shall be based on the longer of the remaining life expectancy of the Participant or Former Participant or the remaining life expectancy of the Participant's or Former Participant's designated Beneficiary.
- J.** Life expectancies calculations will be computed using the factors in the Single Life Table set forth in Section 1.401(a)(9)-9, A-1 of Regulations, as follows:
1. The Participant's or Former Participant's remaining life expectancy is calculated using the age of the Participant or Former Participant in the year of death, reduced by one for each subsequent year.
 2. If the Participant's or Former Participant's surviving spouse is the Participant's or Former Participant's sole, primary designated Beneficiary, the remaining life expectancy of the surviving spouse is calculated for each distribution calendar year after the year of the Participant's or Former Participant's death using the surviving spouse's age as of the spouse's birthday in that year. For distribution calendar years after the year of the surviving spouse's death, the remaining life expectancy of the surviving spouse is calculated using the age of the surviving spouse as of the spouse's birthday in the calendar year of the spouse's death, reduced by one for each subsequent calendar year.

TITLE 5

REVENUE AND FINANCE

3. If the Participant's or Former Participant's surviving spouse is not the Participant's or Former Participant's sole, primary designated Beneficiary, the designated Beneficiary's remaining life expectancy is calculated using the age of the Beneficiary in the year following the year of the Participant's or Former Participant's death, reduced by one for each subsequent year.
4. If the Participant or Former Participant dies on or after the date distributions begin and there is no designated Beneficiary as of September 30 of the year after the year of the Participant's or Former Participant's death, the minimum amount that will be distributed for each distribution calendar year after the year of the Participant's or Former Participant's death is the quotient obtained by dividing the Participant Account by the Participant's or Former Participant's remaining life expectancy calculated using the age of the Participant or Former Participant in the year of death, reduced by one for each subsequent year.

 2. Bonded delinquent liens shall be charged a penalty equal to five percent (5.00%) calculated on the total amount of the installment that is delinquent.
- C. The Auditor shall add interest to delinquent liens based on the following methods:
 1. For a delinquent open lien, interest shall be assessed at the adjusted prime rate, calculated on the unpaid balance from the assessment date. The annual interest rate shall not be less than 12% for an open lien, except in the Hardship Payment Program. Lien payments made during the 30-day period following the assessment date shall not be charged this interest.
 2. For a delinquent bonded lien, interest shall be calculated daily based on the amount of the unpaid principal balance and the interest rate set by the installment payment contract.
- D. As liens become delinquent, the Auditor shall provide notice of the delinquency to the property owner. Notice(s) shall be sent by registered or certified mail. Notice(s) shall identify the property, the amount owing (principal, interest, penalties and collection costs) and estimate the sales costs that will be charged to the account. In addition, the notices shall identify the type of the delinquent lien account and the fact that the property will be placed on the foreclosure list unless the property owner elects to pay under the Catch-up Payment Program or brings the account current.
- E. The Auditor may waive interest, penalties and collection costs on delinquent liens under the following conditions:
 1. A delay in receiving payment or installment payment contract which is caused by a documented oversight, omission or error by City staff;
 2. A one-time failure in making a payment by the property owner which is caused by a documented financial emergency; or

3. The sale or transfer of a property that is subject to a delinquent lien to a non-profit organization or government program satisfying the goals of an expressed public purpose.

5.30.060 Adjustment of Open Lien Amounts.

- A. The Auditor may evaluate individual delinquent open liens to develop recommendations on revising the payment amount of the lien and the payment terms. The Auditor's recommendation shall be based upon the factors set forth in Subsection 5.30.060 D. Delinquent bonded liens may not be reviewed or adjusted.
- B. The Collections Committee shall be comprised of four members, consisting of a representative from two members of the City Council, one representative from the Bureau of Development Services and one representative from the Office of Management and Finance. These four offices shall each designate their representative to the Committee.
- C. The Committee shall meet from time to time, as necessary, to review and consider the Auditor's recommendations. The Collections Committee shall make a written determination accepting, revising or rejecting the Auditor's recommendations on adjusting the delinquent open lien payment amount and terms. The Collections Committee's written determination shall be based upon the factors listed in Subsection 5.30.060 D. The Auditor shall notify the property owner in writing of the Collections Committee's determination.
- D. The factors to be considered when adjusting the payment amount and terms of delinquent open liens include, but are not limited to, the following:
 1. Whether the property owner has committed any prior City Code violation, or has other delinquent liens, regardless of whether any administrative, civil, or criminal proceeding occurred;
 2. The history of the property owner in taking all feasible steps or procedures necessary or appropriate to correct the violation or resolve any delinquencies;
 3. The property owner's financial condition;
 4. The gravity and magnitude of the violation;
 5. Whether the violation was repeated or continuous;

TITLE 5
REVENUE AND FINANCE

6. Whether the violation was due to unavoidable accident, other conditions or circumstances beyond the property owner's reasonable control, negligence, or an intentional act of the property owner;
 7. The opportunity and degree of difficulty to correct the violation or resolve any delinquencies;
 8. The economic or financial benefit accrued or likely to accrue to the property owner as a result of the violation;
 9. The property owner's cooperativeness and efforts to correct the violation for which the lien was assessed;
 10. The costs to the City of investigation, enforcement and correction or attempted correction of the violation;
 11. The total costs to the City for principal, penalty, billing, interest and collection charges; and
 12. Any other relevant factors.
- E. If the property owner accepts the Collections Committee's determination on adjusting the delinquent open lien amount and payment terms, the owner shall enter into a written agreement prepared by the Auditor that contains the adjusted delinquent open lien amount and payment terms.
- F. If the property owner rejects the Collection Committee's determination, the owner may appeal the determination on adjusting the delinquent open lien amount and payment terms to the Code Hearings Officer as provided for in Chapter 22.10. However, if the owner has previously appealed the lien or the related code violations to the Code Hearings Officer, there shall be no right of appeal.

- B. Qualifications. Any property owner with a delinquent lien may participate in the Catch-up Payment Program.
- C. Administration.

TITLE 5
REVENUE AND FINANCE

1. For a delinquent bonded lien, the minimum monthly payment must be equal to the scheduled regular payment, plus an amount necessary to repay the arrears by the end of the individual payment plan. At the conclusion of an individual payment plan, the Auditor shall bill any property owner who has a bonded lien and has complied with the individual payment plan, but has not paid the account in full, according to the Auditor's standard billing procedures. The maximum period under this Program shall not exceed five years.
 2. For a delinquent open lien, the minimum monthly payment must be equal to an amount necessary to pay the account in full by the end of the term of the individual payment plan. The maximum payment period under this Program shall not exceed five years. Interest shall be calculated at the prime interest rate set by the City's bank on December 31st of the previous year plus 300 basis points (3%) per annum. The recalculated interest rate shall be applied to each individual payment plan on the first billing date following December 31st of each year.
 3. A payment for the specified amount in the Catch-up Payment Plan Agreement (CPPA) must be received in the Auditor's Office with the signed CPPA.
- D.** If a property owner fails to make any monthly payment before the completion of an individual catch-up plan, the Auditor may place the property on the foreclosure list in accordance with the priorities in Section 5.30.100.

5.30.080 Hardship Payment Program

(Amended by Ordinance Nos. 178241 and 179361, effective July 1, 2005.)

- A.** Under the Hardship Payment Program, a property owner may pay only interest and billing charges for a period not to exceed 12 months.

- C.** Administration.

TITLE 5

REVENUE AND FINANCE

1. The Auditor shall administer the Hardship Payment Program.
 2. Applicants must complete a written request form and provide sufficient written documentation to support a determination that the applicant is experiencing catastrophic financial circumstances. Documentation may consist of records such as a lay-off-notice, proof of unemployment or other evidence of loss of income.
 3. The Auditor shall review and approve or deny applications for individual payment plans under the Hardship Payment Program.
 4. If the Auditor determines that a property owner is qualified to participate in the Program, the Auditor shall allow the qualified property owner to make a minimum monthly payment equal to the monthly interest accruing to the delinquent lien, plus the monthly billing charge. Interest shall be calculated at the prime interest rate set by the City's bank on December 31st of the previous year plus 200 base points (2%) per annum. The recalculated interest rate shall be applied to each individual payment plan on the first billing date following December 31st of each year.
 5. The Auditor shall periodically review each individual payment plan to verify the qualifications of the participant.
 6. At the conclusion of an individual payment plan, the Auditor shall bill any property owner who has complied with the individual payment plan, but has not paid the account in full, according to the Auditor's standard billing procedures.
 7. A payment for the specified amount in the Hardship Payment Plan Agreement (HPPA) must be received in the Auditor's Office with the signed HPPA.
- D.** If the property owner fails to make a monthly payment before the completion of the plan, the Auditor may place the property on the foreclosure list, unless the Auditor finds there is an additional or continuing emergency. In that event the Auditor may authorize a new plan or reinstate the existing plan.

5.30.090 Negotiation of Bonded Lien Payment Contracts.

If the Auditor declares a bonded lien payment contract void prior to the property being placed on the foreclosure list, the property owner and the Auditor may negotiate new installment payment arrangements. If the Auditor offers a new installment payment contract, the terms and conditions must protect the City's financial condition and assure the repayment of associated municipal bonds. The Auditor shall set the interest rate on

the negotiated contract at a rate greater than or equal to the interest rate of the original installment payment contract. The Auditor shall prepare a form of agreement for negotiated installment payment contracts.

5.30.100 Preparation of Foreclosure List.

- A.** The Auditor shall be responsible for preparing the proposed foreclosure list. No property shall be placed on the proposed foreclosure list unless:
 - 1.** It is an open lien which is at least 60 days past the due date; or
 - 2.** It is a bonded lien which is at least one year past the installment due date.
 - 3.** The City has provided the property owner or their predecessor in interest at least two written delinquency notices within a three-month period prior to the sale.
- B.** The Auditor shall prioritize which delinquent liens to include on the proposed foreclosure list. Priority shall be given to properties that have the potential to significantly reduce the delinquency rate or help to solve a City public health, safety or welfare objective. Priority may also be given based on factors including, but not limited to, the total amount of delinquency; property owners with multiple delinquencies for one or more properties; or multiple nuisance abatement action by the City.
- C.** The Auditor may determine the number of properties to be placed on the proposed foreclosure list based on current City staffing resources, complexity of accounts, and time and resources necessary to complete timely processing of foreclosing the delinquent liens.
- D.** The Auditor shall:
 - 1.** Submit the proposed foreclosure list to the Council for Council action;
 - 2.** Submit a report to the Council that identifies the properties recommended for purchase by the City from the proposed foreclosure list. The report shall identify the property and the source of the funds to be used to purchase the property; and
 - 3.** Determine whether any properties on the proposed foreclosure list are also delinquent in the payment of property taxes. The Auditor shall identify those properties which are likely to be foreclosed upon by the County

5.30.110 Council Action on Foreclosure List.

- A.** The Council shall decide which properties to include on the foreclosure list and which properties should be purchased by the City. The Council shall approve the foreclosure list by ordinance. The ordinance shall state the provisions for redemption of properties by the prior owners, as provided by state law or City ordinance. After the foreclosure list is approved by Council, the only payment option is to make payment in full.
- B.** The foreclosure list shall be transmitted to the Treasurer by the Council Clerk.

5.30.120 Purchase of Property by the City.

Upon Council approval, the City may purchase property on the foreclosure list before, during or after the sale subject to the following conditions:

- A.** Money for purchase has been transferred to the proper City fund for payment of the delinquent lien amount;
- B.** In the case of property purchased before the sale, any person having an interest in the property is given an opportunity to pay the lien in full including collection and sales costs, and thereby remove the property from the foreclosure list as provided by Section 5.30.150; and
- C.** Any person having an interest in the property may redeem the property as provided by Section 5.30.210.

5.30.130 Recording Notice of Foreclosure Sale.

(Amended by Ordinance No. 178241, effective April 9, 2004.)

- A.** The Treasurer shall record a notice of foreclosure sale for each property listed on the foreclosure list in the County records in which the property is located before ordering a foreclosure report and before giving notice as required by Section 5.30.140. The recorded notice shall contain the ordinance number approving the foreclosure list; the address and legal description of the property; the time, date and place of the sale; the types and amounts of liens; and, that the property will be sold unless the account is paid in full including all interest, penalties, collection costs and sales costs to date. The recorded notice shall also state a contact name, address and phone number for obtaining additional information from the City.

- B.** Any property which is an asset of a bankruptcy estate shall either be removed from the sale or the City Attorney shall be requested to first seek relief from stay in the Bankruptcy Court.

5.30.140 Notice to Persons on Foreclosure List of Foreclosure Action.

As provided below, the Treasurer shall provide notice to all persons known to have a recorded interest in the properties on the foreclosure list.

A. Individual Notice.

- 1.** The Treasurer shall mail a notice of foreclosure sale to all persons known to have a recorded interest in the property and to all persons having recorded a request for copy of notice of sale. Notice shall be sent at least 60 days prior to the sale by registered or certified mail.
- 2.** The mailed notice shall state that a foreclosure sale will be held and it shall specify the date, time and place. It shall contain the following information: the names of the owners of the property; the legal description of the property; the street address; the amount of the delinquent lien stating both the principal and interest due as well as any penalties and collection costs; the type of the delinquent account; and, the name of the Treasurer and contact information. The notice shall also state that there shall be an additional charge for sales costs to date.

B. Newspaper Notice.

- 1.** The Treasurer shall have printed in a daily newspaper of general circulation a notice of foreclosure sale once a week for four successive weeks.
- 2.** The notice shall contain the information required in Subsection 5.30.140 A.2.
- 3.** A copy of the first of the four published newspaper notices shall be sent to the owner and to the occupant by registered or certified mail.

C. Posted Notice.

- 2.** The posted notice shall contain the information required in Subsection 5.30.140 A.2.

TITLE 5
REVENUE AND FINANCE

- D.** Other notice. Notice shall be given to the Internal Revenue Service by registered or certified mail, at least 25 days prior to the sale.

5.30.150 Payment of Lien.

At any time prior to the foreclosure sale, a person with a recorded interest in the property may remove the property from the foreclosure list by paying in full the amount of the delinquent lien with penalties, interest, collection costs and sales costs incurred to date. If requested, notice that the property has been removed from the foreclosure sale shall be recorded in the County records in which the property is located.

5.30.160 Presale and Sale Conditions.

A bidder purchases the property “as is.” The City will not provide an opportunity for on-site inspection of the land or buildings.

5.30.170 Foreclosure Sale.

- A.** The Treasurer shall prepare rules governing the conduct of the foreclosure sale. The rules shall be available at least 60 days prior to the foreclosure sale.
- B.** Each property shall be sold separately for its respective sales price.
- C.** Only bids in the amount of the sales price for a property are acceptable. In situations where there are two or more acceptable bids, the successful bidder shall be determined by lot. In the event there is more than one acceptable bid and the successful bidder fails to pay, sale of the property shall again be determined by lot. However, if there is only one remaining acceptable bid, the property will be sold to that bidder.
- D.** Property which is not sold may again be offered for sale. The steps in Sections 5.30.130 through 5.30.240 shall be followed.

5.30.180 Waste, Improvements to the Property and Nuisance Abatement Procedures.

- A.** The City shall not bear any responsibility or liability for damage or waste to the property or to any structures or fixtures during the redemption period. The purchaser shall assume all risk of such damage or waste.
- B.** Any improvements or maintenance to the property made by a purchaser during the redemption period shall be made under a contractual agreement with the owner. The contract shall specifically state the amount owing and the rate of interest, if any.

- C.** In the event the property becomes a public nuisance, the City may enforce any applicable nuisance abatement regulations. Nuisance abatement may result in additional assessments against the property, which may become the liability of the purchaser.
- D.** The property may also become subject to special assessments.

5.30.190 Certificate of Sale and Notice of Sale to Property Owner.

- A.** After a foreclosure sale, the Treasurer shall promptly deliver a certificate of sale to the purchaser. The certificate of sale embodies the right to own the property at the end of the redemption period. The holder of a certificate of sale has no ownership rights and no possessory interest in the property prior to the completion of the redemption period and holds the certificate of sale subject to the rights of all persons having an interest in the property to redeem it, the right of the City to place additional liens on the property and the right of another unit of government to foreclose upon the property. All liability remains with the persons having an interest in the property until the City issues a deed at the end of the redemption period.
- B.** The certificate of sale shall include the following information: a description of the delinquent account for which the property was sold; a description of the property; a statement of the amount for which it was sold; the redemption interest rate and the amount of the redemption penalty; the name of the purchaser; and, a statement that the property is being sold subject to the right of redemption within one year from the date of sale.
- C.** The Treasurer shall send to the property owner and all persons known to have a recorded interest in the property a notice of the sale by registered or certified mail, within 10 working days after the sale. The notice shall contain the following information: the name of the purchaser; the right of redemption; the date the redemption period expires; the redemption price; and, the basis for calculating interest and penalties during the redemption period.
- D.** It shall be the responsibility of the purchaser to maintain a current address on file with the Auditor.

5.30.200 Entry of Collections and Sales.

- A.** The Treasurer shall return to the Auditor the foreclosure list with all collections and sales noted on it within three business days after the sale.

TITLE 5
REVENUE AND FINANCE

- B.** The Auditor shall enter the collections and foreclosure sales in the City lien docket. Thereafter, no transfer or assignment of any certificate of sale is valid unless such transfer or assignment is reported to the Auditor and recorded in the City lien docket.

5.30.210 Redemption.

- A.** Only persons having a recorded interest in the property, or their legal representative, may redeem the property within the redemption period. Purchasers have no redemption rights.
- B.** Property which has been sold at a foreclosure sale is not eligible for installment payments or a payment plan. Property may be redeemed only by payment in full. Redemption shall be subject to the payment to the Treasurer of the redemption price. The only acceptable form of payment shall be United States legal currency or cashier's check.
- C.** The Treasurer shall issue a receipt to the person redeeming the property and shall report the redemption to the Auditor. Redemption discharges the property from the effect of the sale.
- D.** If redemption is made by a lien creditor, the amount paid for redemption shall thereafter be deemed a part of the judgment, decree, mortgage or tax lien and shall bear like interest and may be enforced and collected as a part thereof.
- E.** Upon receipt of the redemption price, the Treasurer shall issue a check for the sales price amount paid by the holder of the certificate of sale as shown on the lien docket plus any accrued redemption interest. The check shall be delivered to the address provided to the City by the purchaser or any transferee or assignee.
- F.** The interest charged during the redemption period shall be set by ordinance. The redemption interest rate shall be set at a level which attracts bidders. The penalty charged during the redemption period shall also be set by ordinance. The redemption penalty shall be set at a rate to encourage payment by delinquent property owners.
- G.** If a property is redeemed at any time during the redemption period, the redemption period automatically terminates.

5.30.220 Issuance of Deed.

- A.** Upon expiration of the redemption period, the Treasurer shall execute a deed conveying the foreclosed property. The deed conveys to the grantee the legal and equitable title in fee simple excepting only the liens of the City or of other persons or entities which were not included in the foreclosure sale or other liens as provided by state law. The deed, however, shall not guarantee free or clear title.
- B.** The deed shall contain the following information: a description of the property; the date of sale; a statement of the amount of the delinquent account for which the property was sold; that the account was unpaid at the time of sale; and, that no redemption has been made.
- C.** The grantee shall be entitled to immediate possession upon delivery of the deed.

5.30.230 Payment of Taxes.

Property subject to delinquent property taxes may be sold by the County at a sheriff's sale. In the event the property is sold, the purchaser may lose all interest in the property. Any purchaser of property having delinquent property taxes may elect to pay the property taxes. There shall be no reimbursement from the City in the event of redemption by the property owner.

5.30.240 Sale of Property Purchased by City.

- A.** Any property purchased by the City from the foreclosure list may be sold as directed by the Council in the manner provided by Charter, Code or State law. Proceeds from the sale shall be used to reimburse the fund from which the property was purchased, any liens paid or other expenses incurred. Any remaining proceeds shall be placed in the assessment collection fund unless otherwise designated by Council.
- B.** In selling property as described in Subsection 5.30.240 A., except in situations where the purchaser agrees to accept a quit claim deed, the Treasurer shall purchase title insurance as a precondition of sale and shall pay the cost of the policy.

TITLE 5
REVENUE AND FINANCE

5.31.015 Applicability and Foreclosure Options.

- A.** The provisions of this Chapter apply to delinquent assessment liens on Sewer Safety Net participating properties. The provisions of this Chapter do not apply to delinquent bonded liens or delinquent open liens. The foreclosure procedures applicable to these types of liens are set forth in Chapter 5.30.
- B.** The City shall not be limited to the foreclosure process in this Chapter. The City may elect to use a Judicial Foreclosure process or to sell the property as provided in the Charter, City Code or state law.

5.31.020 Authorities and Responsibilities.

- A.** The Auditor shall maintain the records related to Sewer Safety Net assessment liens, bill and collect lien accounts, administer the preforeclosure collection process, prepare a preforeclosure list, and transmit the preforeclosure list to the City's Bureau of Environmental Quality and the Commissioners for informal review and prepare a final foreclosure list for review by the Council. The Auditor shall also renegotiate loans, reduce amount of liens, terminate foreclosure proceedings or eliminate liens as directed by the Department of Environmental Quality.
- B.** The Council shall review the final foreclosure list and adopt an ordinance which lists the properties subject to foreclosure and subject to purchase.
- C.** The Treasurer shall administer the foreclosure sale process, purchase property identified by the Department of Environmental Quality and Council for purchase by the City, administer the redemption process and execute deeds conveying the property sold. There shall be at least one sale held annually.
- D.** The Bureau of General Services shall manage, maintain, rent or market for sale properties purchased by the Treasurer for collection of delinquent assessments.

5.31.025 Collection Process.

- A.** The Auditor shall establish a collections process and shall be authorized to:
 - 1.** Establish in writing, rules and procedures to carry out provisions of this Section. Maintain a record of the rules and procedures and make the rules available to the public.
 - 2.** Establish fees including a billing and rebilling fee to recover the cost of collecting the delinquent lien amount;

TITLE 5
REVENUE AND FINANCE

3. Establish penalties and increases in the interest rate to encourage early payment of delinquent lien accounts; and
 4. Report delinquent lien accounts to a credit rating bureau to encourage payment if directed by the Department of Environmental Quality and the Council.
- B.** The Auditor will notify the Bureau of Environmental Services when an account becomes 60 days past due. The collection process shall begin after the account becomes 90 days past due. The Bureau of Environmental Services may delay the collection process up to 12 months if it notifies in writing to the Auditor and the Department of Environmental Quality. Such notification will include the account number, the principal balance, the past due amount, and the extenuating circumstances that would justify a delay in the collection process. The collections process at a minimum shall include the following steps:
1. The property owner and mortgage holder shall be notified of the delinquent assessment or connection charge for each of three months prior to the sale.
 2. The notice shall state that if the account is not brought current, the property will be sold at a foreclosure sale.
 3. The Department of Environmental Quality shall be given a copy of the foreclosure list at least three months before the sale.
- C.** A one-time penalty equal to one-half of one percent (.005) of the principal balance shall be added to the amount due at the date any assessment or installment payment becomes delinquent. The penalty accumulates with each installment payment until the lien is brought current or paid in full.
- D.** Interest shall be added to delinquent liens and shall be calculated daily based on the amount of the unpaid principal balance and the interest rate set by the installment contract.
- E.** The Auditor may waive delinquent interest, penalties and charges if a delay in receiving payment is caused by an oversight, omission or error by City staff.
- F.** The Auditor is authorized to void the installment payment provisions of a sewer safety net contract, as follows:

TITLE 5

REVENUE AND FINANCE

1. After a sewer safety net assessment becomes delinquent and prior to the Auditor placing the property on the foreclosure list, the Auditor may void the installment payment provisions and require the property owner to renegotiate new installment payment arrangements.
2. After a sewer safety net assessment becomes delinquent and the Auditor has placed the property on the foreclosure list, the Auditor shall void the installment payment provisions and require the property owner to renegotiate new installment payment arrangements.

5.31.027 Renegotiation of Installment Payment Contracts.

(Added by Ordinance No. 167655, May 11, 1994.) When the Auditor declares the installment payment provisions of a sewer safety net contract void, the property owner may renegotiate new provisions to pay in installments the unbilled principal portion of the sewer safety net account. The Auditor shall offer new installment contract terms and conditions which protect the City's financial condition and assure the repayment of the sewer safety net account. The Auditor shall set the interest rate on the renegotiated contract at a rate greater than or equal to the interest rate of the original installment payment contract. The renegotiated installment contract shall be in the same form as required by Chapter 17.12 of this Code for assessment installment payment contracts. The property owner or other interested party shall pay all delinquent assessment installments before the City will accept the renegotiated installment payment contract.

5.31.030 Preforeclosure Process and Review for Delinquent Tax Accounts.

- A. At the conclusion of the collection process, the Auditor shall prepare a list of delinquent lien accounts. No property shall be placed on the list unless the payment is at least one year past due. There shall be a sale at least once a year.
- B. The Auditor shall determine whether any properties on the delinquent accounts list are also delinquent in the payment of property taxes. The Auditor shall identify those properties which are likely to be foreclosed upon by the County prior to the City's foreclosure sale .
- C. The Auditor shall review the list of properties to be foreclosed upon by the County and shall make a recommendation to the Bureau of Environmental Services and Department of Environmental Quality regarding any properties which should be purchased. The determination of whether to pay the taxes shall be based on whether the total amount of the liens and taxes on the property is less than the market value of the property or, if the property has been sold, whether the sale price received by the County was enough to pay the amount of the City liens upon resale. The Department of Environmental Quality by written letter shall direct the Treasurer on which properties shall be purchased by the City.

TITLE 5
REVENUE AND FINANCE

- D.** The Treasurer shall remove from the County foreclosure list and notify the Auditor to add the total amount paid to the County to the lien against the property. The Treasurer shall pay the County from funds designated and provided by the Department of Environmental Quality.

5.31.035 Preparation of List.

4. Administrative Remedy. Bidders may submit a protest to any Addenda or to any action by the City that has the effect of excluding the Bidder from phase two of multi-step Bidding to the extent such protests are provided for in the Solicitation Document required by this section. Failure to protest shall be considered the failure to pursue an administrative remedy made available to the Bidder by the City.
5. Award Protest. An Affected Person may protest the Notice of Intent to Award issued by the City pursuant to these rules. If the City did not provide an opportunity to protest a Bidder's exclusion from phase two or later phases of multi-step sealed Bidding or an Addendum issued following initial Closing, the Bidder may do so following the issuance of the Notice of Intent to Award within the same time frame as an Affected Person.

6. Notice of Ineligible Un-priced Technical Offer. When the City determines a Bidder's un-priced technical Offer to be eligible, such Bidder shall not be afforded an additional opportunity to supplement technical Offers.
7. Mistakes During Multi-Step Sealed Bidding. Mistakes may be corrected or Bids may be withdrawn during Phase One:
 - a. before un-priced technical Offers are considered;

Proposers may submit a protest to any Addenda or to any action by the City that has the effect of excluding the Proposer from subsequent phases of a multiple-tiered or multi-step Request for Proposals to the extent such protests are provided for in the Solicitation Document. Failure to so protest shall be considered the Proposer's failure to pursue an administrative remedy made available to the Proposer by the City.
- F.** Award Protest. A City shall provide an opportunity to protest its intent to Award a Contract pursuant to ORS 279B.410 and PCC 5.33.740. TITLE 5
REVENUE AND FINANCE

- b.** The City may increase the number of Proposers in the Competitive Range if the City's evaluation of Proposals establishes a natural break in the scores of Proposers indicating a number of Proposers greater than the initial Competitive Range are closely competitive, or have a reasonable chance of being determined the most Advantageous Proposer. The City may decrease the number of Proposers in the initial Competitive Range only if the excluded Proposers have no reasonable chance to be the most Advantageous Proposer.
- 2.** **Protesting Competitive Range.** The City shall provide Written notice to all Proposers identifying Proposers in the Competitive Range. The City may provide an opportunity for Proposers excluded from the Competitive Range to protest the City evaluation and determination of the Competitive Range in accordance with PCC Section 5.33.720.
- 3.** **Intent to Award; Discuss or Negotiate.** After determination of the Competitive Range and after any protest period provided in accordance with PCC Section 5.33.215 A.2., or after the City has provided a final response to any protest, whichever date is later, the City may either:
 - a.** Provide Written notice to all Proposers in the Competitive Range of its intent to Award the Contract to the highest-ranked Proposer in the Competitive Range.
 - (1)** An unsuccessful Proposer may protest the City's intent to Award in accordance with PCC Section 5.33.740.

The City may conduct discussions for the following purposes:
 - a.** Informing eligible Proposers of deficiencies in their initial Proposals;
 - b.** Notifying eligible Proposers of parts of their Proposals for which the City would like additional information; or
 - c.** Otherwise allowing eligible Proposers to develop revised Proposals that will allow the City to obtain the best Proposal based on the requirements and evaluation criteria set forth in the Request for Proposals.
 - 2.** Conducting Discussions. The City may conduct discussions with each eligible Proposer necessary to fulfill the purposes of PCC Section 5.33.215 B., but need not conduct the same amount of discussions with each eligible Proposer. The City may terminate discussions with any eligible Proposer at any time. However, the City shall Offer all eligible Proposers the same opportunity to discuss their Proposals with the City before the City notifies eligible Proposers of the date and time pursuant to PCC Section 5.33.215 D. that best and final Proposals will be due.
 - a.** In conducting discussions, the City:
 - (1)** Shall treat all eligible Proposers fairly and shall not favor any eligible Proposer over another;

- b.** At any time during the time allowed for discussions, the City may:
 - (1)** Continue discussions with a particular eligible Proposer;
 - (2)** Terminate discussions with a particular eligible Proposer and continue discussions with other eligible Proposers; or
 - (3)** Conclude discussions with all remaining eligible Proposers and provide notice pursuant to PCC Section 5.33.215 D. to the eligible Proposers requesting best and final Offers.

C. Negotiations.

- 1.** Initiating Negotiations. The City may commence serial negotiations with the highest-ranked eligible Proposer or commence simultaneous negotiations with all eligible Proposers as follows:
 - a.** After initial determination of which Proposals are Responsive; or

- 2.** Conducting Negotiations.
 - a.** Scope. The City may negotiate:
 - (1)** The statement of work;
 - (2)** The Contract Price as it is affected by negotiating the statement of work; and
 - (3)** Any other terms and conditions reasonably related to those expressly authorized for negotiation in the Request for Proposals or Addenda thereto. - b.** Terminating Negotiations. At any time during discussions or negotiations that the City conducts in accordance with PCC Sections 5.33.215 B. and C., the City may terminate discussions or negotiations with the highest-ranked Proposer, or the Proposer with whom it is currently discussing or negotiating, if the City reasonably believes that:
 - (1)** The Proposer is not discussing or negotiating in good faith; or
 - (2)** Further discussions or negotiations with the Proposer will not result in the parties agreeing to the terms and conditions of a final Contract in a timely manner.
- 3.** Continuing Serial Negotiations. If the City is conducting serial negotiations and the City terminates negotiations with a Proposer in accordance with PCC Section 5.33.215 C.2.b., the City may then commence negotiations with the next highest scoring Proposer in the Competitive Range, and continue the process described in PCC Section 5.33.215 C. until the City has either:
 - a.** Determined to Award the Contract to the Proposer with whom it is currently discussing or negotiating; or
 - b.** Completed one round of discussions or negotiations with all Proposers in the Competitive Range, unless the City provided for more than one round of discussions or negotiations in the Request for Proposals, in which case the City has completed all rounds of discussions or negotiations.

 - a.** Shall treat all Proposers fairly and shall not favor any Proposer over another;
 - b.** May disclose other Proposers' Proposals or the substance of negotiations with other Proposers only if the City notifies all of the Proposers with whom the City will engage in negotiations of the City's intent to disclose before engaging in negotiations with any Proposer.

5. Any oral modification of a Proposal resulting from negotiations under this section shall be reduced to Writing by the Proposer.

- D. Best and Final Offers. If best and final Offers are required, the City shall establish a common date and time by which Proposers must submit best and final Offers. Best and final Offers shall be submitted only once; provided, however, the City may make a Written determination that it is in the City's best interest to conduct additional discussions, negotiations or change the City's requirements and require another submission of best and final Offers. Otherwise, no discussion of or changes in the best and final Offers shall be allowed prior to Award. Proposers shall also be informed if they do not submit notice of withdrawal or another best and final Offer, their immediately previous Offer will be construed as their best the final Offer. The City shall not modify evaluation factors or their relative importance after the date and time that best and final Offers are due.

- A. General. The City may procure Goods and Services by using multi-step Competitive Sealed Proposals pursuant to ORS 279B.060 (6)(b)(G).
- B. Phased Process. The use of multi-step Proposals is a phased process that seeks necessary information, or un-priced technical Proposals, in phase one and regular competitive sealed Proposals, inviting Offerors who submitted technically acceptable Proposals in phase one, to submit competitive sealed price Bids on the technical Proposals in phase two. The Contract shall be Awarded to the Responsible Proposer submitting the most Advantageous Proposal in accordance with the terms of the Solicitation Document applicable to the final phase. If time is a factor, the City may require Proposers to submit a separate sealed price Proposal during phase one to be opened after the technical evaluation.
- C. Public Notice. Whenever the City uses multi-step sealed Proposals, the City shall give public notice for phase one in accordance with PCC Section 5.33.300. Public notice is not required for phase two. However, the City shall give notice of the subsequent phases to all Proposers and inform any Proposers excluded from the subsequent phases of the right, if any, to protest exclusion pursuant to PCC Section 5.33.720.

- b.** Potentially qualified; that is, reasonably susceptible of being made qualified; or
 - c.** Unqualified. The City shall record in Writing the basis for finding a Proposal unqualified and make it part of the Procurement file. The City may initiate phase two of the procedure if, in the City's opinion, there are sufficient qualified or potentially qualified un-priced technical Proposals to assure effective price competition in the phase two without technical discussions. If the City finds that such is not the case, the City may issue an Addendum to the Request for Proposal or engage in technical discussions as set forth in Phase One above, or take any other action permitted by these rules.
- 5.** Discussion of Un-priced Technical Proposals. The City may seek clarification of a technical Proposal of any Proposer who submits a qualified, or potentially qualified, technical Proposal. During the course of such discussions, the City shall not disclose any information derived from one un-priced technical Proposal to any other Proposer. Once discussions are begun, any Proposer who has not been notified that its Proposal has been found unqualified may submit supplemental information amending its technical Proposal at any time until the Closing of phase two. . Such submission may be made at the request of the City or upon the Proposer's own initiative.
- 6.** Notice of Unqualified Un-priced Technical Proposal. When the City determines a Proposer's un-priced technical Proposal to be unqualified, such Proposer shall not be afforded an additional opportunity to supplement its technical Proposals.

5.33.220 Special Procurements.

- A.** The City may Award a Contract as a Special Procurement pursuant to the requirements of this section, which permits class Special Procurements. Such Procurements allow the City to enter into a series of Contracts over time pursuant to the authorization provided in regard to the Special Procurement and without necessarily following the requirements of Competitive Sealed Bidding, Competitive Sealed Proposals or Intermediate Procurements.
- B.** For purposes of PCC Section 5.33.220 the following definitions are applicable:
 - 1.** “Class Special Procurement” means a contracting procedure that differs from the procedures described in PCC Sections 5.33.180, 5.33.190, 5.33.200 and 5.33.210 and is for the purpose of entering into a series of contracts over time for the acquisition of a specified class of Goods or Services.

TITLE 5
REVENUE AND FINANCE

2. “Contract-Specific Special Procurement” means a contracting procedure that differs from the procedures described in PCC Sections 5.33.180, 5.33.190, 5.33.200 and 5.33.210 and is for the purpose of entering into a single Contract or a number of related Contracts for the acquisition of specified Goods or Services on a one-time basis or for a single project.
3. “Special Procurement” means, unless the context requires otherwise, a class special Procurement, a contract-specific special Procurement or both.

C. The City Council declares the following as classes of Special Procurements:

1. **Manufacturer Direct Supplies:** The City may purchase goods directly from a manufacturer if a large volume purchase is required and the cost from the manufacturer is the same or less than the cost the manufacturer charges to its distributor(s). Procurements of this type are made on a Contract-by-Contract basis and are not Price Agreements.
2. **Advertisements:** Except as provided by City Charter Section 8-101, the City may purchase advertising in newspapers and Written publications.
3. **Copyrighted Materials:** The City may purchase copyrighted materials where there is only one known supplier available for such goods. This includes, but is not limited to, new books, periodicals, curriculum materials, reference materials, audio and visual media, and non-mass marketed software from a particular publisher or its designated distributor.
4. **Financial Products:** The City may directly purchase financial products such as bond insurance, surety bonds for City bond reserves and liquidity facilities such as letters of lines of credit.
5. **Employee Benefit Contracts:** Contracts relating to employee benefits may be Awarded directly to a Contractor after the City obtains a consultant pursuant to PCC Chapter 5.68 to conduct a competitive process to acquire such contractors. Such contracts include administrators of employee Flexible Spending Account Administration and Medical Claims Third Party Administration. The City will hire a consultant to advise it on firms available to provide the Work and the consultant is authorized to solicit firms pursuant to a Request for Proposal process as well as assist the City in placing advertisements in specific publications likely to reach the attention of such contractors. The City may then negotiate or enter into the Contract that appears most Advantageous to the City without further advertisement or issuance of its own Request for Proposals.

TITLE 5
REVENUE AND FINANCE

- 6.** Insurance Contracts: Contracts for insurance, including Employee Benefit insurance, may be Awarded directly to an insurer after the City obtains Proposals from an insurance consultant. The consultant shall be selected pursuant to PCC Chapter 5.68. Among the services to be provided by the consultant is the securing of competitive Proposals from insurance carriers for all coverages for which the insurance consultant is given responsibility and advice to the City about the costs and benefits of the various Proposals. The City may then negotiate or enter into the insurance Contract that appears most Advantageous to the City without advertisement or issuance of its own Request for Proposals.
- 7.** Purchase of Used Personal Property or Equipment: The City may directly purchase used personal property and equipment. Used property and used equipment is property or equipment that has been placed in use by a previous owner or user for a period of time, and which is recognized in the relevant trade or industry, if there is one, as qualifying the personal property or equipment as “used”. Used personal property or equipment generally does not include property or equipment if the City was the previous user, whether under a lease, as part of a demonstration, trial or pilot project or similar arrangement.
- 8.** Hazardous Material Removal and Oil Clean-up. The City may directly purchase services to remove or clean up hazardous material or oil from any vendor when ordered to do so by the Oregon Department of Environmental Quality pursuant to its authority under ORS Chapter 466. In doing so, the following conditions apply:

 - a.** To the extent reasonable under the circumstances, encourage competition by attempting to obtain informal price quotations or Proposals from potential suppliers of Goods and Services;
 - b.** The Bureau responsible for managing or coordinating the clean-up shall submit a Written description of the circumstances that require it and a copy of the DEQ order for the cleanup to the Bureau of Purchases together with a requisition authorizing the Contract.
 - c.** The Bureau of Purchases shall record whether there was time for competition, and, if so, the measures taken to encourage competition, the amount of the price quotations obtained, if any, and the reason for selecting the Contractor to whom Award is made; and
 - d.** The timeline for cleanup does not permit the use of intermediate Procurement procedures.

TITLE 5
REVENUE AND FINANCE

- 9.** Amendments to Contracts and Price Agreements: The City may execute Contract amendments, as follows:
- a.** An original valid Contract exists between the parties;
 - b.** Unit prices or “add alternates” were provided in the Solicitation Document that established the cost basis for the additional Work or product or in a lump sum Contract the Contractor has provided an estimate of the additional cost which has been verified by the Bureau seeking the amendment; and
 - c.** The Solicitation Document provided for such amendments; or
 - d.** Emergency: The original Contract was let pursuant to a declaration of Emergency, in accordance with PCC Section 5.33.130; or
 - e.** Unplanned Environmental Cleanup: The additional Work is required by reason of existing regulations or ordinances of federal, state or local agencies, dealing with the prevention of environmental pollution and the preservation of natural resources, that affect performance of the original Contract and such regulations or ordinances either were not cited in the original Contract or were enacted or amended after submission of the successful Bid or Proposal.
- 10.** Renegotiations of Existing Contracts with Incumbent Contractors.
- a.** Authorization. The City may renegotiate and amend existing Contracts with incumbent Contractors only if it is in the best interest of the City.
 - b.** Process and Criteria. The City may renegotiate various items of the Contract, including but not limited to: price, term, delivery and shipping, order size, item substitutions, warranties, discounts, on-line ordering systems, price adjustments, product availability, product quality, and reporting requirements. The City must meet the following conditions in its Renegotiations with incumbent Contractors:
 - (1)** Favorable Result. The City must determine that, with all things considered, the renegotiated Contract is at least as favorable to the City as the Original Contract and document

TITLE 5

REVENUE AND FINANCE

this in the Procurement File. For example, the City and the Contractor may adjust terms and conditions within the Original Contract to meet different needs;

- (2) Within the Scope. The Supplies and Services provided under the renegotiated Contract must be reasonably related to the Original Contract's Solicitation. For example, the City may accept functionally equivalent substitutes for any Supplies and Services in the Original Contract's Solicitation.
- (3) Optional Term or Condition. If a Contractor offered to the City during the original Solicitation a term or condition that was rejected at that time, the City may not renegotiate for a lower price based on this rejected term or condition as a mandatory term or condition in the renegotiated Contract. If, however, a Contractor offers a lower price pursuant to a rejected term or condition without additional consideration from the City and as only an option to the City, then the City may accept the option of a lower price under the rejected term or condition. For example, if the City initially rejected a Contractor's proposed condition that the price required a minimum order, any renegotiated Contract may not mandate this condition; but the City may agree to the option to order lesser amounts or receive a reduced price based upon a minimum order; and
- (4) Market. In order to avoid encouraging favoritism or diminishing competition, the City may research the accepted competitive practices and expectations of Offerors within the market for the specific Contract(s) or Classes of Contracts to be renegotiated (Market Norm). If the City researches the Market Norm, then the City must document its results in the Procurement File. Based upon this information, the City shall confirm that, if the City follows the Market Norm, favoritism is not likely to be encouraged, competition is not likely to be diminished, and substantial cost savings may be realized. Under no condition may the City accept or follow any Market Norm that likely encourages favoritism or diminishes competition, even if it is accepted or expected in the market.

- 11. Reverse Auctions, pursuant to the process established in PCC Section 5.33.350.

TITLE 5
REVENUE AND FINANCE

- 12.** Software and Hardware Maintenance and Upgrades. The City may directly enter into a Contract or renew existing Contracts for information technology hardware or software maintenance and upgrades without Competitive Solicitation where the maintenance and upgrades are either available from only one source or, if available from more than one provider, are obtained from the City's current provider in order to utilize the pre-existing knowledge of the vendor regarding the specifics of the City's hardware or software system. The City shall document in the Procurement File the facts that justify either that maintenance and upgrades were available from only one source or, if from more than one source, from the current vendor.
 - 13.** Equipment Maintenance, Repair and Overhaul. The City may enter into a Contract for equipment maintenance, repair and/or overhaul without competitive bidding and without obtaining competitive quotations if the extent of repair services, parts, maintenance or overhaul is unknown and cost cannot be determined without preliminary dismantling or testing.
 - 14.** Hazardous Material removal or oil cleanup. The City may enter into contracts without competitive bidding or competitive quotations when ordered to clean up oil and/or hazardous waste pursuant to the authority granted to local, state or federal regulatory agencies having jurisdiction over such matters. However, the City shall encourage competition to the extent reasonable under the circumstances. The Bureau responsible for managing or coordinating the cleanup also shall submit a written description of the circumstances that require the cleanup and a copy of the order to the Bureau of Purchases when seeking to enter into such a contract.
- D.** Notice. The City shall give public notice of the City Council's approval of an Individual or Class Special Procurement on its website as provided in PCC Section 5.33.300 A.3. The public notice shall describe the Goods or Services or class of Goods or Services to be acquired through the Special Procurement. The City shall give such public notice of the approval of a Special Procurement at least seven (7) Days before Award of the Contract. If the Special Procurement leads to a Solicitation Document, then the City will post a Notice of Intent to Award the contract pursuant to PCC Section 5.33.650.
- E.** If the City plans to conduct a competitive special Procurement, it shall give notice of intent to Award to all prequalified Offerors who sought the Award of a Contract in the manner provided for competitive sealed Bids.

TITLE 5

5.33.300 Public Notice of Solicitation for Contracts over \$150,000.

- A.** Notice and Solicitation Fee. The City shall furnish public notice of every Solicitation Document in accordance with PCC Section 5.33.300 B. The City may give additional notice using any method it determines appropriate to foster and promote competition, including:
- 1.** Mailing notice of the availability of Solicitation Document to Persons that have expressed an interest in the City's Solicitations; or
 - 2.** Placing Notice on the Oregon Department of Administrative Services' Electronic Procurement System known as "ORPIN" (Oregon Procurement Information Network) or a successor Electronic system; or
 - 3.** Place Notice on the City's Internet Web site.
- B.** Advertising. The City shall advertise every notice of a Solicitation Document as follows:
- 1.** The City shall publish the advertisement for Offers in accordance with the requirements of ORS 297.055(4)(a) and (b); or
 - 2.** Because the City finds that it would be cost effective to Electronically post notice of Bids and Proposals, the City may publish the advertisement for Offers by Electronic Advertisement in accordance with the requirements established by PCC Section 5.33.340.
 - 3.** Content. All advertisements for Offers shall set forth:
 - a.** Where, when how and for how long the Solicitation Document may be obtained.
 - b.** A general description of the Goods or Services to be acquired;
 - c.** The interval between the first date of notice of the Solicitation Document given in accordance with PCC Section 5.33.300 B. and Closing which shall not be less than fourteen (14) Days for an Invitation to Bid and 21 Days for a Request for Proposals, unless the City determines that shorter interval is in the public's interest, and that a shorter interval will not substantially affect competition. However, in no event shall the interval between the first date of notice of the Solicitation Document given in accordance with PCC Section 5.33.300 B. and Closing be less than seven (7) Days as set forth in PCC Section 5.33.200. The City shall document the

TITLE 5
REVENUE AND FINANCE

specific reasons for the shorter public notice period in the Procurement file;

- d.** The date that Persons must file applications for Prequalification if Prequalification is a requirement and the class or classes of Goods or Services for which Persons must be prequalified;
 - e.** The office where Contract terms, conditions and Specifications may be reviewed;
 - f.** The name and title of the person designated for the receipt of Bids and the person designated by the City as the contact person for the Procurement, if different;
 - g.** The scheduled Opening; and
 - h.** Any other information the City deems appropriate.
- C.** Posting Advertisement for Offers. The City shall post a copy of each advertisement for Offers at the Bureau of Purchases. An Offeror may obtain a copy of the advertisement for Offers upon request.
- D.** The City may charge a fee or require a deposit for the Solicitation Document.
- E.** The City shall provide potential Offerors notice of any Addendum to a Solicitation Document in accordance with PCC Section 5.33.430.

5.33.310 Specifications and Brand Names.

- A.** Specification content is in the sole discretion of the City of Portland.
- B.** The City may consult with technical experts, suppliers, prospective Contractors and representative of the industries with which the City will Contract. The City shall take reasonable measure to ensure that no person who prepares or assists in the preparation of Solicitation Documents, Specifications, plans or Scopes of Work (collectively, “documents”), and that no business with which the person is associated realizes a material competitive advantage in a Procurement that arises from the City’s use of those documents.
- C.** A “brand name or equal” Specification may be used when it is Advantageous to the City. The brand name describes the standard of quality, performance, functionality and other characteristics of the product needed by the City. The City’s determination of what constitutes a product that is equal or superior to the

TITLE 5

REVENUE AND FINANCE

product specified is final. Unless otherwise specified, the use of a brand name shall mean “brand name or equal.”

- D.** A “brand name” Specification may be used requiring a Contractor to provide a specific brand only if the Purchasing Agent, or designee, makes a Written determination finding that the brand name will meet one or more of the following needs:
- 1.** The use of a brand name Specification is unlikely to encourage favoritism in the Awarding of a Contract or substantially diminish competition for Contracts; or
 - 2.** The use of a brand name Specification would result in a substantial cost savings to the City; or
 - 3.** There is only one manufacturer or seller of the product of the quality, performance or functionality required; or
 - 4.** Efficient utilization of existing goods requires the acquisition of compatible Goods or Services.
- E.** The City's use of a brand name specification is subject to protest and review only as provided in PCC Section 5.33.730.

5.33.320 Bids or Proposals are Offers.

- A.** Offer and Acceptance. A Bid, Proposal or Price Quotation is an Offer to enter into a Contract. The Offer is a “Firm Offer,” i.e., the Offer shall be held open by the Offeror for the City’s acceptance for the period specified in PCC Section 5.33.495. The City’s Award of the Contract constitutes acceptance of the Offer and binds the Offeror to the Contract.
- B.** Responsive Offer. The City may Award a Contract only to a Responsible Offeror with a Responsive Offer.
- C.** Contingent Offers. Except to the extent an Offeror is authorized to propose certain terms and conditions pursuant to PCC Section 5.33.215 a Proposer shall not make its Offer contingent upon the City’s acceptance of any terms or conditions (including Specifications) other than those contained in the Solicitation Document.
- D.** Offeror’s Acknowledgment. By signing and returning the Offer, the Offeror acknowledges it has read and understands the terms and conditions contained in the Solicitation Document and that it accepts and agrees to be bound by the terms

and conditions of the Solicitation Document. If the Request for Proposals permits alternative terms under PCC Section 5.33.215, the Proposal includes the nonnegotiable terms and conditions and any proposed terms and conditions offered for negotiation upon and to the extent accepted by the City in Writing.

5.33.330 Facsimile Bids and Proposals.

- A.** City Authorization. The Purchasing Agent may authorize Offerors to submit Facsimile Offers. If the City determines that a Bid or Proposal Security is or will be required, the City should not authorize Facsimile Offers unless the City has another method for receipt of such security. Prior to authorization, the City must determine whether the City's equipment and personnel are capable of receiving the size and volume of anticipated Offers within a short period of time and establish administrative procedures and controls:
1. For receiving, identifying, recording, and safeguarding Facsimile Offers, and
 2. To ensure timely delivery of Offers to the location of Opening; and
 3. To preserve the "sealed" requirement of competitive Procurement.
- B.** Provisions To Be Included in Solicitation Document. In addition to all other requirements, if the City authorizes a Facsimile Offer, the City will include in the Solicitation Document provisions substantially similar to the following:
1. A "Facsimile Offer," as used in this Solicitation, means an Offer, modification of an Offer, or withdrawal of an Offer that is transmitted to and received by the City via a Facsimile machine.
 2. Offerors may submit Facsimile Offers in response to the Solicitation. The entire response must arrive at the place and by the time specified in this Solicitation Document.
 3. That Offerors must Sign their Facsimile Offers.
 4. The City reserves the right to Award the Contract solely on the Facsimile Offer. However, upon the City's request the apparently successful Offeror shall promptly submit its complete original Signed Offer.
 5. The data and compatibility characteristics of the City's receiving Facsimile machine as follows:
 - a. Telephone number;

TITLE 5
REVENUE AND FINANCE

- b. Compatibility characteristics, e.g., make and model number, receiving speed, communications protocol.
6. The City is not responsible for any failure attributable to the transmission or receipt of the Facsimile Offer including, but not limited to the following:
 - a. Receipt of garbled or incomplete documents.
 - b. Availability or condition of the receiving Facsimile machine.
 - c. Incompatibility between the sending and receiving Facsimile machine.
 - d. Delay in transmission or receipt of documents.
 - e. Failure of the Offeror to properly identify the Offer documents.
 - f. Illegibility of Offer documents.
 - g. Security and confidentiality of data.

5.33.340 Electronic Procurement.

- A.** The City may conduct all phases of a Procurement, including without limitation the posting of Electronic Advertisements and the receipt of Electronic Offers, by Electronic methods if and to the extent the City specifies in a Solicitation Document, a request for quotes, or any other Written instructions on how to participate in the Procurement.
- B.** The City shall open an Electronic Offer in accordance with Electronic security measures in effect at the City at the time of its receipt of the Electronic Offer. Unless the City provides procedures for the secure receipt of Electronic Offers, the Person submitting the Electronic Offer assumes the risk of premature disclosure due to submission in unsealed form.
- C.** The City's use of Electronic Signatures shall be consistent with applicable statutes and rules. The Purchasing Agent may limit the use of Electronic methods of conducting a Procurement as Advantageous to the City.
- D.** If the City determines that Bid or Proposal Security is or will be required, the Purchasing Agent will not authorize Electronic Offers unless the City has another method for receipt of such security.

TITLE 5
REVENUE AND FINANCE

- E.** Rules Governing Electronic Procurements. The City shall conduct all portions of an Electronic Procurement in accordance with these rules, unless otherwise set forth in this rule.
- F.** Preliminary Matters. As a condition of participation in an Electronic Procurement the Purchasing Agent may require potential Contractors to register with the City before the date and time on which the City will first accept Offers, to agree to the terms, conditions, or other requirements of a Solicitation Document, or to agree to terms and conditions governing the Procurement, such as procedures that the City may use to attribute, authenticate or verify the accuracy of an Electronic Offer, or the actions that constitute an Electronic Signature.
- G.** Offer Process. The Purchasing Agent may specify that Persons must submit an Electronic Offer by a particular date and time, or that Persons may submit multiple Electronic Offers during a period of time established in the Electronic Advertisement. When the Purchasing Agent specifies that Persons may submit multiple Electronic Offers during a specified period of time, the City must designate a time and date on which Persons may begin to submit Electronic Offers, and a time and date after which Persons may no longer submit Electronic Offers. The date and time after which Persons may no longer submit Electronic Offers need not be specified by a particular date and time, but may be specified by a description of the conditions that, when they occur, will establish the date and time after which Persons may no longer submit Electronic Offers. When the City will accept Electronic Offers for a period of time, then at the designated date and time that the City will first receive Electronic Offers, the City must begin to accept “real time” Electronic Offers on the City’s Electronic Procurement System, and shall continue to accept Electronic Offers in accordance with 5.33.340 H.2 until the date and time specified by the City, after which the City will no longer accept Electronic Offers.
- H.** Receipt of Electronic Offers.
- 1.** When the City conducts an Electronic Procurement that provides that all Electronic Offers must be submitted by a particular date and time, the City shall receive the Electronic Offers in accordance with these rules.
 - 2.** When the City specifies that Persons may submit multiple Offers during a period of time, the City shall accept Electronic Offers, and Persons may submit Electronic Offers, in accordance with the following:
 - a.** Following receipt of the first Electronic Offer after the Day and time the City first receives Electronic Offers the City shall post on the City’s Electronic Procurement System, and updated on a real

TITLE 5

REVENUE AND FINANCE

time basis, the lowest Electronic Offer price or the highest ranking Electronic Offer. At any time before the date and time after which the City will no longer receive Electronic Offers, a Person may revise its Electronic Offer, except that a Person may not lower its price unless that price is below the then lowest Electronic Offer.

- b.** A Person may not increase the price set forth in an Electronic Offer after the Day and time that the City first accepts Electronic Offers.
 - c.** A Person may withdraw an Electronic Offer only in compliance with these rules. If a Person withdraws an Electronic Offer, it may not later submit an Electronic Offer at a price higher than that set forth in the withdrawn Electronic Offer.
- I.** Failure of the E-Procurement System. In the event of a failure of the City's Electronic Procurement System that interferes with the ability of Persons to submit Electronic Offers, protest or to otherwise participate in the Procurement, the City may cancel the Procurement in accordance with PCC Section 5.33.660, or may extend the date and time for receipt of Electronic Offers by providing notice of the extension immediately after the Electronic Procurement System becomes available.

5.33.350 Reverse Auctions.

- A.** Conditions for use. When the City determines that online Solicitation is an Advantageous Procurement method, a Contract may be entered into by competitive online Bidding, subject to the provisions of Competitive Sealed Bidding or Competitive Sealed Proposals.
- B.** Offer process. The Solicitation must designate both an Opening date and time and a Closing date and time. The Closing date and time need not be a fixed point in time, but may remain dependant on a variable specified in the Solicitation. At the Opening date and time, the City must begin accepting real time Electronic Offers. The Solicitation must remain open until the Closing date and time. The City may require Offerors to register before the Opening date and time and, as a part of that registration, to agree to the terms, conditions, or other requirements of the Solicitation. Following receipt of the first Offer after the Opening date and time, the lowest Offer price or, if Proposals are accepted, the ranking of each Proposer, must be posted Electronically to the Internet and updated on a real time basis. At any time before the Closing date and time, an Offeror may lower the price of its Offer or revise its Proposal except that after Opening date and time, an Offeror may not lower its price unless that price is below the then lowest Offer. Offer prices may not be increased after Opening. Except for Offer prices, Offers may be modified only as otherwise allowed by these rules or the Solicitation Document.

An Offer may be withdrawn only in compliance with these rules. If an Offer is withdrawn, no later Offer submitted by the same Offeror may be for a higher price. If the lowest Responsive Offer is withdrawn after the Closing date and time, the City may cancel the Solicitation or reopen the Solicitation to all pre-existing Offerors by giving notice to all pre-existing Offerors of both the new Opening date and time and the new Closing date and time. Notice that Electronic Solicitation will be reopened must be given as specified in the Solicitation Document.

- C.** Failure of the Electronic Procurement System. In the event of a failure of the Electronic Procurement System that interferes with the ability of Offerors to submit Offers, protest, or to otherwise meet the requirements of the Procurement, the City may cancel the Solicitation or may extend the Solicitation by providing notice of the extension immediately after the System becomes available.

5.33.360 Contract Conditions

Every Contract shall contain the conditions required by ORS 279B.220, 225, 230 and 235.

5.33.400 Offer Preparation.

- A.** Instructions. An Offeror shall submit and Sign its Offer in accordance with the Solicitation Document. Unless otherwise instructed, or unless Electronic Offers are permitted, signatures shall be in ink. An Offeror shall initial and submit any correction or erasure to its Offer prior to the Opening in accordance with the requirements for submitting an Offer under the Solicitation Document.
- B.** Forms. An Offeror shall submit its Offer on the form(s) provided in the Solicitation Document, unless an Offeror is otherwise instructed in the Solicitation Document.
- C.** Documents. An Offeror shall provide the City with all documents and Descriptive Literature required under the Solicitation Document. If the Solicitation Document instructs Offerors not to include documents or literature, such as warranty provisions, the City is entitled to disregard those documents in determining whether the Offer is responsive to the City's request.
- D.** Electronic Submissions. If the Solicitation Document permitted Electronic Offers under PCC Section 5.33.340 an Offeror may submit its Offer Electronically. The City shall not consider Electronic Offers unless authorized by the Solicitation Document.

TITLE 5
REVENUE AND FINANCE

5.33.410 Bid or Proposal Security.

- A.** Offer Security, not to exceed 10 percent of the Offer, is not required for Contracts other than Public Improvement Contracts unless the Purchasing Agent determines otherwise. If required, the purpose of Offer Security is to guarantee acceptance of the Award of the Contract. This requirement shall be stated in the Solicitation Document.
- B.** The Purchasing Agent may require Offer Security from any Offeror, even if the City has exempted a class of Solicitations from Offer Security.
- C.** The Offer Security shall be forfeited if the Offeror fails to execute the Contract promptly and properly after the City has Awarded the Contract, unless the Purchasing Agent determines forfeiture is not in the City's best interest.
- D.** The City shall not use Offer Security to discourage competition.
- E.** Return of Offer Security. The Offer Security of all unsuccessful Offerors shall be returned or released after a Contract has been executed and evidence of insurance and a performance bond provided (if insurance or performance bond is required by the Solicitation Document), or after all Offers have been rejected. The City may return the Offer Security of unsuccessful Offerors after Opening, but prior to Award, if the return does not prejudice Contract Award and provided that the security of at least the two lowest Bidders, or the two highest scoring Proposers, is retained pending the Award and execution of a Contract.
- F.** Form of Bid or Proposal security. The City may accept only the following forms of Bid or Proposal security:
 - 1.** A surety bond, signed by the surety's authorized Attorney in Fact, that is authorized to do business in the State of Oregon and is duly listed in the United States Treasury list as published in the Federal Register, or is otherwise approved by the City Attorney. The surety company's seal shall be affixed to the bond and a Power of Attorney for the Attorney in Fact shall be submitted. The City Attorney has the authority to waive the requirement of corporate seal; or
 - 2.** A signed irrevocable letter of credit issued by an insured institution as defined in ORS 706.008(12); or
 - 3.** Cashier's check or Offeror's certified check; or

4. An annual surety bond filed with the City (except for Public Improvement Contracts) that meets all the requirements of PCC Section 5.33.410 F.1. above.

5.33.420 Pre-Offer Conferences.

- A. Purpose. The City may hold pre-Offer conferences with prospective Offerors prior to Closing, to explain the Solicitation requirements, obtain information, or to conduct site inspections.
- B. Required Attendance. The City may require attendance at the pre-Offer conference as a condition for making an Offer. A prospective Offeror who fails to attend a mandatory conference is not eligible to make an Offer. If an Offer is made it will be rejected as nonresponsive.
- C. Scheduled Time. If the City holds a pre-Offer conference, it shall be held within a reasonable time after the Solicitation Document has been issued, but sufficiently before the Closing to allow Offerors to consider information provided at that conference.
- D. Statements Not Binding. Statements made by a City representative at the pre-Offer conference or elsewhere about the proposed Contract or Solicitation Document do not change the Solicitation Document unless the Bureau of Purchases confirms such statements with a Written Addendum to the Solicitation Document.
- E. City Announcement. The City must set forth notice of any pre-Offer conference in the Solicitation Document in accordance with PCC Section 5.33.300.

5.33.430 Addenda to Solicitation Document

- A. Issuance; Receipt. A Solicitation Document may be changed only by a Written Addendum. An Offeror shall provide Written acknowledgment of receipt of all issued Addenda with its Offer, unless the City otherwise specifies in the Addenda or Solicitation Document. If an Offeror submits an Offer and the Solicitation Document states that the Offeror is bound by all Addenda published in accordance with these rules, then the Offeror shall be bound to the terms contained in all Addenda so issued.
- B. Notice and Distribution. The City shall notify prospective Offerors of Addenda consistent with the standards of Notice set forth in PCC Section 5.33.300. The Solicitation Document shall specify how the City will provide notice of Addenda and how the City will make the Addenda available. For example, the City may state: "City will not mail notice of Addenda, but will publish notice of any

TITLE 5

REVENUE AND FINANCE

Addenda on City's Web site. Addenda may be downloaded off the City's Web site. Offerors should frequently check the City's Web site until Closing, i.e., at least once weekly until the week of Closing and at least once daily during the week of the Closing."

C. Timelines; Extensions.

- 1.** The City shall issue Addenda within a reasonable time to allow prospective Offerors to consider the information contained in the Addenda in preparing their Offers. The City should extend the Closing if the Purchasing Agent determines prospective Offerors need additional time to review and respond to Addenda. Except to the extent that the Purchasing Agent determines that the public interest requires it, the City shall not issue an Addendum less than 72 hours before the Closing unless the Addendum also extends the Closing. For purposes of computing this time, the Addendum shall be deemed issued to occur when it is first posted on the City's web site or upon mailing, whichever is applicable. If both occur, the notification is complete when the first of these two events occur.
- 2.** Notwithstanding PCC Section 5.33.430 C.1., an Addendum that modifies the evaluation criteria, selection process or procedure for any tier of competition under a multi-step sealed Bid or a multi-tiered or multi-step sealed Proposal issued in accordance with PCC Sections 5.33.205 and 5.33.210 through 5.33.217 must be issued no fewer than five (5) Days before the beginning of that tier or step of competition, unless the City determines that a shorter period is sufficient to allow Offerors to prepare for that tier or step of competition. The City shall document the factors it considered in making that determination, which may include, without limitation, the Scope of the changes to the Solicitation Document, the location of the remaining eligible Proposers, or whether shortening the period between issuing an Addendum and the beginning of the next tier or step of competition favors or disfavors any particular Proposer or Proposers.

- D.** Request for Change or Protest. Unless a different deadline is set forth in the Addendum, an Offeror must submit a Written request for change or protest to the Addendum, as provided in PCC Section 5.33.730, by the close of the City's next business Day after issuance of the Addendum. The City shall consider only an Offeror's request for change or protest to the Addendum; the City shall not consider a request for change or protest to matters not added or modified by the Addendum. Notwithstanding any provision of this paragraph, the City is not required to provide a protest period for Addenda issued during a multi-tier or

multi-step Procurement process conducted pursuant to PCC Section 5.33.200 or 5.33.210.

5.33.440 Request for Clarification or Change.

- A.** Time for submission of request for change. Unless otherwise provided in the Solicitation Document, an Offeror shall deliver any request for change of the Solicitation Document, Specifications or Contract provisions to the City in Writing within seven (7) Days prior to Bid or Proposal Closing. Requests for change in regard to Addenda shall be submitted in accordance within the time permitted by PCC Section 5.33.430 D.
- B.** Any request for change shall include a detailed statement of the legal and factual reasons for the request for change; any proposed changes to Specifications or Contract provisions; and a description of any prejudice to the Offeror; and, a statement of the form of relief requested. No request for change of the content of the Solicitation Document, Specifications or Contract provisions shall be considered after the deadline established for submitting such request. The City shall notify the Offeror if the City entirely rejects the request. If the City agrees with the request, in whole or in part, the City shall either issue an Addendum reflecting the change or cancel the Solicitation.
- C.** Extension of Closing date. If any request for change is timely received in accordance with these rules the Closing may be extended by the Purchasing Agent if it is determined that an extension is necessary to allow consideration of the request or issuance of any Addendum to the Solicitation Document.
- D.** Identification of request for change. Envelopes containing requests for change or protests of the Solicitation Document, Specifications or Contract provisions shall be marked with the following information:

 - 1.** Solicitation Specification or Contract Provision Request for Change; and
 - 2.** Solicitation Document Number or Other Identification.
- E.** A Proposer may request a change to add alternate terms and conditions for negotiation if the Solicitation Document permits negotiation. In this circumstance, the request for change procedure shall be governed by the Solicitation Document and PCC Section 5.33.215 C.
- F.** Clarification. Prior to the deadline for submitting a request for change, an Offeror may request in Writing that the City clarify any provision of the Solicitation Document or Contract. The City's clarification, whether oral or in Writing, does not change the Solicitation Document or Contract and is not binding on the City

TITLE 5
REVENUE AND FINANCE

unless the City amends the Solicitation Document or Contract by Written Addendum.

5.33.450 Offeror Submission.

- A.** Product Samples and Descriptive Literature. Product Samples or Descriptive Literature may be required if it is necessary or desirable to evaluate the quality, features or characteristics of the offered items. The City will dispose of Product Samples, return, or make available for return, Product Samples to the Offeror in accordance with the Solicitation Document.
- B.** Identification of Offers.
 - 1.** To ensure proper identification and handling, Offers shall be submitted in a sealed envelope appropriately marked or in the envelope provided by the City, whichever is applicable. If the City permits Electronic Offers in the Solicitation Document, the Offeror may submit and identify Electronic Offers in accordance with the Solicitation Document.
 - 2.** The City is not responsible for Offers submitted in any manner, format or to any delivery point other than as required in the Solicitation Document.
 - 3.** Receipt of Offers. The Offeror is responsible for ensuring the City receives its Offer at the Bureau of Purchases prior to the stated Closing time for Offers, regardless of the method used to submit or transmit the Offer. Offers not so received are late as provided in PCC Section 5.33.480 and shall be returned unopened. If a late Offer is opened inadvertently, the procedure provided by PCC Section 5.33.480 shall apply except the submission shall be returned to the Offeror.

5.33.460 Pre-Closing Modification or Withdrawal of Offers.

- A.** Modifications. An Offeror may modify its Offer in Writing prior to the Closing. Unless otherwise provided in the Solicitation Document, any modifications shall be prepared on the Offeror's letterhead, signed by an Authorized Representative of the Offeror, state that the new document supersedes or modifies the prior Offer and be submitted in a sealed envelope, appropriately marked. The City may accept modifications Electronically only if it has authorized Electronic submittal of the Offer in the Solicitation document. The Offeror shall mark the submitted modification as follows:
 - 1.** Offer Modification; and

2. Solicitation Number or other identification as specified in the Solicitation Document.

B. Withdrawals:

1. An Offeror may withdraw its Offer by Written notice submitted on the Offeror's letterhead, Signed by an Authorized Representative of the Offeror, delivered to the location specified in the Solicitation Document or to the Bureau of Purchases if no location is specified, and received by the specific location or to the Bureau of Purchases, as appropriate, prior to the time and date set for Closing.
2. The Offeror or Authorized Representative of the Offeror may withdraw its Offer in person prior to the Closing, upon presentation of appropriate identification and satisfactory evidence of authority. Because of the chance for error or misidentification, the City reserves the right to reject a purported withdrawal if in the judgment of the City, sufficient identification is not provided.
3. The City may release an unopened Offer withdrawn under PCC Section 5.33.460 B.1. to the Offeror or its Authorized Representative, after voiding any date and time stamp mark or otherwise by appropriately marking the envelope in which the Offer was received.
4. The Offeror shall mark the Written request to withdraw an Offer as follows:
 - a. Offer Withdrawal; and
 - b. Solicitation Number or other identification as specified in the Solicitation Document.
 - c. Documentation. The City shall include all documents relating to the modification or withdrawal of Offers in the appropriate Solicitation file.

5.33.470 Receipt, Opening, and Recording of Offers.

- A. Receipt. The Bureau of Purchases shall Electronically or mechanically time-stamp or hand-mark each Offer and any modification upon receipt. The Offer or modification shall not be opened, but shall be stored in a secure place until Opening. If an Offer or modification is inadvertently opened prior to the Opening, the City shall reseal and store the opened Offer or modification for Opening. That

TITLE 5

REVENUE AND FINANCE

action shall be documented and placed in the appropriate Solicitation file. (E.g. “City inadvertently opened the Offer due to improper identification of the Offer.”)

- B.** Opening and recording. Offers shall be opened publicly, including any modifications made to the Offer pursuant to PCC Section 5.33.460.
 - 1.** In the case of Invitations to Bid, to the extent practicable, the name of each Bidder shall be read aloud as well as the Bid price(s), and such other information as the City considers appropriate.
 - 2.** In the case of Requests for Proposals, the City will not read Proposals aloud, but will only disclose the name of each Proposer.
- C.** Availability. After Opening, Offers will be available for public inspection except for those portions of an Offer that the Offeror designates as trade secrets or as confidential proprietary data in accordance with applicable law. See ORS 192.501(2); ORS 646.461 to 646.475.
 - 1.** To the extent such designation is not in accordance with applicable law, the City shall make those portions available for public inspection. The Offeror shall separate information designated as confidential from other non-confidential information at the time of submitting its Offer.
 - 2.** Prices, makes, model or catalog numbers of items offered, scheduled delivery dates, and terms of payment are not confidential, and shall be publicly available regardless of an Offeror’s designation to the contrary. The Purchasing Agent may determine the appropriate charge to be paid for copies made pursuant to public records requests and may request payment for such copies before they are released.
 - 3.** Notwithstanding anything contrary above, the City is not required to disclose the contents of Proposals until after the City posts a Notice of Intend to Award pursuant to PCC Section 5.33.650.

5.33.480 Late Offers, Late Withdrawals and Late Modifications.

- A.** Any Offer received after Closing is late. An Offeror’s request for withdrawal or modification of an Offer received after Closing is late. The City shall not consider late Offers, withdrawals or modifications
- B.** For manual submissions of Offers, the Bureau of Purchases’ time clock shall be the clock of record and the date and time imprint of that clock on an Offer shall determine the timeliness of the submission. Late manual submissions shall be

returned to the Offeror unopened with a copy of the envelope containing the Bureau's time stamp on the Offer retained for the Solicitation file

- C.** For Electronic submissions, when permitted, the time shown by the City as to the date of arrival of the Electronic submission shall determine the timeliness of the submission. Late Electronic submissions shall be deleted from the City's files, returned Electronically to the Offeror and the time of the submission and the time of return shall be documented in the Solicitation file.
- D.** For Facsimile submissions, when permitted, the time recorded at the top of the last page of the submission shall determine the timeliness of the submission. Late Facsimile transmissions shall be returned to the Offeror after keeping a copy of the last page of the transmission for the Solicitation file.
- E.** Failure to properly return or dispose of a late submission does not mean an Offer or submission arrived on time.

5.33.490 Mistakes.

- A.** General. To protect the integrity of the competitive Solicitation process and to assure fair treatment of Offerors, the City should carefully consider whether to permit a waiver, correction or withdrawal of an Offer for certain mistakes.
- B.** Treatment of Mistakes. Errors in judgment do not permit an Offeror to correct or withdraw an Offer. Mistakes that constitute a minor informality may be waived or corrected. Mistakes that constitute clerical errors may be corrected or withdrawn in the City's discretion pursuant to this rule.
- C.** City notification. If the City believes the Offer contains a mistake the City shall notify the Offeror, note the apparent mistake and request that the Offeror verify the Offer in writing, or by electronic transmission within one business day after notification.
- D.** Failure of Offeror to Respond. If the Offeror fails to respond within one business day after notification of the apparent mistake, the City shall consider the Offer as submitted unless the amount of the Offer is so far out of line with the amounts of other bids received, or with the amount estimated by the City, or there are other indications of error so clear, as to reasonably justify the conclusion or that acceptance of the Offer would be unfair to the Offeror or to other bona fide Offerors, in which case the City shall be entitled to reject the Offer. The City may extend the time for response for good cause shown.
- E.** Verification. If the Offeror verifies its Offer, the City must consider the Offer as originally submitted. However, in fairness to other Offerors, verification does not

TITLE 5

REVENUE AND FINANCE

preclude the City from rejecting the Offer if it is clear that a mistake has been made and the City determines the intended Offer is not evident.

- F.** Minor Informality. If the Offeror verifies its Offer, and the City sees no reason for rejection, the City may waive or permit the Offeror to correct a mistake that constitutes a minor informality. A minor informality is a matter of form, rather than substance, that is evident on the face of the Offer and which can be corrected or waived without prejudice to the public or other Offerors. Examples of a minor informality include a failure to:
- 1.** Return the correct number of Signed Offers or the correct number of other documents required by the Solicitation Document;
 - 2.** Sign the Offer in the designated block, provided, however, that a Signature appears elsewhere in the Offer that evidences the Offeror's intent to be bound; or
 - 3.** Acknowledge receipt of an Addendum to the Solicitation Document, provided it is clear on the face of the Offer that the Offeror received the Addendum and intended to be bound by its terms.
- G.** Clerical Mistakes. If the Offeror does not verify its Offer, but contends a clerical mistake caused a different Offer than intended to be submitted, or verifies the Offer but contends a clerical mistake should be corrected within a portion of the Offer, the City may in its discretion permit correction if the conditions of this section are met.
- 1.** Only clerical mistakes can be corrected. A clerical mistake is not a mistake of judgment. Examples of clerical mistakes include typographical mistakes, errors in extending unit prices, transposition errors, arithmetical errors, misplacement of a decimal point, and instances in which the intended correct price is evident by simple arithmetic calculations.
 - 2.** If correction of the Offer would result in displacement of one or more lower Offers submitted by other Offerors, the correction is permitted if, and only if, both the existence of the mistake and the Offer actually intended are ascertainable from the Solicitation Document and the Offer itself.
 - 3.** If correction of the Offer would not result in the displacement of one or more lower Offers submitted by other Offerors, correction may be permitted if the Offeror provides the City with clear and convincing supporting evidence of the mistake and intended Offer within two business

days after the City's initial notification of the mistake. The City may extend the time for response for good cause shown.

- a.** Supporting evidence shall include all pertinent evidence, such as the Offeror's file copy of its Offer, the original worksheets and other data used in preparing the Offer, subcontractors' quotations, if any, and any other evidence that establishes the existence of a clerical mistake, the manner in which it occurred and the Offer actually intended.
- b.** The closer the corrected Offer is to the next lowest Offer the greater the need for the City to be sure that it has clear and convincing evidence that permits a correction to ensure the integrity of the competitive process.

5.33.495 Time for City Acceptance.

- A.** An Offeror's Offer is a Firm Offer, irrevocable, valid and binding on the Offeror for not less than 30 Days from Closing unless otherwise specified in the Solicitation Document. After 30 Days the Offer shall lapse unless extended. The extension may occur after the expiration of the 30-Day period.
- B.** An Offer may be extended beyond 30 Days if the Offeror and the City so agree. If agreement is reached the time period for extension shall be reduced to Writing and the Offer will remain valid, irrevocable and binding on the Offeror for the agreed-upon extension period.

5.33.500 Responsibility of Offerors.

- A.** Contracts shall be Awarded only to Responsible Offerors. Pursuant to ORS 279B.110, the City shall consider whether the Offeror has:

 - 1.** Available the appropriate financial, material, equipment, facility and personnel resources and expertise, necessary to indicate the capability of the prospective Offeror to meet all Contractual responsibilities;
 - 2.** A satisfactory record of performance. The City shall document the record of performance of a prospective Offeror if the City finds the prospective Offeror nonresponsible under this paragraph;
 - 3.** A satisfactory record of integrity. The City shall document the record of integrity of a prospective Offeror if the City finds the prospective Offeror nonresponsible under this paragraph;

TITLE 5

REVENUE AND FINANCE

- 4.** Qualified legally to Contract with the City. The Bureau of Purchases may determine that such an Offeror is not legally qualified if:
 - a.** The Offeror does not have a business license with the City; or
 - b.** The Offeror failed to make payments required by Title 7 of the City Code and has failed to make appropriate payment arrangements with the Bureau of Licenses within seven (7) Days of the receipt of a Bid or Proposal, unless the City waives that requirement and decides to pursue collection through retention of Contract funds, or through other means.
 - 5.** Supplied all necessary information in connection with the inquiry concerning responsibility. If a prospective Offeror fails to promptly supply information requested by the City concerning responsibility, the City shall base the determination of responsibility upon any available information or may find the prospective Offeror nonresponsible;
 - 6.** Not been debarred by the City under ORS 279B.130, PCC Section 5.33.530 or 5.33.540.
- B.** In the event the City determines an Offeror is not Responsible it shall prepare a Written determination of non-responsibility as required by ORS 279B.110.

5.33.505 Qualified Products Lists.

- A.** City Bureaus may develop and maintain a qualified products list when it is necessary or desirable to test or examine goods before initiating a Procurement. "Goods" includes products that have associated or incidental service components, such as supplier warranty obligations or maintenance service programs.
- B.** When any Bureau begins the initial development of a qualified products list, the Purchasing Agent shall give public notice in accordance with PCC Section 5.33.300 of the opportunity for potential Contractors, sellers or suppliers to submit goods for testing and examination to determine their acceptability for inclusion on the list.
 - 1.** The Purchasing Agent may also solicit in Writing representative groups of potential Contractors, sellers or suppliers to submit goods for the testing and examination.
 - 2.** Any potential Contractor, seller, or supplier, even though not solicited, may offer its goods for consideration.

- C. The determination of whether a particular good satisfies the Bureau's needs is entirely within the Bureau's sole discretion.

5.33.510 Prequalification of Prospective Offerors.

- A. The City may Prequalify prospective Offerors as follows:
 - 1. The Purchasing Agent shall determine the types of forms, the method of submitting applications and the information required to be a prequalified Offeror for Goods or Services.
 - 2. Prospective Offerors shall submit the application on the form required by the Purchasing Agent.
 - 3. Upon receipt of the application, the City shall investigate the prospective Offeror as necessary to determine whether the Prequalification should be granted.
 - 4. If an early Prequalification decision is requested, the City shall make that decision in less than 30 Days, if practicable.
 - 5. The Purchasing Agent shall notify prospective Offerors whether or not they have been prequalified. If a prospective Offeror is not prequalified, the Purchasing Agent shall specify which of the standards of responsibility listed in PCC Section 5.33.500 the prospective Offeror failed to meet.
- B. If the City determines that a prequalified Offeror is no longer qualified the Purchasing Agent may revoke or revise the Prequalification upon reasonable notice, except that a revocation or revision is invalid as to any Contract for which an advertisement for Bids or Proposals has already been issued.
- C. Notwithstanding the prohibition against revocation of Prequalification generally in ORS 279B.120(3), the City may determine that a prequalified Offeror is not Responsible for any given Contract prior to Contract Award.

5.33.530 Debarment of Prospective Offerors.

- A. The City may Debar prospective Offerors pursuant to ORS 279B.130 and this rule.
- B. The City may debar a prospective Offeror from consideration for City Contracts for a period up to three (3) years if:

TITLE 5
REVENUE AND FINANCE

1. The Offeror has been convicted of a criminal offense as an incident in obtaining or attempting to obtain a public or private Contract or Subcontract or in the performance of such Contractor or Subcontract;
 2. The Offeror has been convicted under state or federal statutes of embezzlement, theft, forgery, bribery, falsification or destruction of records, receiving stolen property or any other offense indicating a lack of business integrity or business honesty that currently, seriously and directly affects the Offeror's responsibility as a Contractor;
 3. The Offeror has been convicted under state or federal antitrust statutes;
 4. The Offeror has committed a violation of a Contract provision and debarment for such a violation was listed in the Contract terms and conditions as a potential penalty. A violation may include, but is not limited to, a failure to perform the terms of a Contract or an unsatisfactory performance in accordance with the terms of the Contract. However, a failure to perform or an unsatisfactory performance caused by acts beyond the control of the Contractor may not be considered to be a basis for debarment; or
 5. The Offeror does not carry workers' compensation or unemployment insurance as required by Oregon Law.
- C.** The City may debar a prospective Offeror as follows:
1. Issue a Written decision that states the reasons for the action taken and informs the Offeror of the appeal rights under ORS 279B.435 and PCC Section 5.33.760; and
 2. Mail or immediately furnish a copy of the decision to the debarred Offeror.
- D.** Notwithstanding the limitation on the term for Debarment in ORS 279B.130(1)(b) and this rule, the City may determine that a previously Debarred Bidder or Proposer is not Responsible for a given Contract prior to Contract Award.
- E.** Imputed Knowledge. The City may attribute improper conduct of a Person or its affiliate having a Contract with a prospective Offeror to the prospective Offeror for purposes of debarment where the impropriety occurred in connection with the Person's duty for or on behalf of, or with the knowledge, approval, or acquiescence of, the prospective Offeror.

- F.** Limited participation. The City may allow a Debarred Person to participate in solicitations and Contracts on limited basis during the Debarment period upon Written determination that participation is Advantageous to the City. The determination shall specify the factors on which it is based and define the extent of the limits imposed.

5.33.540 DBE Disqualification.

- A.** The City may disqualify or suspend a Person's right to submit an Offer or to participate in a Contract (e.g., act as a Subcontractor) as follows:
- 1.** For a DBE disqualification pursuant to ORS 200.065 the City may disqualify a Person upon finding that the Person engaged in any of the activities made unlawful by ORS 200.065, or if the Person has been disqualified by another Contracting Agency pursuant to ORS 200.065.
 - 2.** For a DBE disqualification pursuant to ORS 200.075, the City may suspend a Person upon finding that the Person engaged in any of the acts prohibited by ORS 200.075 (a) through (c).
- B.** The City may disqualify or suspend a Person's right to submit Offers or participate in a Contract only for the length of time permitted by ORS 200.065 or ORS 200.075 as applicable.
- C.** The City shall provide Written notice to the Person in Writing of a proposed DBE Disqualification pursuant to this section, served personally or by registered or certified mail, return receipt requested. This notice shall:
- 1.** State that the City intends to disqualify or suspend the Person;
 - 2.** Set forth the reasons for the DBE Disqualification;
 - 3.** Include a statement of the Person's right to a hearing if requested in Writing within the time stated in the notice and that if the City does not receive the Person's Written request for a hearing within the time stated, the Person shall have waived its right to a hearing;
 - 4.** Include a statement of the authority and jurisdiction under which the hearing will be held;
 - 5.** Include a reference to the particular sections of the statutes and rules involved;
 - 6.** State the proposed DBE Disqualification period; and

TITLE 5
REVENUE AND FINANCE

7. State the Person may be represented by legal counsel.
- D. The City shall schedule a hearing upon the City's receipt of the Person's timely request. The City shall notify the Person of the time and place of the hearing and provide information on the procedures, right of representation and other rights related to the conduct of the hearing prior to hearing.
- E. The Purchasing Agent may conduct the hearing or refer the hearing to the Board of Appeals or the Portland City Council for decision. The decision of the Board of Appeals or Council shall be final, with no further appeal.
- F. The City shall provide Written notice of the DBE Disqualification to the Person. The City shall deliver the Written notice by personal service or by registered or certified mail, return receipt requested. Notification is effective, even if not served personally, if the City uses what its records show to be the last known address of the Person. The notice shall contain:
 1. The effective date and period of the DBE disqualification
 2. The grounds for DBE disqualification and
 3. A statement of the Person's appeal rights and applicable appeal deadlines.

5.33.610 Offer Evaluation and Award.

- A. General. If a Contract is Awarded, the City shall Award the Contract to the Responsible Offeror submitting the lowest, Responsive Bid. The City may Award by item, groups of items or the entire Offer provided such Award is consistent with the Solicitation Document and in the public interest.
- B. Multiple Items. An Invitation to Bid or Request for Proposal may call for pricing of multiple items of similar or related type with Award based on individual line item, group total of certain items, a "market basket" of items representative of the total requirement, or grand total of all items.
- C. All or none Offers. All or none Bids or Proposals may be accepted if the evaluation shows an all or none Award to be the lowest cost of those submitted.
- D. Clarification of Offers. After Opening, discussions may be conducted with apparent Responsive Offerors for the purpose of clarification to assure full understanding of the Offer. All Offers, in the City's sole judgment, needing clarification shall be accorded such an opportunity. Clarification of any Offer must be documented in Writing by City and shall be included in the file.

TITLE 5
REVENUE AND FINANCE

- E.** Multiple Awards - Bids. If a Solicitation permits the Award of multiple Contracts, the City shall specify the criteria it shall use to choose from the multiple Contracts when purchasing Goods and Services. The criteria shall require the City to purchase the lowest priced goods or services available from the multiple Contracts. Multiple Awards shall not be made if a single Award will meet the City's needs without sacrifice of economy or service. A multiple Award may be made if Award to two or more Offerors of similar products is necessary for adequate availability, delivery, service or product compatibility. Awards may not be made for the purpose of dividing the Solicitation, or to allow for user preference unrelated to utility or economy. A notice to potential Offeror that multiple Contracts may be Awarded for any Solicitation shall not preclude the Award of a single Contract for such Solicitation.
- F.** Multiple Awards – Proposals. If a Solicitation permits the Award of multiple Contracts, the City shall specify the criteria it shall use to choose from the multiple Contracts when purchasing Goods and Services. The criteria shall require the City to procure the goods or services that are most Advantageous to the City available from the multiple Contracts. Multiple Awards shall not be made if a single Award will meet the City's needs without sacrifice of economy or service. A multiple Award may be made if Award to two or more Offerors of similar Goods or Services is necessary for adequate availability, delivery, service or product compatibility. Multiple Awards may not be made for the purpose of dividing the Solicitation, or to allow for user preference unrelated to obtaining the most Advantageous Contract. A notice to potential Offeror that multiple Contracts may be Awarded for any Solicitation shall not preclude the Award of a single Contract for such Solicitation.
- G.** Partial Awards. If after evaluation of competitive Offers, the City finds that a qualified Offer has been received for only parts of the requirements of the Solicitation:
1. A Contract may be Awarded for the parts of the Solicitation for which qualified Offers have been received.
 2. All Offers may be rejected and a new Invitation to Bid or Request for Proposals on the same or revised terms, conditions and Specifications may be issued.
- H.** City Evaluation. The City shall evaluate an Offer only as set forth in the Solicitation Document and in accordance with applicable law. The City shall not evaluate an Offer using any other requirement or criterion.

TITLE 5

REVENUE AND FINANCE

- I.** Evaluation of Bids. The City shall evaluate Bids as set forth in ORS 279B.055(6)(a).
 - 1.** In evaluating Bids, the City shall apply the Contract preferences set forth in PCC Sections 5.33.625 through 5.33.635.
 - 2.** Low, Tied Offers. Low, tied Offers shall be resolved pursuant to PCC Section 5.33.625.
- J.** Evaluation of Proposals. The City shall evaluate Proposals as set forth in 279B.060(6) and PCC Section 5.33.210 and in the event of low, tied Proposals, in accordance with PCC Section 5.33.625.
- K.** Recycled Materials. In determining the most Advantageous Responsive Proposal the City shall give preference for recycled materials as set forth in ORS 279A.125 and PCC Section 5.33.635.

5.33.620 Negotiation With Offerors Prohibited.

The City shall not negotiate with any Offeror in regard to the acquisition of Goods and Services if the Procurement was pursuant to an Invitation to Bid. This rule does not prevent the City from seeking a clarification of an Offer, provided the clarification does not change the Offer. This rule does not prohibit negotiation with a Proposer in response to a Request for Proposals provided the requirements of these rules have been met.

5.33.625 Contract Preferences.

- A.** Award When Offers Identical. When the City receives Offers identical in price, fitness, availability and quality, and chooses to Award a Contract, the City shall Award the Contract based on the following order of precedence:
 - 1.** The City shall Award the Contract to the Offeror among those submitting identical Offers who is offering Goods or Services, or both, that have been manufactured or produced in Oregon.
 - 2.** If two or more Offerors submit identical Offers, and they all offer Goods or Services, or both, manufactured or produced in Oregon, the City shall Award the Contract by drawing lots among the identical Offers offering Goods or Services that have been manufactured or produced in Oregon. The City shall provide to the Offerors who submitted the identical Offers notice of the date, time and location of the drawing of lots and an opportunity for those Offerors to be present when the lots are drawn.
 - 3.** If the City receives identical Offers, and none of the identical Offers offer Goods or Services, or both, that have been manufactured or produced in

TITLE 5
REVENUE AND FINANCE

Oregon, then the City shall Award the Contract by drawing lots among the identical Offerors. The City shall provide to the Offerors that submitted the identical Offers notice of the date, time and location of the drawing of lots and an opportunity to be present when the lots are drawn.

- B.** Determining if Offers are Identical. The City shall consider Offers identical in price, fitness, availability and quality as follows:
1. Bids received in response to an Invitation to Bid issued under PCC Section 5.33.200 or ORS 279C.335 are identical in price, fitness, availability and quality if the Bids are Responsive, and offer the Goods or Services described in the Invitation to Bid at the same price.
 2. Proposals received in response to a Request for Proposals issued under PCC Section 5.33.210, are identical in price, fitness, availability and quality if they are Responsive and achieve equal scores when scored in accordance with the evaluation criteria set forth in the Request for Proposals.
 3. Proposals received in response to a Special Procurement conducted pursuant to PCC Section 5.33.220 are identical in price, fitness, availability and quality if, after completing the Contracting procedure approved by the City if the City determines, in Writing, that two or more Proposals are equally Advantageous to the City.
 4. Offers received in response to an intermediate Procurement conducted pursuant to ORS 279B.070 are identical if the Offers equally best serve the interests of the City in accordance with ORS 279B.070(4).
- C.** Determining if Goods or Services are Manufactured or Produced in Oregon. For the purposes of complying with PCC Section 5.33.625 A., the City shall determine whether a Contract is predominantly for Goods or Services and then use the predominant purpose to determine if the Goods or Services are manufactured or produced in Oregon. The City may request in a Solicitation Document, following Closing, or at any other time determined appropriate by the City, any information the City may need to determine if the Goods or Services are manufactured or produced in Oregon. The City may use any reasonable criteria to determine if Goods or Services are manufactured or produced in Oregon, provided that the criteria reasonably relate to that determination, and provided that the same criteria apply equally to each Offeror.
- D.** Procedure for Drawing Lots. When this Rule calls for the drawing of lots, the City shall draw lots by a procedure that affords each Offeror subject to the drawing a substantially equal probability of selection, and that does not allow the person

TITLE 5

REVENUE AND FINANCE

making the selection the opportunity to manipulate the drawing of lots to increase the probability of selecting one Offeror over another.

5.33.630 Reciprocal Preferences.

- A.** When evaluating Bids pursuant to PCC Section 5.33.610, the City shall add a percentage increase to the Bid of a Nonresident Bidder equal to the percentage, if any, of the preference that would be given to that Bidder in the state in which the Bidder resides.
- B.** The City shall rely on the list prepared and maintained by the Oregon Department of Administrative Services pursuant to ORS 279A.120(4) to determine both (i) whether the Nonresident Bidder's state gives preference to in-state Bidders, and (ii) the amount of such preference.

5.33.635 Contract Preferences: Recycled Materials.

- A.** Notwithstanding provisions of law requiring the City to Award a Contract to the lowest Responsible Bidder or best Proposer or provider of a quotation, and subject to PCC Section 5.33.635 B., the City shall give preference to the Procurement of goods manufactured from recycled materials.
- B.** In comparing goods from two or more Bidders or Proposers, and at least one Bidder or Proposer offers goods manufactured from recycled materials, and at least one Bidder or Proposer does not, the City shall select the Bidder or Proposer offering goods manufactured from recycled materials if each of the following four (4) conditions exists:
 - 1.** The recycled product is available;
 - 2.** The recycled product meets applicable standards;
 - 3.** The recycled product can be substituted for a comparable non-recycled product; and
 - 4.** The recycled product's costs do not exceed the costs of non-recycled products by more than five (5) percent, or a higher percentage if a Written determination is made by the City and set forth in the Solicitation Document. For purposes of making the foregoing determination, the City shall consider the costs of the goods following any adjustments the City makes to the price of the goods for purposes of evaluation pursuant to PCC Section 5.33.610.

- C. For the purposes of this section, the City shall determine if goods are manufactured from recycled materials in accordance with standards established by the City.

5.33.640 Rejection of all or part of an Offer.

- A. Investigation. The City may, but is not required to, seek clarification of an Offer to determine whether it is responsive and make such investigation as necessary to determine whether an Offeror is responsible. The investigation may include:

1. An inquiry into the responsibility of the Offeror's proposed Subcontractor and suppliers;
2. Requiring an Offeror to demonstrate its financial ability to perform the Contract. In exercising this right, the City shall notify the apparent successful Offeror in Writing to submit such documentation as the City deems necessary to complete a thorough evaluation of the Offeror's financial ability;
3. Obtaining any credit report information that the City deems necessary to investigate and evaluate whether the Offeror is financially responsible. By submitting an Offer, the Offeror authorizes the City to investigate its credit, to obtain credit reports and to cooperate in the event that credit information is requested by the City.
4. Any action necessary to ascertain whether the Offeror is responsible.

- B. Grounds for Rejection.

1. The City may reject any Offer upon finding that to accept the Offer may impair the integrity of the Solicitation process or that rejecting the Offer is in the public interest.
2. The City may reject any Offer, in whole or in part, when rejection is in the best interest of the City as determined by the City. If so, the reasons for rejection shall be made part of the Solicitation file.
3. The City shall reject an Offer as nonresponsive upon the City's finding that the Offer:
 - a. is contingent upon the City's acceptance of terms and conditions (including Specifications) that differ from the Solicitation Document;

TITLE 5
REVENUE AND FINANCE

- b.** takes exception to terms and conditions (including Specifications);
 - c.** attempts to prevent public disclosure of matters in contravention of the terms and conditions of Solicitation Document or in contravention of applicable law;
 - d.** offers Goods or Services that fail to meet the Specifications of the Solicitation Document;
 - e.** is late;
 - f.** is not in substantial compliance with the Solicitation Documents;
 - g.** is not in substantial compliance with all prescribed public Solicitation procedures;
 - h.** contains a deviation that, if the Offer was accepted, would give the Offeror a substantial advantage or benefit not shared by other Offerors; or
 - i.** has failed to comply with the programs adopted pursuant to PCC Section 5.33.900.
- 4.** The City shall reject an Offer upon the City's finding that the Offeror:
 - a.** Has not been prequalified under ORS 279B.120 and the City required mandatory Prequalification;
 - b.** Has been debarred as set forth in ORS 279B.130;
 - c.** Has not met the requirements of ORS 279A.105 regarding subcontracting to emerging small businesses when required to do so by the City;
 - d.** Has not submitted properly executed Bid or Proposal security as required by the Solicitation Document;
 - e.** Has failed to provide the certification of nondiscrimination required by PCC Section 5.33.640 D.; or
 - f.** Is otherwise nonresponsible. Offerors are required to demonstrate their ability to perform satisfactorily under a Contract. Before Awarding a Contract, the City must have information that indicates that the Offeror meets the applicable standards of responsibility.

TITLE 5
REVENUE AND FINANCE

To be a Responsible Offeror, the City must determine that the Offeror:

- (1) Has available the appropriate financial, material, equipment, facility and personnel resources and expertise, or ability to obtain the resources and expertise, necessary to demonstrate the capability of the Offeror to meet all Contractual responsibilities;
- (2) Has a satisfactory record of Contract performance. The City should carefully scrutinize an Offeror's record of Contract performance if the Offeror is or recently has been materially deficient in Contract performance. In reviewing the Offeror's performance, the City should determine whether the Offeror's deficient performance was expressly excused under the terms of Contract, or whether the Offeror took appropriate corrective action. The City may review the Offeror's performance on both private and Public Contracts in determining the Offeror's record of Contract performance. The City shall make its basis for determining an Offeror nonresponsible under this section part of the Solicitation file;
- (3) Has a satisfactory record of integrity. REVENUE AND FINANCE

- C.** Contractors and Subcontractors shall make all their records available to the City within the boundaries of the City of Portland, Oregon, at reasonable times and places regardless of whether litigation has been filed on any claims. If the records are not made available within the boundaries of the City, the Contractor or Subcontractor shall pay all costs for City employees, and any necessary consultants hired by the City, including travel, per diem costs, salary, and any other expenses incurred by City in sending its employees or consultants to examine, audit, inspect, and copy those records. If the Contractor elects to have such records outside these boundaries, the costs paid by the Contractor to the City for inspection, auditing, examining and copying those records are not recoverable costs in any legal proceeding.
- D.** The City and its Authorized Representatives shall be entitled to inspect, examine, copy and audit the books and records of any Contractor or Subcontractor upon request by the City for any reason, including any documents that may be placed in escrow according to any Contract requirements. Such costs may be withheld from any sum due or that becomes due to the Contractor by the City.
- G.** Failure of the Contractor or Subcontractor to keep or disclose records as required may result in disqualification as a Bidder or Proposer for future City Contracts or may result in a finding that the Contractor or Subcontractor is not a Responsible Bidder or Proposer.

5.33.930 Right to Inspect Plant or Place of Business.

- A.** Time for Inspection. The City may, at reasonable times, inspect the part of the plant or place of business of a Contractor or any Subcontractor or supplier which is related to the performance of any Contract Awarded.

REVENUE AND FINANCE

- B.** Access to Plant or Place of Business. As a condition of Bidding or proposing, Bidders and Proposers agree that representatives of the City may enter a Contractor's or Subcontractor's or supplier's plant, place of business, work site or construction site during normal business hours for the following purposes:
1. To inspect and/or test supplies or services for acceptance by the City pursuant to the terms of the Bid or Proposal;
 2. To investigate in connection with a Bidder's or Proposer's Bid or Proposal, a minority business or EEO certification, or Bidder or Proposer qualification.
 3. To inspect for compliance with City programs required by the Solicitation Document.
 4. To inspect for Contract compliance.
- C.** Contractual Provisions. Contracts may provide that the City may inspect supplies and services at the Contractor's or Subcontractor's or supplier's office or facility and perform tests to determine whether they conform to the Solicitation Document, or, after Award, to the Contract requirements, and are qualified. Such inspections and tests shall be conducted in accordance with the terms of the Contract.
- D.** Procedures for Inspection, Trial Use and Testing. The City may establish operational procedures governing the inspection, testing and trial use of equipment, materials and the application of resulting information and data to Specifications or Procurements.
- E.** Conduct of Inspections and Tests:
1. Inspectors and testers. Inspections or tests shall be performed so as not to unduly delay the Work of the Contractor or Subcontractor. No change of any provision of the Specifications or the Contract may be required by the inspector or tester without Written authorization of the City, unless otherwise specified in the Solicitation Document. The presence or absence of an inspector or tester shall not relieve the Contractor or Subcontractor from any requirement of the Contract;
 2. Location. When an inspection is made in the plant or place of business of a Contractor or Subcontractor, such Contractor or Subcontractor shall provide without charge all reasonable facilities and assistance for the safety and convenience of the inspector or tester;

5.33.940 Contract Cancellation, Contractor Termination Procedures.

- A. Grounds for Cancellation or Termination. The City may, at its option, cancel a Contract or terminate the Contractor's performance, if cancellation or termination is in the best interest of the City; or, for any material violation of the provisions of the Contract. Such provisions generally include, but are not limited to:
 1. Standard terms and conditions included in Contracts;
 2. Product or service Specifications;
 3. Delivery or completion requirements; or
 4. Contracted pricing and price escalation/de-escalation clauses.
- B. The City and the Contractor may cancel the Contract at any time by mutual Written agreement.
- C. Termination For Convenience.

 - b. The Contractor is prevented from completing the Work for reasons beyond the control of the Contractor; or
 - c. For any reason considered by the City to be in the public interest, other than a labor dispute or any third party judicial proceeding relating to the Work filed in regards to a labor dispute. These reasons may include, but are not limited to, non-availability of materials, phenomena of nature of catastrophic proportions or intensity, executive orders of the President related to national defense, congressional, state or local acts related to funding; or

TITLE 5

REVENUE AND FINANCE

- d. Any third party judicial proceeding relating to the Work other than a suit or action filed in regards to a labor dispute; or
 - e. If the circumstances or conditions are such that it is impracticable within a reasonable time to proceed with a substantial portion of a Public Improvement.
- Payment When Contract is Canceled. When the Contract, or any portion thereof, is canceled before completion of all items of Work in the Contract, payment shall be made, based on the Contract price, for the actual items of Work completed under the Contract, or by mutual agreement, for items of Work partially completed. No claim for loss of anticipated profits or overhead shall be allowed;
- Responsibility for Completed Work if Contract Canceled. Cancellation of a Contract or a portion thereof shall not relieve the Contractor of responsibility for the Work completed, nor shall it relieve the surety of its obligation for any just claims arising from the Work performed.
- Termination of The Contractor's Performance for Default.
1. Declaration of Default. The City may, after giving the Contractor and its surety seven (7) Days Written notice and an opportunity to cure deficient performance, terminate the Contractor's performance for any reasonable cause. Upon such termination, the City may immediately take possession of the premises and of all materials, tools and appliances thereon as well as all other materials, whether on the premises or not, on which the Contractor has received partial payment. The City may finish the Work by whatever method it may deem expedient;
 - a. If the Contractor should repeatedly refuse or fail to supply an adequate number of skilled workers or proper materials to carry on the Work as required by the Contract documents, or otherwise fail to pursue the Work in a timely manner; or
 - b. If the Contractor should repeatedly fail to make prompt payment to Subcontractors or for material or labor; or

TITLE 5
REVENUE AND FINANCE

- d. If the Contractor should make a general assignment for the benefit of the Contractor's creditors; or
 - e. If a receiver should be appointed on account of the Contractor's insolvency; or
 - f. If the Contractor is otherwise in material breach of any part of the Contract; or
 - g. If the Contractor should disregard laws, rules, or the instructions of the City or its Authorized Representative.
 2. Required Response to Declaration of Default. If a default is declared and the Contractor's performance terminated, the Contractor or the surety shall provide the City with immediate and peaceful possession of all of the materials, tools and appliances located on the premises, as well as all other materials whether on the premises or not, on which the Contractor has received any progress payment. Further, the Contractor shall not be entitled to receive any further payment until the Work is completed. On the completion of the Work, the City shall determine the total amount of compensation the Contractor would have been entitled to receive for the Work, under the terms of the Contract, had the Contractor completed the Work. If the difference between this total amount and the sum of all amounts previously paid to the Contractor, (the unpaid balance) exceeds the expense incurred by the City in completing the Work, including expense for additional managerial and administrative services, such excess will be paid to the Contractor, with the consent of the surety;
 3. Expense of Completion. The expense incurred by the City shall be as determined and certified by the City;
- G. Refusal to Perform. In addition to and apart from the above-mentioned right of the City to terminate the Contractor's performance, the Contract may be canceled by the City for any willful failure or refusal on the part of the Contractor and its surety to perform faithfully the Contract according to all of its terms and conditions; however, in such event neither the Contractor nor the surety shall be relieved from damages or losses suffered by the City on account of the Contractor's breach of Contract;
- H. Remedies Cumulative. The City may, at its discretion, avail itself of any or all of the above rights or remedies and invoke anyone of the above rights or remedies without prejudice and without precluding the City from subsequently invoking any other right or remedy set forth above, or in the Contract, or available at law or in equity.

TITLE 5
REVENUE AND FINANCE

- I.** Notice. The City shall provide the Contractor Written notice of the grounds for Contract cancellation or Contractor termination and of its intention to cancel the Contract or terminate the Contractor's performance. If the Contractor provided a performance and payment bond, the surety shall also be provided with a copy of the notice of Contract cancellation or Contractor termination. The notice shall include:
1. The effective date of the intended cancellation or termination,
 2. The grounds for cancellation or termination, and
 3. Notice of the amount of time (if any) in which the City shall permit the Contractor to correct the failure to perform.
- J.** The Contract documents may provide Contract cancellation or Contractor termination procedures that are different from, or in addition to, those provided herein. If a Contract contains a cancellation or termination clause, that clause rather than PCC Section 5.33.940 shall determine the respective rights and responsibilities of the parties in the event of cancellation or termination.
- K.** Contract Completion By Substitute Contractor. If the Contractor has provided a performance and payment bond, the City may afford the Contractor's surety the opportunity, upon the surety's receipt of a cancellation or termination notice, to provide a substitute Contractor to complete performance of the Contract. The substitute Contractor may Contract with the surety or the City may Contract with the substitute Contractor selected by the surety. Performance by the substitute Contractor shall be rendered pursuant to all material provisions of the original Contract, including the provisions of the performance and payment bond. Substitute performance does not constitute the Award of a new Contract and shall not be subject to the provisions of ORS Chapter 279A, 279B or 279C.

5.34.100 Overview of Source Selection and Contractor Selection.

The City shall Award a Public Contract for Public Improvements pursuant to Chapter 5.34 using any method authorized by state law or City Code. Such different methods are called methods of "source selection." Source selection methods for Public Improvements include:

- D.** Competitive Quotations;
- E.** Competitive Bidding; and

- F.** Alternative Contracting Methods found in PCC Section 5.34.800 *et seq.* Class exemptions are located in PCC Section 5.34.830 G. while individual Contracts must be authorized by the City Council by ordinance.

5.34.110 Emergency Contracts; Bidding and Bonding Exemptions.

- A.** Emergency Declaration. Pursuant to ORS 279C.335(6) and this rule, the City may declare that Emergency circumstances exist that require prompt execution of a Public Contract for Emergency construction or repair Work.
- B.** The Council or Person authorizing the Emergency Procurement shall document the nature of the Emergency and describe the method used for the selection of the particular Contractor. The Emergency declaration shall exempt the Public Contract from the competitive bidding requirements of ORS 279.335(1) and shall thereafter be kept on file as a public record. However, the City shall encourage competition for Emergency Contracts to the extent reasonable under the circumstances.
- C.** The authority to declare an Emergency and authorize an Emergency Contract shall be as follows:
- 1.** The Purchasing Agent may declare the existence of an Emergency and authorize the City or any of its bureaus to enter into an Emergency Contract not to exceed \$150,000.
 - 2.** A bureau director may declare the existence of an Emergency and authorize the bureau to enter into an Emergency Procurement Contract not to exceed \$150,000 only if the Purchasing Agent or Person to whom the powers of the Purchasing Agent have been delegated, is not available when the purchase needs to be made.

 - 4.** A Commissioner-in-Charge of a bureau may declare the existence of an Emergency and authorize the City and the bureaus of which the Commissioner has responsibility to enter into an Emergency Contract over \$500,000.

TITLE 5

REVENUE AND FINANCE

Contract shall be added to the regular agenda of the Commissioner without the need for approval for inclusion on the agenda by other Commissioners.

- E.** If the Council adopts the ordinance, the City will pay for the Work required by the Contract. If Council disapproves the ordinance, the City only will pay for Work performed prior to the date that the Council considered the ordinance for approval. If for any reason presentation of the ordinance to the Council is delayed, the City still will only be liable for Work performed prior to the time when the ordinance first was presented to the Council.
- F.** Any Contract Awarded under this section shall be Awarded within 60 Days, unless the City Council authorizes a longer period of time.
- G.** All documentation of Emergency Contracts shall be sent to the Purchasing Agent for record keeping purposes.
- H.** All Emergency Contracts Awarded when there was no Emergency or reasonable perception of Emergency are void unless the Contract was otherwise valid under another portion of the City's Purchasing Rules.
- I.** After the Award of an Emergency Contract, the City shall execute a Written Contract with the Contractor as soon as possible.
- J.** All such Contracts, whether or not signed by the Contractor, shall be deemed to contain a termination for convenience clause permitting the City to immediately terminate the Contract at its discretion and, unless the Contract was void, the City shall pay the Contractor only for Work performed prior to the date of termination plus the Contractor's unavoidable costs incurred as a result of the termination. In no event will the City pay for anticipated lost profits or consequential damages as a result of the termination.
- K.** The City shall seek competition for an Emergency Contract as reasonable and appropriate under the Emergency circumstances, and may include Written requests for Offers, oral requests for Offers or direct appointment without competition in cases of extreme necessity, in whatever Solicitation time periods the City considers reasonable in responding to the Emergency.
- L.** Emergency Contracts may be modified by change order or amendment to address the conditions described in the original declaration or an amended declaration that further describes additional Work necessary and appropriate for related Emergency circumstances.
- M.** Pursuant to ORS 279C.380(4) and this rule, the Emergency declaration may also state that the City waives the requirement of furnishing a performance bond and

payment bond for the Emergency Contract. After making such an Emergency declaration those bonding requirements are excused for the Procurement, but this Emergency declaration does not affect the separate Public Works bond requirement for the benefit of the Bureau of Labor and Industries (BOLI) in enforcing prevailing wage rate and overtime payment requirements. In addition, nothing herein shall prevent the Purchasing Agent or City Council from subsequently requesting such from bonds the Contractor after work begins.

5.34.120 Selection of Substitute Contractor.

If a Contractor provided a performance bond, the City may afford the Contractor's surety the opportunity to provide a substitute Contractor to complete performance of the Contract. - C.** A “brand name or equal” Specification may be used when it is Advantageous to the City, because the brand name describes the standard of quality, performance, functionality and other characteristics of the product needed by the City. The City’s determination of what constitutes a product that is equal or superior to the product specified is final unless otherwise specified. The use of a brand name shall mean “brand name or equal”.
- D.** A “brand name” Specification may be used requiring a Contractor to provide a specific brand when the Purchasing Agent, or designee, makes the following findings:

 - 1.** The use of a brand name Specification is unlikely to encourage favoritism in the Awarding of a Public Contract or substantially diminish competition for Public Contracts: or
 - 2.** The use of a brand name Specification would result in a substantial cost savings to the City; or
 - 3.** There is only one manufacturer or seller of the product of the quality, performance or functionality required; or
 - 4.** Efficient utilization of existing equipment, or supplies requires the acquisition of compatible equipment or supplies

5.34.330 Facsimile Bids and Proposals.

- B. The City may post a notice of Intent to Award a Contract Electronically at least seven (7) Days before the Award of a Public Contract.
- C. Required Factors. In determining whether to authorize Electronic Bids or Proposals, the City shall consider factors such as:
 - 1. Anticipated Bid or Proposal size and volume;
 - 2. Whether there is an urgent need for the Work being procured;
 - 3. Frequency of price changes;
 - 4. Availability, reliability, speed, and capacity of the receiving Electronic equipment;
 - 5. Adequacy of administrative procedures and controls for receiving, identifying, recording, and safeguarding Electronic Bids or Proposals, and ensuring their timely delivery to the Bid or Proposal Opening location; and,
 - 6. The means and method for sealing or securing the transmitted documents to preserve the sealed requirement of competitive Procurement.

TITLE 5
REVENUE AND FINANCE

- D.** Security. If Bid or Proposal Security is required, Electronic submission shall not be authorized unless the City has provided another method for receipt of the security.

 - 3.** Rejection of Bids or Proposals. Electronic Bids or Proposals that fail to furnish required representations or information, that are contingent or that reject or take exception to any of the terms, conditions, and provisions of the Solicitation Document, may be rejected and excluded from consideration, as otherwise provided by this Chapter.
 - 4.** Signatures. Electronic Bids or Proposals shall contain the required signatures.
 - 5.** Request for Original. The City reserves the right to Award the Contract solely on the Electronic Bid or Proposal. However, if requested to do so by the City, the apparently successful Bidder or Proposer agrees to promptly submit the complete original signed Bid or Proposal.
 - 6.** Transmission Information. Data and compatibility characteristics.
 - 7.** Non-Responsibility for Transmission Failure. If the Bidder or Proposer chooses to transmit an Electronic Bid or Proposal, the City shall not be responsible for any failure attributable to the transmission or receipt of the Electronic Bid or Proposal regardless of cause.

5.34.410 Bid or Proposal Security.

- A. Security Amount.** If The City requires Bid or Proposal Security, it shall be not more than 10% of the Offeror's Bid or Proposal. The City shall not use Bid or Proposal Security to discourage competition. The City shall clearly state any Bid or Proposal Security requirements in its Solicitation Document. The Offeror shall forfeit Bid or Proposal Security after Award if the Offeror fails to execute the Contract and promptly return it with any required Performance Bond, Payment Bond and any required proof of insurance. See ORS 279C.365(4) and ORS 279C.385. See also, PCC 5.34.915 and BOLI rules regarding the separate requirement for a Public Works Bond.
- B. Requirement for Bid Security (Optional for Proposals).** Unless The City Council has exempted a Solicitation, or class of Solicitations, from Bid security pursuant to ORS 279C.390, the City shall require Bid security for its Solicitation of Bids for Public Improvements. This requirement applies only to Public Improvement Contracts with a value, estimated by the City, of more than \$100,000 or, in the case of Contracts for highways, bridges and other transportation projects, more than \$50,000. See ORS 279C.365(5). The Purchasing Agent nonetheless may require Bid security from any Offeror, or for any project, even if the City Council has exempted a class of Solicitations from Bid security if the Purchasing Agent believes it necessary to secure payment and performance. The Purchasing Agent may require Proposal Security in RFPs when Award of a Public Improvement Contract may be made without negotiation following receipt of a Firm Offer as described in PCC Section 5.34.450 A.2. See ORS 279C.400(5).
- C. Form of Bid or Proposal Security.** The City may accept only the following forms of Bid or Proposal Security:
1. TITLE 5
REVENUE AND FINANCE

- D. Return of Security.** The City shall return or release the Bid or Proposal Security of all unsuccessful Offerors after a Contract has been fully executed and all required Bonds have been provided, or after all Offers have been rejected. The City may return the Bid or Proposal Security of unsuccessful Offerors prior to Award if the return does not prejudice Contract Award and the Security of at least the Bidders with the three lowest Bids, or the Proposers with the three highest scoring Proposals, is retained pending execution of a Contract.

5.34.420 Pre-Offer Conferences.

- A.** The City may hold pre-Offer conferences with prospective Offerors prior to Closing, to explain the Procurement requirements, obtain information or to conduct site inspections.
- B.** The City may require attendance at the pre-Offer conference as a condition for making an Offer. Unless otherwise specified in the Solicitation Document, a mandatory attendance requirement is considered to have been met if, at any time during the mandatory meeting, a representative of an offering firm is present.
- C.** If the City holds a pre-Offer conference, it shall be held within a reasonable time after the Solicitation Document has been issued, but sufficiently before the Closing to allow Offerors to consider information provided at that conference.
- D.** Statements made by the City's representative at the pre-Offer conference, or elsewhere do not change the Solicitation Document unless the City confirms such statements with a Written Addendum to the Solicitation Document.
- E.** The City must set forth notice of any pre-Offer conference in the Solicitation Document in accordance with PCC Section 5.34.300.

5.34.430 Addenda to Solicitation Documents.

An Offeror shall provide Written acknowledgment of receipt of all issued Addenda with its Offer, unless the City otherwise specifies in the Addenda or Solicitation Document. If an Offeror submits an Offer and the Solicitation Document states that the Offeror is bound by all Addenda published in accordance with these rules, then the Offeror shall be bound by all Addenda so issued.
- B.** Notice and Distribution. The City shall notify prospective Offerors of Addenda consistent with the standards of Notice set forth in PCC Section 5.34.310. For example, the Solicitation Document could say: “City will not mail Notice of Addenda, but will publish Notice of any Addenda on City's Web site.” Addenda may be downloaded off the City's Web site. Offerors should frequently check the City's Web site until Closing, i.e., at least once weekly until the week of Closing and at least once daily the week of the Closing.”

- C.** Timelines; Extensions. The City shall issue Addenda within a reasonable time to allow prospective Offerors to consider the Addenda in preparing their Offers. The City should extend the Closing if the Purchasing Agent determines prospective Offerors need additional time to review and respond to Addenda. Except to the extent that the Purchasing Agent determines that the public interest requires it, the City shall not issue an Addendum less than 72 hours before the Closing unless the Addendum also extends the Closing. Notice of the Addenda shall be deemed to occur when the Addendum is posted on the City's web site or upon mailing, whichever is applicable. If both occur, the notification is complete when the first of these two events occur.
- D.** Request for Change or Protest. Unless a different deadline is set forth in the Addendum, an Offeror must submit a Written request for change or protest to the Addendum, as provided in PCC Section 5.34.440 by the close of the City's next business Day after issuance of the Addendum. The City shall consider only an Offeror's request for change or protest to the Addendum; the City shall not consider a request for change or protest to matters not added or modified by the Addendum. Notwithstanding any provision of this paragraph, the City is not required to provide a protest period for Addenda issued during a multi-tiered Solicitation process pursuant to PCC Section 5.34.850.

5.34.440 Request for Clarification or Change.

- A.** Time for submission of request for change. Unless otherwise provided in the Solicitation Document, an Offeror shall deliver any request for change to the Solicitation Document, Specifications or Contract provisions to the City in Writing within seven (7) Days prior to Bid or Proposal Closing. Requests for change in regard to Addenda shall be submitted in accordance within the time permitted by PCC Section 5.34.430 D.
- B.** Any request for change shall include a detailed statement of the legal and factual reasons for the request for change; any proposed changes to Specifications or Contract provisions; and a description of any prejudice to the Offeror; and a statement of the form of relief requested. No request for change of the content of the Solicitation Document, Specifications or Contract provisions shall be considered after the deadline established for submitting such request. The City shall notify the Offeror if the City entirely rejects the request. If the City agrees

TITLE 5

REVENUE AND FINANCE

with the request, in whole or in part, the City shall either issue an Addendum reflecting the change or cancel the Solicitation.

- C.** Extension of Closing date. If any request for change is timely received in accordance with these rules the Closing may be extended by the Purchasing Agent if it is determined that an extension is necessary to allow consideration of the request or issuance of any Addendum to the Solicitation Document.
- D.** Identification of request for change. Envelopes containing requests for change of the Solicitation Document, Specifications or Contract provisions shall be marked with the following information:
 - 1.** Solicitation Specification or Contract Provision Request for Change or Clarification; and
 - 2.** Solicitation Document Number or Other Identification.
- E.** A Proposer may request a change to add alternate terms and conditions for negotiation if the Solicitation Document permits negotiation. In this circumstance, request for change procedure shall be governed by the Solicitation Document and PCC Section 5.34.840 E. and PCC Section 5.34.850 F.
- F.** Clarification. Prior to the deadline for submitting a request for change, an Offeror may request in Writing that the City clarify any provision of the Solicitation Document or Contract. The City's clarification, whether oral or in Writing, does not change the Solicitation Document or Contract and is not binding on the City unless the City amends the Solicitation Document or Contract by Written Addenda.

5.34.450 Offer Submissions.

- A.** Offer and Acceptance. The Bid or Proposal is the Bidder's or Proposer's Offer to enter into a Contract.
 - 1.** In competitive bidding, the Offer is always a "Firm Offer," i.e., the Offer shall be held open by the Offeror for the City's acceptance for the period specified in PCC Section 5.34.495. The City's Award of the Contract to a Bidder constitutes acceptance of the Offer and binds the Offeror to the Contract.
 - 2.** In competitive proposals, the Solicitation Document shall describe whether Offers are to be made and considered as "Firm Offers" that may be accepted without negotiation, as in the case of Competitive Bidding, or

TITLE 5
REVENUE AND FINANCE

whether Offers are subject to discussion, negotiation or otherwise are not to be considered as final Offers.

- B.** Contingent Offers. Except to the extent that a Proposer is authorized to propose certain terms and conditions pursuant to PCC Section 5.34.850, a Proposer shall not make, and the City shall not accept, an Offer contingent upon the City's acceptance of any terms or conditions (including Specifications) other than those contained in the Solicitation Document.
- C.** Offeror's Acknowledgement. By signing and returning the Offer, the Offeror acknowledges it has read and understands the terms and conditions contained in the Solicitation Document and that it accepts and agrees to be bound by the terms and conditions of the Solicitation Document. If the Request for Proposals permits Proposal of alternative terms under PCC Section 5.34.850, the Offeror's Offer includes the nonnegotiable terms and conditions and any proposed terms and conditions offered for negotiation upon and to the extent accepted by the City in Writing.
- D.** Instructions. An Offeror shall submit and Sign its Offer in accordance with the Solicitation Document. Bids requiring a Written and non-electronic signature shall be signed in ink by an Authorized Representative of the Offeror. An Offeror shall initial and submit any correction or erasure to its Offer prior to the Opening in accordance with the requirements for submitting an Offer under the Solicitation Document.
- E.** Forms. An Offeror shall submit its Offer on the form(s) provided in the Solicitation Document, unless an Offeror is otherwise instructed in the Solicitation Document.
- F.** Documents. An Offeror shall provide the City with all documents and Descriptive Literature required under the Solicitation Document.
- G.** Facsimile or Electronic Submissions If the City permits Facsimile or Electronic Offers in the Solicitation Document, the Offeror may submit Facsimile or Electronic Offers in accordance with the Solicitation Document. The City shall not consider Facsimile or Electronic Offers unless authorized by the Solicitation Document.
- H.** Product Samples and Descriptive Literature. The City may require Product Samples or Descriptive Literature if it is necessary or desirable to evaluate the quality, features or characteristics of the offered items. The City will dispose of Product Samples, or return or make available for return Product Samples to the Offeror in accordance with the Solicitation Document.

TITLE 5

REVENUE AND FINANCE

I. Identification of Offers.

- 1.** To ensure proper identification and handling, Offers shall be submitted in a sealed envelope appropriately marked or in the envelope provided by the City, whichever is applicable.
- 2.** The City is not responsible for Offers submitted in any manner, format or to any delivery point other than as required in the Solicitation Document.

J. Receipt of Offers. The Offeror is responsible for ensuring that the City receives its Offer at the required delivery point prior to the Closing, regardless of the method used to submit or transmit the Offer.

5.34.460 Pre-Closing Modification or Withdrawal of Offers.

A. Modifications. Once submitted, Bids or Proposals may only be modified in Writing prior to the time and date set for Bid or Proposal Closing. Unless otherwise provided in the Solicitation Document, any modifications shall be prepared on the Bidder's or Proposer's letterhead, signed by an Authorized Representative of the Bidder or Proposer, state that the new document supersedes or modifies the prior Bid or Proposal and be submitted in a sealed envelope, appropriately marked. The City may accept modifications Electronically only if it has authorized Electronic submittal in the Solicitation Document. To ensure the integrity of the Bidding process, the envelope or Electronic submission containing any modifications to a Bid or Proposal shall be marked with the following information:

- 1.** Bid or Proposal Modification.
- 2.** Solicitation Number or Other Identification.

B. Withdrawals:

- 1.** Bids or Proposals may be withdrawn by a Written notification of the Bidder or Proposer. The notice shall be signed by an Authorized Representative of the Bidder or Proposer, and must be received prior to the time and date set for Bid or Proposal Closing.
- 2.** Written notifications to withdraw Bid or Proposal shall be marked with the following information:
 - a.** Bid or Proposal Withdrawal.
 - b.** Solicitation Number or Other Identification.

- C.** Documentation. All documents relating to the modification or withdrawal of Bids or Proposals shall be made a part of the appropriate Bid or Proposal Solicitation file.
- D.** Late Requests for Modification or Withdrawal. Any request for modification or withdrawal of a Bid or Proposal made after the time for Bid or Proposal Closing is late as provided by PCC Section 5.34.480. Any late submission shall be returned to the Bidder or Proposer unopened. If any late submission is opened inadvertently, the procedure provided by PCC Section 5.34.470 shall apply except the submission shall be returned to the sender.

5.34.470 Receipt, Opening and Recording of Offers.

- A.** Receipt. Each Offer, and modifications to Offers, shall, upon receipt, be Electronically or mechanically time-stamped by the Bureau of Purchases time clock, or marked by hand, but not opened, and shall be stored in a secure place until Bid or Proposal Opening. If Offers or modifications are opened inadvertently or opened prior to the time and date set for Bid or Proposal Opening because they were improperly identified by the Offeror, the opened Offers or modification documents shall be resealed and stored for Opening at the correct time. When this occurs, documentation of the resealing shall be placed in the file.
- B.** Opening and Recording. Offers and modifications to Offers shall be opened publicly, at the time, date, and place designated in the Solicitation Document. In the case of Invitations to Bid, to the extent practicable, the name of each Bidder, the Bid price(s), and such other information as considered appropriate shall be read aloud. In the case of Requests for Proposals or on voluminous Bids, the City may advise Bidders and Proposers, as part of the Solicitation Documents, that the Bid or Proposal items and prices will not be read aloud.
- C.** Availability. After Opening, the City shall make Bids available for public inspection, but pursuant to ORS 279C.410. Proposals are not subject to disclosure until after notice of intent to Award is issued. In any event, the City may withhold from disclosure those portions of an Offer that the Offeror designates trade secrets or as confidential proprietary data in accordance with the Oregon Public Records Law, ORS 192.410 et seq. Application of the Oregon Public Records Law ORS 192.410 et seq. shall determine if the information designated as confidential and claimed to be exempt is in fact exempt from disclosure. To the extent the City determines the designated information is not in accordance with applicable law, the City shall make those portions available for public inspection. In order to facilitate public inspection of the non-confidential portion of the Bid or Proposal, material designated as confidential shall accompany the Offer, but the Offeror shall separate it, if requested, from the

TITLE 5

REVENUE AND FINANCE

remainder of the Offer. Prices, makes, model or catalog numbers of items offered, scheduled delivery dates, and terms of payment shall be publicly available regardless of the Offeror's designation to the contrary. Copies of public records will be made available upon payment of the City's charges.

5.34.480 Late Bids, Late Withdrawals and Late Modifications.

- A.** Any Offer received after Closing is late. An Offeror's request for withdrawal or modification of an Offer received after Closing is late. The City shall not consider late Offers, withdrawals or modifications, except as permitted by PCC 5.34.490 (Mistakes) or PCC.5.33.610 (Offer Evaluation and Award).
- B.** For manual submissions of Offers, the Bureau of Purchases' time clock shall be the clock of record and the date and time imprint of that clock on an Offer shall determine the timeliness of the submission. Late manual submissions shall be returned to the Offeror unopened with a copy of the envelope containing the Bureau's time stamp on the Offer retained for the Solicitation file
- C.** For Electronic submissions, when permitted, the time shown by the City as to the date of arrival of the Electronic submission shall determine the timeliness of the submission. Late Electronic submissions shall be deleted from the City's files, returned Electronically to the Offeror and the time of the submission and the time of return shall be documented in the Solicitation file.
- D.** For Facsimile submissions, when permitted, the time recorded at the top of the last page of the submission shall determine the timeliness of the submission. Late Facsimile transmissions shall be returned to the Offeror after keeping a copy of the last page of the transmission for the Solicitation file.
- E.** Failure to properly return or dispose of a late submission does not mean an Offer or submission arrived on time.

5.34.490 Mistakes.

- A.** General. To protect the integrity of the competitive Solicitation process and to assure fair treatment of Offerors, the City should carefully consider whether to permit a waiver, correction or withdrawal of an Offer for certain mistakes.
- B.** Treatment of Mistakes. Errors in judgment do not permit an Offeror to correct or withdraw an Offer. Mistakes that constitute a minor informality may be waived or corrected. Mistakes that constitute clerical errors may be corrected or withdrawn in the City's discretion pursuant to this rule.

TITLE 5
REVENUE AND FINANCE

- C.** City notification. If the City believes the Offer contains a mistake the City shall notify the Offeror, note the apparent mistake and request that the Offeror verify the Offer in writing, or by electronic transmission within one business day after notification.
- D.** Failure of Offeror to Respond. If the Offeror fails to respond within one business day after notification of the apparent mistake, the City shall consider the Offer as submitted unless the amount of the Offer is so far out of line with the amounts of other bids received, or with the amount estimated by the City, or there are other indications of error so clear, as to reasonably justify the conclusion or that acceptance of the Offer would be unfair to the Offeror or to other bona fide Offerors, in which case the City shall be entitled to reject the Offer. The City may extend the time for response for good cause shown.
- E.** Verification. If the Offeror verifies its Offer, the City must consider the Offer as originally submitted. However, in fairness to other Offerors, verification does not preclude the City from rejecting the Offer if it is clear that a mistake has been made and the City determines the intended Offer is not evident.
- F.** Minor Informality. If the Offeror verifies its Offer, and the City sees no reason for rejection, the City may waive or permit the Offeror to correct a mistake that constitutes a minor informality. A minor informality is a matter of form, rather than substance, that is evident on the face of the Offer and which can be corrected or waived without prejudice to the public or other Offerors. Examples of a minor informality include a failure to:
- 1.** Return the correct number of Signed Offers or the correct number of other documents required by the Solicitation Document;
 - 2.** Sign the Offer in the designated block, provided, however, that a Signature appears elsewhere in the Offer that evidences the Offeror's intent to be bound; or
 - 3.** Acknowledge receipt of an Addendum to the Solicitation Document, provided it is clear on the face of the Offer that the Offeror received the Addendum and intended to be bound by its terms.
- G.** Clerical Mistakes. If the Offeror does not verify its Offer, but contends a clerical mistake caused a different Offer than intended to be submitted, or verifies the Offer but contends a clerical mistake should be corrected within a portion of the Offer, the City may in its discretion permit correction if the conditions of this section are met.

TITLE 5

REVENUE AND FINANCE

1. Only clerical mistakes can be corrected. A clerical mistake is not a mistake of judgment. Examples of clerical mistakes include typographical mistakes, errors in extending unit prices, transposition errors, arithmetical errors, misplacement of a decimal point, and instances in which the intended correct price is evident by simple arithmetic calculations.
2. If correction of the Offer would result in displacement of one or more lower Offers submitted by other Offerors, the correction is permitted if, and only if, both the existence of the mistake and the Offer actually intended are ascertainable from the Solicitation Document and the Offer itself.
3. If correction of the Offer would not result in the displacement of one or more lower Offers submitted by other Offerors, correction may be permitted if the Offeror provides the City with clear and convincing supporting evidence of the mistake and intended Offer within two business days after the City's initial notification of the mistake. The City may extend the time for response for good cause shown.
 - a. Supporting evidence shall include all pertinent evidence, such as the Offeror's file copy of its Offer, the original worksheets and other data used in preparing the Offer, subcontractors' quotations, if any, and any other evidence that establishes the existence of a clerical mistake, the manner in which it occurred and the Offer actually intended.
 - b. The closer the corrected Offer is to the next lowest Offer the greater the need for the City to be sure that it has clear and convincing evidence that permits a correction to ensure the integrity of the competitive process.

5.34.493 First-Tier Subcontractors; Disclosure and Substitution.

- A. Required Disclosure. Within two working hours after the Bid Closing on an ITB for a Public Improvement having a Contract Price estimated by the City to exceed \$100,000, all Bidders shall submit to the City a disclosure form as described by ORS 279C.370(2), identifying any first-tier Subcontractors that will be furnishing labor or labor and materials on the Contract, if Awarded, whose subcontract value would be equal to or greater than:
 1. Five percent of the total Contract Price, but at least \$15,000; or
 2. \$350,000, regardless of the percentage of the total Contract Price.

TITLE 5
REVENUE AND FINANCE

- B.** Bid Closing, Disclosure Deadline and Bid Opening. For each ITB to which this rule applies, the City shall:
1. Set the Bid Closing on a Tuesday, Wednesday or Thursday, and at a time between 2 p.m. and 5 p.m., except that these Bid Closing restrictions do not apply to an ITB for maintenance or construction of highways, bridges or other transportation facilities, and provided that the two-hour disclosure deadline described by this rule would not then fall on a legal holiday;
 2. Open Bids publicly immediately after the Bid Closing; and
 3. Consider for Contract Award only those Bids for which the required disclosure has been submitted by the announced deadline on forms prescribed by the City.
- C.** Bidder Instructions and Disclosure Form. For the purposes of this rule, the City in its Solicitation shall:
1. Prescribe the disclosure form that must be utilized, substantially in the form set forth in ORS 279C.370(2); and
 2. Provide instructions in a notice substantially similar to the following:
“Instructions for First-Tier Subcontractor Disclosure
Bidders are required to disclose information about certain first-tier Subcontractors when the Contract value for a Public Improvement is greater than \$100,000 (see ORS 279C.370). Specifically, when the Contract Amount of a first-tier Subcontractor furnishing labor or labor and materials would be greater than or equal to: (i) 5% of the project Bid, but at least \$15,000, or (ii) \$350,000 regardless of the percentage, the Bidder must disclose the following information about that subcontract either in its Bid submission, or within two hours after Bid Closing:
 - a) The Subcontractor's name,
 - b) The category of Work that the Subcontractor would be performing, and
 - c) The dollar value of the subcontract.

If the Bidder will not be using any Subcontractors that are subject to the above disclosure requirements, the Bidder is required to indicate "NONE" on the accompanying form.

THE CITY MUST REJECT A BID IF THE BIDDER FAILS TO SUBMIT THE DISCLOSURE FORM WITH THIS INFORMATION BY THE STATED DEADLINE."

TITLE 5

REVENUE AND FINANCE

- D.** Submission. A Bidder shall submit the disclosure form required by this rule either in its Bid submission, or within two (2) working hours after Bid Closing in the manner specified by the ITB.
- E.** Responsiveness. Compliance with the disclosure and submittal requirements of ORS 279C.370 and this rule is a matter of Responsiveness. Bids that are submitted by Bid Closing, but for which the disclosure submittal has not been made by the specified deadline, are not Responsive and shall not be considered for Contract Award.
- F.** City Role. The City shall obtain, and make available for public inspection, the disclosure forms required by ORS 279C.370 and this rule. The City also shall provide copies of disclosure forms to the Bureau of Labor and Industries as required by ORS 279C.835. The City is not required to determine the accuracy or completeness of the information provided on disclosure forms.
- G.** Substitution. Substitution of affected first-tier Subcontractors shall be made only in accordance with ORS 279C.585. Contracting Agencies shall accept Written submissions filed under that statute as public records. Aside from issues involving inadvertent clerical error under ORS 279C.585, the City is not under an obligation to review, approve or resolve disputes concerning such substitutions. See ORS 279C.590 regarding complaints to the Construction Contractors Board on improper substitution. Substitution of Minority, Women and Emerging Small Businesses are also subject to the City's Solicitation Document.

5.34.500 Responsibility of Offerors.

- A.** Contracts shall be Awarded only to Responsible Offerors. Pursuant to ORS 279C.375, the City shall consider whether the Offeror has:
 - 1.** Available the appropriate financial, material, equipment, facility and personnel resources and expertise, necessary to indicate the capability of the prospective Offeror to meet all contractual responsibilities;
 - 2.** A satisfactory record of performance. Among the matters the City may review in this regard is whether the Offeror has a record of material violations of state or federal prevailing wage laws. The City shall document the record of performance of a prospective Offeror if the City finds the prospective Offeror nonresponsible under this paragraph;
 - 3.** A satisfactory record of integrity. The City shall document the record of integrity of a prospective Offeror if the City finds the prospective Offeror nonresponsible under this paragraph;

TITLE 5
REVENUE AND FINANCE

4. Qualified legally to Contract with the City, including, but not limited to, an EEO Certification and a current, valid, business license from the City. The Bureau of Purchases may determine that a Person is not legally qualified if:
 - a. The Person does not have a business license with the City; or
 - b. The Person failed to make payments required by Title 7 of the City Code and has failed to make appropriate payment arrangements with the Bureau of Licenses within seven (7) Days of the receipt of a Bid or Proposal, unless the City waives that requirement and decides to pursue collection through retention of Contract funds, or through other means.
 5. Supplied all necessary information in connection with the inquiry concerning responsibility. If a prospective Offeror fails to promptly supply information requested by the City concerning responsibility, the City shall base the determination of responsibility upon any available information or may find the prospective Offeror nonresponsible;
 6. Not been disqualified by the City pursuant to ORS 279C.440 and PCC Section 5.34.530.
- B.** In the event the City determines an Offeror is not Responsible it shall prepare a Written determination of non-responsibility as required by ORS 279B.110

5.34.510 Prequalification of Offerors.

- A.** Prequalification Application Forms. Application forms may be obtained from the Purchasing Agent. Information required on the application form shall be supplied fully and completely, unless patently inapplicable, and the Person in whose name the application is submitted, or the Authorized Representative of the corporation or association submitting the application, shall verify the information before a notary. Any prospective Bidder or Proposer shall supply further information or detail as the City may require to clarify a Prequalification application. All Prequalification applications shall be filed with or sent to the Purchasing Agent unless a Solicitation Document for a specific project otherwise provides.
- B.** Prequalification. Prequalification applications submitted without designation for a specific project shall be considered as general Prequalification applications and processed pursuant to ORS 279C.430. The City may require Prequalification of Bidders or Proposers for specific projects on application forms prescribed by the City. The City shall indicate in the Solicitation Document if it will require Prequalification. Prequalification means the City conditions a Bidder's or

TITLE 5

REVENUE AND FINANCE

Proposer's submission of a Bid or Proposal upon the Bidder's or Proposer's Prequalification. The City shall not consider a Bid or Proposal from a Bidder or Proposer that is not Prequalified if the City required Prequalification.

- C.** General Prequalification Limits. All public improvement projects and painting projects estimated to cost more than \$100,000 require Prequalification. The Purchasing Agent has discretion to require Prequalification for projects under \$100,000 as provided in PCC Section 5.34.510 D.
- D.** Special Prequalification. A separate special Prequalification may be required for a specific project when the City determines that the project is of a size, Scope or complexity that special Prequalification is required or such other circumstances exist, that in the opinion of the City, a special Prequalification would be of assistance in the selection of qualified contractors.
- E.** Prequalification Presumed. If a Bidder or Proposer is currently Prequalified by either the Oregon Department of Transportation or the Oregon Department of Administrative Services to perform Contracts, the Bidder or Proposer shall be rebuttably presumed qualified to perform similar Work for the City upon submission of proof of such Prequalification. If a Bidder or Proposer submits proof of Prequalification, then the Bidder or Proposer is rebuttably presumed qualified. Nothing contained in this paragraph shall waive the City requirements for Prequalification, the City's authority to require additional information or detail, or prior approval as otherwise set forth in this rule.
- F.** Time for Filing Prequalification Applications. Prequalification applications shall be received by the Purchasing Agent at least nine (9) business Days prior to the date of Bid or Proposal Opening unless specifically stated otherwise in the Solicitation Document. Prequalification applications received less than nine (9) business Days prior to the Bid Opening may be processed or rejected in the City's sole discretion. If the application is not approved, notice shall be given by the City as provided by PCC Section 5.34.510 H. at least three (3) business Days prior to the Bid or Proposal Opening date.
- G.** Standards for Prequalification. A Bidder or Proposer may prequalify by demonstrating to the City's satisfaction that it is a Responsible Bidder or Proposer. The Bidder or Proposer shall demonstrate that:

 - 1.** The Bidder's or Proposer's financial, material, equipment, facility, and personnel resources and expertise, or ability to obtain such resources and expertise, indicate the Bidder or Proposer is capable of meeting all contractual responsibilities;

TITLE 5
REVENUE AND FINANCE

2. The Bidder's or Proposer's record of performance. Among the matters the City may review in this regard is whether the Offeror has a record of material violations of state or federal prevailing wage laws;
 3. The Bidder's or Proposer's record of integrity;
 4. The Bidder or Proposer is qualified to contract with the City, that is the Bidder or Proposer has the necessary licensing, certification and qualifications to contract with the City. The Bureau of Purchases may determine that such a Person is not legally qualified if:
 - a. The Person does not have a business license with the City; or
 - b. The Person failed to make payments required by Title 7 of the City Code and has failed to make appropriate payment arrangements with the Bureau of Licenses within seven (7) Days of the receipt of a Bid or Proposal, unless the City waives that requirement and decides to pursue collection through retention of contract funds, or through other means.
 5. The Bidder or Proposer has supplied all necessary information in connection with the inquiry concerning responsibility. If a prospective Bidder fails to promptly supply information requested concerning responsibility, the City shall base the determination of responsibility upon any available information, or may find the prospective Bidder not to be responsible.
- H. Scope of Prequalification.** The Purchasing Agent shall determine whether the applicant for Prequalification shall be considered Prequalified for City Bids or Proposals, and the extent of Prequalification if approved. The Purchasing Agent may limit the types of Work, materials or services on which Bids or Proposals shall be accepted from the applicant, may restrict the size or cost of project Bids to be received by the City from the applicant, or may impose any other restrictions which the Purchasing Agent finds appropriate under the circumstances. Thereafter, if the Bidder or Proposer has Prequalified, Bids or Proposals may be received from the Bidder or Proposer only within the limitations and restrictions imposed by the Prequalification decision.
1. Unless otherwise specified by the Purchasing Agent, any Bidder or Proposer whose application for Prequalification has been wholly disapproved may resubmit an application for a Prequalification no sooner than three months after the Purchasing Agent's notice of disapproval. A Bidder or Proposer, whose application has been approved in part or who seeks a broadening of its Prequalification, or elimination of any restriction,

TITLE 5

REVENUE AND FINANCE

may resubmit an application at any time provided a change of circumstances has occurred and the Bidder or Proposer submits new information to support its re-application.

- 2.** With or without a request from the Prequalified Bidder or Proposer, the Prequalification standing and any limitation on class of Work or size of project may be reviewed further by the Purchasing Agent and broadened or restricted as determined by the Purchasing Agent to be appropriate.
- I.** Notice. If a Bidder's or Proposer's Prequalification is not approved in whole or in part, or is restricted or revoked, the City shall notify the Bidder or Proposer, specify the reasons, and inform the Bidder or Proposer of the right to a hearing before the Purchasing Agent, who shall exercise the powers of the City Council for this purpose. The Purchasing Agent has discretion, however, to refer this matter to the Board of Appeals.
- J.** Appeal. The Purchasing Agent may adopt rules of procedure for the hearing, shall conduct the hearing and has the authority of the City Council as provided in ORS 279C.450. The appeal shall be conducted within 30 Days.
- K.** Clarification. A Bidder or Proposer may seek clarification of a Prequalification decision by Written request received by the Purchasing Agent no later than 10 Days following issuance of a determination by the Purchasing Agent. .

5.34.520 Eligibility to Bid or Propose; Registration or License.

- A.** The City shall not consider a Person's Offer to do Work as a Contractor, as defined in ORS 701.005(2), unless the Person has a current, valid certificate of registration issued by the Construction Contractors Board at the time the Offer is made.
- B.** The City shall not consider a Person's Offer to do Work as a landscape Contractor as defined in ORS 671.520(2), unless the Person has a current, valid landscape contractors license issued pursuant to ORS 671.560 by the State Landscape Contractors Board at the time the Offer is made.
- C.** An Offer received from a Person that fails to comply with this rule is nonresponsive and shall be rejected as stated in ORS 279C.365(1)(k), unless contrary to federal law or subject to different timing requirements set by federal funding agencies.

5.34.530 Disqualification of Persons.

- A.** Authority. The City may disqualify a Person from consideration of Award of the City's Contracts after providing the Person with notice and a reasonable opportunity to be heard in accordance with this rule.
- 1.** Standards for Conduct Disqualification. As provided in ORS 279C.440, the City may disqualify a Person for:
 - a.** Conviction for the commission of a criminal offense as an incident in obtaining or attempting to obtain a public or private Contract or subcontract, or in the performance of such Contract or subcontract;
 - b.** Conviction under state or federal statutes of embezzlement, theft, forgery, bribery, falsification or destruction of records, receiving stolen property or any other offense indicating a lack of business integrity or business honesty that currently, seriously and directly affects the Person's responsibility as a Contractor;
 - c.** Conviction under state or federal antitrust statutes; or
 - d.** Violation of a Contract provision that is regarded by the City to be so serious as to justify Conduct Disqualification. A violation under PCC Section 5.34.530 A.1.d. may include but is not limited to material failure to perform the terms of a Contract or an unsatisfactory performance in accordance with the terms of the Contract. However, a Person's failure to perform or unsatisfactory performance caused by acts beyond the Person's control is not a basis for Disqualification.
 - 2.** Standards for DBE Disqualification. As provided in ORS 200.065, 200.075 or 279A.110, the City may disqualify a Person's right to submit an Offer or to participate in a Contract (e.g., as Subcontractors) as follows:
 - a.** For a DBE Disqualification under ORS 200.065, the City may disqualify a Person upon finding that:
 - (1)** The Person fraudulently obtained or retained or attempted to obtain or retain or aided another Person to fraudulently obtain or retain or attempt to obtain or retain certification as a disadvantaged, minority, women or emerging small business enterprise; or

TITLE 5
REVENUE AND FINANCE

- (2) The Person knowingly made a false claim that any Person is qualified for certification or is certified under ORS 200.055 for the purpose of gaining a Contract or subcontract or other benefit; or
 - (3) The Person has been disqualified by another public contracting agency pursuant to ORS 200.065.
 - b. For a DBE Disqualification under ORS 200.075, the City may disqualify a Person upon finding that:
 - (1) The Person has entered into an agreement representing that a disadvantaged, minority, women, or emerging small business enterprise, certified pursuant to ORS 200.055 ("Certified Enterprise"), will perform or supply materials under a Public Improvement Contract without the knowledge and consent of the Certified Enterprise; or
 - (2) The Person exercises management and decision-making control over the internal operations, as defined by ORS 200.075(1)(b), of any Certified Enterprise; or

TITLE 5

REVENUE AND FINANCE

- B.** Bid Evaluation Criteria. Invitations to Bid may solicit lump-sum Offers, unit-price Offers or a combination of the two.
- 1.** Lump Sum. If the ITB requires a lump-sum Bid, without additive or deductive alternates, or if the City elects not to Award additive or deductive alternates, Bids shall be compared on the basis of lump-sum prices, or lump-sum base Bid prices, as applicable. If the ITB calls for a lump-sum base Bid, plus additive or deductive alternates, the total Bid price shall be calculated by adding to or deducting from the base Bid those alternates selected by the City, for the purpose of comparing Bids.
 - 2.** Unit Price. If the Bid includes unit pricing for estimated quantities, the total Bid price shall be calculated by multiplying the estimated quantities by the unit prices submitted by the Bidder, and adjusting for any additive or deductive alternates selected by the City, for the purpose of comparing Bids. The City shall specify within the Solicitation Document the estimated quantity of the Procurement to be used for determination of the low Bidder. In the event of mathematical discrepancies between unit price and any extended price calculations submitted by the Bidder, the unit price shall govern.
- C.** Proposal Evaluation Criteria. If the City Council has exempted a Public Improvement from the Competitive Bidding requirements of ORS 279C.335(1), and has directed the use of an Alternative Contracting Method under ORS 279C.335(3), evaluation criteria shall be set forth in the Solicitation Documents.

5.34.610 Offer Evaluation and Award; Determination of Responsibility.

- A.** General. If Awarded, the City shall Award the Contract to the Responsible Bidder submitting the lowest, Responsive Bid or the Responsible Proposer or Proposers submitting the best, Responsive Proposal or Proposals, provided that such Person is not listed by the Construction Contractors Board as disqualified to hold a Public Improvement Contract. - B.** Determination of Responsibility. Offerors are required to demonstrate their ability to perform satisfactorily under a Contract. Before Awarding a Contract, the City must have information that indicates that the Offeror meets the standards of responsibility set forth in ORS 279.375(2)2. To be a Responsible Offeror, the City must determine that the Offeror:

TITLE 5
REVENUE AND FINANCE

1. Has available the appropriate financial, material, equipment, facility and personnel resources and expertise, or ability to obtain the resources and expertise, necessary to demonstrate the capability of the Offeror to meet all contractual responsibilities;
2. Has a satisfactory record of Contract performance. The City should carefully scrutinize an Offeror's record of Contract performance if the Offeror is or recently has been materially deficient in Contract performance. In reviewing the Offeror's performance, the City should determine whether the Offeror's deficient performance was expressly excused under the terms of Contract, or whether the Offeror took appropriate corrective action. The City may review the Offeror's performance on both private and Public Contracts in determining the Offeror's record of Contract performance. The City shall make its basis for determining an Offeror not Responsible under this paragraph part of the Solicitation file;
3. Has a satisfactory record of integrity. An Offeror may lack integrity if The City determines the Offeror demonstrates a lack of business ethics such as violation of state environmental laws or false certifications made to the City. The City may find an Offeror not Responsible based on the lack of integrity of any Person having influence or control over the Offeror (such as a key employee of the Offeror that has the authority to significantly influence the Offeror's performance of the Contract or a parent company, predecessor or successor Person). The standards for Conduct Disqualification under PCC Section 5.34.540 may be used to determine an Offeror's integrity. The City shall make its basis for determining that an Offeror is not Responsible under this paragraph part of the Solicitation file;
4. Is qualified legally to Contract with the City, including having a current City business license and EEO certification. The Bureau of Purchases may determine that such a Person is not legally qualified if:
 - a. The Person does not have a business license with the City; or
 - b. The Person failed to make payments required by Title 7 of the City Code and has failed to make appropriate payment arrangements with the Bureau of Licenses within seven (7) Days of the receipt of a Bid or Proposal, unless the City waives that requirement and decides to pursue collection through retention of Contract funds, or through other means.

TITLE 5
REVENUE AND FINANCE

5. Has supplied all necessary information in connection with the inquiry concerning responsibility. If the Offeror fails to promptly supply information requested by the City concerning responsibility, the City shall base the determination of responsibility upon any available information, or may find the Offeror not Responsible.
- C. Documenting City Determinations: The City shall document its compliance with ORS 279C.375(3) and the above sections of this rule on a Responsibility Determination Form substantially as set forth in ORS 279.375(3)(c) and file that form with the Construction Contractors Board within 30 days after Contract Award,
- D. City Evaluation. The City shall evaluate an Offer only as set forth in the Solicitation Document and in accordance with applicable law. The City shall not evaluate an Offer using any other requirement or criterion.
- E. Offeror Submissions.
 1. The City may require an Offeror to submit Product Samples, Descriptive Literature, technical data, or other material and may also require any of the following prior to Award:
 - a. Demonstration, inspection or testing of a product prior to Award for characteristics such as compatibility, quality or workmanship;
 - b. Examination of such elements as appearance or finish; or
 - c. Other examinations to determine whether the product conforms to Specifications.
 2. The City shall evaluate product acceptability only in accordance with the criteria disclosed in the Solicitation Document to determine that a product is acceptable. The City shall reject an Offer providing any product that does not meet the Solicitation Document requirements. The City's rejection of an Offer because it offers nonconforming Work or materials is not Disqualification and is not appealable under ORS 279C.445 or these rules.
- F. Evaluation of Bids. The City shall use only objective criteria to evaluate Bids as set forth in the ITB. The City shall evaluate Bids to determine the Responsible Offeror offering the lowest Responsive Bid.
- G. Clarifications. In evaluating Bids, The City may seek information from a Bidder only to clarify the Bidder's Bid. Such clarification shall not vary, contradict or

supplement the Bid. A Bidder must submit Written and Signed clarifications and such clarifications shall become part of the Bidder's Bid.

- H.** Evaluation of Proposals. See PCC Section 5.34.850 regarding rules applicable to Requests for Proposals.

5.34.620 Negotiation With Bidders Prohibited.

- A.** Bids. Except as permitted by ORS 279C.340 and PCC Section 5.34.640, when all Bids exceed the Cost Estimate, the City shall not negotiate with any Bidder prior to Contract Award. After Award of the Contract, the City and Contractor may modify the Contract only by change order or amendment to the Contract in accordance with these rules, or any applicable Contract provisions or ordinance.
- B.** Requests for Proposals. The City may conduct discussions or negotiations with Proposers only in accordance with the applicable requirements of PCC Section 5.34.850.

5.34.625 Contract Preferences; Resident Bidders.

- A.** Award When Offers Identical. When the City receives Offers identical in price, fitness, availability and quality, and chooses to Award a Contract, the City shall Award the Contract based on the following order of precedence:
- 1.** The City shall Award the Contract to the Offeror among those submitting identical Offers that is offering Goods or Services that have been manufactured or produced in Oregon.
 - 2.** If two or more Offerors submit identical Offers, and both offer Goods or Services manufactured or produced in Oregon, the City shall Award the Contract by drawing lots among the identical Offers offering Goods or Services that have been manufactured or produced in Oregon. The Offerors that submitted the identical Offers subject to the drawing of lots shall be given notice and an opportunity to be present when the lots are drawn.
 - 3.** If the City receives identical Offers, and none of the identical Offers offer Goods or Services manufactured or produced in Oregon, then the City shall Award the Contract by drawing lots among the identical Offers. The Offerors that submitted the identical Offers subject to the drawing of lots shall be given notice and an opportunity to be present when the lots are drawn.

TITLE 5
REVENUE AND FINANCE

- B.** Determining if Offers are Identical. The City shall consider Offers identical in price, fitness, availability and quality as follows:
- 1.** Bids received in response to an Invitation to Bid issued under ORS 279C.335 and PCC Chapter 5.34 are identical in price, fitness, availability and quality if the Bids are Responsive, and offer the services described in the Invitation to Bid at the same price.
 - 2.** Proposals received in response to a Request for Proposals issued under ORS 279C.400 and PCC Chapter 5.34 are identical in price, fitness, availability and quality if they are Responsive and achieve equal scores when scored in accordance with the evaluation criteria set forth in the Request for Proposals.
- C.** Determining if Goods or Services are Manufactured or Produced in Oregon. For the purposes of complying with PCC Section 5.34.625 A., the City may request, either in a Solicitation Document, following Closing, or at any other time determined appropriate by the City, any information it determines is appropriate and necessary to allow it to determine if the Goods or Services are manufactured or produced in Oregon. The City may use any reasonable criteria to determine if Goods or Services are manufactured or produced in Oregon, provided that the criteria reasonably relate to that determination, and provided that the same criteria apply equally to each Bidder or Proposer.
- D.** Procedure for Drawing Lots. In any instance when this Rule calls for the drawing of lots, the City shall draw lots by a procedure that affords each Offeror subject to the drawing a substantially equal probability of being selected, and that does not allow the Person making the selection the opportunity to manipulate the drawing of lots to increase the probability of selecting one Offeror over another.

5.34.630 Reciprocal Preferences.

- A.** When evaluating Bids pursuant to PCC Section 5.34.610, the City shall add a percentage increase to the Bid of a Nonresident Bidder equal to the percentage, if any, of the preference that would be given to that Bidder in the state in which the Bidder resides.
- B.** The City shall use the list prepared and maintained by the Oregon Department of Administrative Services pursuant to ORS 279A.120(4) to determine both (i) whether the Nonresident Bidder's state gives preference to in-state Bidders, and (ii) the amount of such preference. Bidders or Proposers who believe that information is inaccurate shall notify the City prior to submitting their Bid to permit a reasonable investigation. Otherwise, the City shall rely on that information in making its determination.

5.34.640 Negotiation When Bids Exceed Cost Estimate.

- A.** Generally. In accordance with ORS 279C.340, if all Responsive Bids from Responsible Bidders on a competitively Bid Project exceed the City's Cost Estimate, prior to Contract Award the City may negotiate Value Engineering and Other Options with the Responsible Bidder submitting the lowest, Responsive Bid in an attempt to bring the Project within the City's Cost Estimate. The Subcontractor disclosure and substitution requirements of PCC Section 5.34.493 do not apply to negotiations under this rule.
- B.** Definitions. The following definitions apply to this administrative rule:
- 1.** **"Cost Estimate"** means the City's most recent pre-Bid, good faith assessment of anticipated Contract costs, consisting either of an estimate of an architect, engineer or other qualified professional, or confidential cost calculation Worksheets, where available, and otherwise consisting of formal planning or budgetary documents.
 - 2.** **"Other Options"** means those items generally considered appropriate for negotiation in the RFP process, relating to the details of Contract performance as specified in PCC Section 5.34.850, but excluding any material requirements previously announced in the Solicitation process that would likely affect the field of competition.
 - 3.** **"Project"** means a Public Improvement.
 - 4.** **"Value Engineering"** means the identification of alternative methods, materials or systems which provide for comparable function at reduced initial or life-time cost. It includes proposed changes to the plans, Specifications, or other Contract requirements which may be made, consistent with industry practice, under the original Contract by mutual agreement in order to take advantage of potential cost savings without impairing the essential functions or characteristics of the Public Improvement. Cost savings include those resulting from Life Cycle Costing, which may either increase or decrease absolute costs over varying time periods.
- C.** Rejection of Bids. In determining whether all Responsive Bids from Responsible Bidders exceed the Cost Estimate, only those Bids that have been formally rejected, or Bids from Bidders who have been formally disqualified by the City, shall be excluded from consideration.

TITLE 5
REVENUE AND FINANCE

- D.** Scope of Negotiations. Contracting Agencies shall not proceed with Contract Award if the Scope of the Project is significantly changed from the original Bid. The Scope is considered to have been significantly changed if the pool of competition would likely have been affected by the change; that is, if other Bidders would have been expected by the City to participate in the Bidding process had the change been made during the Solicitation process rather than during negotiation. This rule shall not be construed to prohibit resolicitation of trade subcontracts.
- E.** Discontinuing Negotiations. The City may discontinue negotiations at any time, and shall do so if it appears to the City that the apparent low Bidder is not negotiating in good faith or fails to share cost and pricing information upon request. Failure to rebid any portion of the project, or to obtain Subcontractor pricing information upon request, shall be considered a lack of good faith.
- F.** Limitation. Negotiations may be undertaken only with the lowest Responsive, Responsible Bidder pursuant to ORS 279C.340.
- G.** Public Records. ORS 279C.340 shall not be construed as creating any additional public records where that result is not otherwise contemplated by the Public Records law, ORS Chapter 192. Records of a Bidder used in Contract negotiations may not become public records unless they are also submitted to the City.

5.34.645 Rejection of Offers.

- A.** Rejection of an Offer.

 - 1.** The City may reject any Offer upon finding that to accept the Offer may impair the integrity of the Solicitation process or that rejecting the Offer is in the public interest.
 - 2.** The City shall reject an Offer upon the City's finding that the Offer:

 - a.** Is contingent upon the City's acceptance of terms and conditions (including Specifications) that differ from the Solicitation Document;
 - b.** Takes exception to terms and conditions (including Specifications);

TITLE 5

- C. Certification of Non-Discrimination.** The Offeror shall certify and deliver to the City Written certification, as part of the Offer that the Offeror has not discriminated and will not discriminate against a disadvantaged business enterprise, or minority, women or emerging small business enterprises in obtaining any required subcontracts.  4. Causes other than legitimate market forces threaten the integrity of the Competitive Procurement process. 3. The Notice shall be posted at least seven (7) Days before the Award of a Contract, unless the Purchasing Agent determines that a compelling governmental interest, such as loss of funding, safety, public inconvenience or loss of taxpayer or ratepayer funds requires prompt execution of the Public Improvement Contract. If so, the Purchasing Agent shall specify in the Notice of the Intent the time period when the Contract will be Awarded and shall cause the Solicitation file to be documented with the specific reasons for the shorter notice period.
4. As provided in ORS 279C.375(2), the Notice requirements of this rule do not apply to contracts excepted or exempted from competitive bidding under ORS 279C.335(1)(c) or (d) or (6).

- B.** The City's Award shall not be final until the later of the following three dates:

1. Seven (7) Days after the date of notice of intent to Award, unless the Solicitation Document provided a different period for protest of Contract Award or the Purchasing Agent determined that a shorter period of time was necessary pursuant to PCC Section 5.34.650 A.2. For purposes of this paragraph, the Day on which the Notice is posted from which the seven Days or other time period shall begin to run shall not be included, but the last Day of the period shall be included;
2. The City provides a Written response to all timely-filed protests that denies the protest and affirms the Award; or

5.34.800 Purpose.

PCC Section 5.34.800 *et seq.* is intended to provide guidance to Bureaus and divisions of the City of Portland regarding the use of Alternative Contracting Methods for Public Improvement Contracts, as may be directed by the City's Purchasing Agent. Those methods include, but are not limited to, Design-Build, Energy Savings Performance Contract (ESPC) and Construction Manager/General Contractor (CM/GC) forms of contracting. As to ESPC contracting, PCC Section 5.34.880 implements the requirements of ORS 279C.335 pertaining to the adoption of model rules appropriate for use by the City govern the procedures for entering into ESPCs.

5.34.810 Definitions for Alternative Contracting Methods.

The following definitions shall apply to PCC Section 5.34.800 through PCC Section 5.34.890, unless the context requires otherwise:

- A. Alternative Contracting Methods.** Innovative Procurement techniques for obtaining Public Improvement Contracts, utilizing processes other than the traditional method of design-Bid-build with Award based solely on price (in which a final design is issued with formal Bid documents, construction Work is obtained by sealed Bid Awarded to the lowest Responsive, Responsible Bidder, and the project is built in accordance with those documents). In industry practice, such methods commonly include variations of Design-Build contracting, CM/GC forms of contracting and ESPCs, which are specifically addressed in PCC Section 5.34.880, as well as other developing techniques such as general "performance contracting" and "cost plus time" contracting, for which procedural requirements are identified under PCC Section 5.34.800 through PCC Section 5.34.890.

TITLE 5

REVENUE AND FINANCE

- B. Construction Manager/General Contractor (or "CM/GC").** A form of Procurement that results in a Public Improvement Contract for a Construction Manager/General Contractor to undertake project team involvement with design development; constructability reviews; value engineering, scheduling, estimating and subcontracting services; establish a Guaranteed Maximum Price to complete the Contract Work; act as General Contractor; coordinate and manage the building process; provide general Contractor expertise; and act as a member of the project team along with the City, architect/engineers and other consultants. CM/GC also refers to a Contractor under this form of Contract.
- C. Design-Build.** A form of Procurement that results in a Public Improvement Contract in which the construction Contractor also provides or obtains specified design services, participates on the project team with the City, and manages both design and construction. In this form of Contract, a single Person provides the City with all of the Personal Services and Work necessary to both design and construct the project.
- D. Energy Conservation Measures (or "ECMs") (also known as "energy efficiency measures").** As used in ESPC Procurement, any equipment, fixture or furnishing to be added or used in an existing building, structure or building/structure system, and any repair, alteration or improvement to an existing building, structure or building/structure system that is designed to reduce energy consumption and related costs, including those costs related to electrical energy, thermal energy, water consumption, waste disposal, and future contract-labor costs and materials costs associated with maintenance of the building or structure. Maintenance services are not Energy Conservation Measures, for purposes of PCC Section 5.34.880.
- E. Energy Savings Guarantee.** The energy savings and performance guarantee provided by the ESCO under an ESPC Procurement, which guarantees to the City that certain energy savings and performance will be achieved for the project covered by the RFP, through the installation and implementation of the agreed-upon ECMs for the project. The Energy Savings Guarantee shall include, but shall not be limited to, the specific energy savings and performance levels and amounts that will be guaranteed, provisions related to the financial remedies available to the City in the event the guaranteed savings and performance are not achieved, the specific conditions under which the ESCO will guarantee energy savings and performance (including the specific responsibilities of the City after final completion of the design and construction phase), and the term of the energy savings and performance guarantee.
- F. Energy Savings Performance Contract (or "ESPC").** A Public Improvement Contract between The City and a Qualified Energy Service Company for the identification, evaluation, recommendation, design and construction of Energy

Conservation Measures, including a Design-Build Contract, that guarantee energy savings or performance.

- G. Guaranteed Maximum Price (or "GMP").** The total maximum price provided to the City by the Contractor, and accepted by the City, that includes all reimbursable costs of and fees for completion of the Contract Work, as defined by the Public Improvement Contract, except for material changes in the Scope of Work. It may also include particularly identified contingency amounts.
- H. Measurement and Verification (or "M & V").** As used in ESPC Procurement, the examination of installed ECMs using the International Performance Measurement and Verification Protocol ("IPMVP"), or any other comparable protocol or process, to monitor and verify the operation of energy-using systems pre-installation and post-installation.
- I. Project Development Plan.** A secondary phase of Personal Services and Work performed by an ESCO in an ESPC Procurement when the ESCO performs more extensive design of the agreed-upon ECMs for the project, provides the detailed provisions of the ESCO's Energy Savings Guarantee that the fully installed and commissioned ECMs will achieve a particular energy savings level for the building or structure, and prepares an overall report or plan summarizing the ESCO's Work during this secondary phase of the Work and otherwise explaining how the agreed-upon ECMs will be implemented during the design and construction phase of the Work; The term "Project Development Plan" can also refer to the report or plan provided by the ESCO at the conclusion of this phase of the Work.
- J. Qualified Energy Service Company (or "ESCO").** As used in ESPC Procurement, a company, firm or other legal Person with the following characteristics: demonstrated technical, operational, financial and managerial capabilities to design, install, construct, commission, manage, measure and verify, and otherwise implement Energy Conservation Measures and other Work on building systems or building components that are directly related to the ECMs in existing buildings and structures; a prior record of successfully performing ESPCs on projects involving existing buildings and structures that are comparable to the project under consideration by the City; and the financial strength to effectively guarantee energy savings and performance under the ESPC for the project in question, or the ability to secure necessary financial measures to effectively guarantee energy savings under an ESPC for that project.
- K. Technical Energy Audit.** As used in ESPC Procurement, the initial phase of Personal Services to be performed by an ESCO that includes a detailed evaluation of an existing building or structure, an evaluation of the potential ECMs that could be effectively utilized at the facility, and preparation of a report to the City

TITLE 5 REVENUE AND FINANCE

of the ESCO's Findings during this initial phase of the Work; the term "Technical Energy Audit" can also refer to the report provided by the ESCO at the conclusion of this phase of the Work.

5.34.820 Use of Alternative Contracting Methods.

- A. **Competitive Bidding Exemptions.** ORS Chapter 279C requires a competitive bidding process for Public Improvement Contracts unless a statutory exception applies, a class of Contracts has been exempted or an individual Contract has been exempted in accordance with ORS 279C.335 and PCC Section 5.34.830. Use of Alternative Contracting Methods may be directed by the City's Purchasing Agent as an exception to the prescribed Public Contracting practices in Oregon, and their use must be justified in accordance with City Code.
- B. **Energy Savings Performance Contracts.** Unlike other Alternative Contracting Methods covered by PCC Section 5.34.800 *et seq.* ESPCs are exempt from the competitive bidding requirement for Public Improvement Contracts pursuant to ORS 279C.335(1)(f), if the City complies with the procedures set forth in PCC Section 5.34.880 related to the Solicitation, negotiation and contracting for ESPC Work. If those procedures are not followed, an ESPC procurement may still be exempted from competitive bidding requirements by following the general exemption procedures within ORS 279C.335.
- C. **Post-Project Evaluation.** ORS 279C.355 requires that the City prepare a formal post-project evaluation of Public Improvement projects in excess of \$100,000 for which the competitive bidding process was not used. The purpose of this evaluation is to determine whether it was actually in the City's best interest to use an Alternative Contracting Method. The evaluation must be delivered to the City's Purchasing Agent, on behalf of the City Council within 30 Days of the date the City "accepts" the Public Improvement project, which event is typically defined in the Contract. The Purchasing Agent shall forward such reports to the City Council in a timely manner. In the absence of a definition of "acceptance", the later of the date of final payment or the date of final completion of the Work will govern. ORS 279C.355 describes the timing and content of this evaluation, with three required elements:
 - 1. Financial information, consisting of Cost Estimates, any Guaranteed Maximum Price, changes and actual costs;
 - 2. A narrative description of successes and failures during design, engineering and construction; and
 - 3. An objective assessment of the use of the Alternative Contracting Method as compared to the exemption Findings.

5.34.830 Findings, Notice and Hearing.

- A.** The City Council may by ordinance exempt a Contract from the requirements of an ITB process if it makes the following findings:

 - 1.** It is unlikely that the exemption will encourage favoritism in the Awarding of Public Improvement Contracts or substantially diminish competition for public improvement Contracts as further described in PCC Section 5.34.830 F.; and
 - 2.** The exemption will result in substantial costs savings to the City. The "substantial cost savings" criterion at ORS 279C.335(2)(b) requires consideration of the type, cost, amount of the Contract, number of Entities available to Bid, and "such other factors as may be deemed appropriate" as further described in PCC Section 5.34.830 E.; or
 - 3.** If the Public Improvement relate to the operation, maintenance or construction of highways, bridges and other transportation facilities, that the exemption will result in substantial cost savings to the City or to the public.
- B.** The City council may consider the type, cost and amount of the Contract the number of Persons available to bid and other such factors as may be deemed appropriate in declaring the exemption.
- C.** Findings supporting a competitive bidding exemption must describe with specificity the Alternative Contracting Method to be used in lieu of competitive bidding, including, but not limited to, whether a one step (Request for Proposals) or two step (beginning with Requests for Qualifications) solicitation process will be utilized. The Findings may also describe anticipated characteristics or features of the resulting Public Improvement Contract. However, the purpose of an exemption from competitive bidding is limited to a determination of the Procurement method. Any unnecessary or incidental descriptions of the specific details of the anticipated Contract within the supporting Findings are not binding upon the City. The parameters of the Public Improvement Contract are those characteristics or specifics that are announced in the Solicitation Document.
- D.** The City Council shall require and approve additional findings in the following areas in order to declare the exemption:

 - 1.** Operational, budget and financial data;
 - 2.** Public benefits;

- E.** The City shall hold a public hearing before final adoption of the findings and a declaration of the exemption. Notification of the public hearing shall be published in at least one trade newspaper of general statewide circulation a minimum of 14 Days before the hearing;
1. The Notice shall state that the public hearing is for the purpose of taking comments on the City's draft findings for an exemption from the Competitive Bidding requirement of using an ITB. At the time of the notice, copies of the draft findings shall be made available to the public.
 2. At the hearing, the City shall offer an opportunity for any interested persons to appear and present comment;
 3. Notice of the hearing may be published simultaneously with the City's Solicitation of contractors for the alternative public contracting method when the City is required to act promptly due to circumstances beyond the City's control that do not constitute an Emergency as long as responses to the Solicitation are due at least five (5) Days after the meeting and approval of the findings;
- F.** Addressing Cost Savings. Accordingly, when the Contract or class of Contracts under consideration for an exemption contemplates the use of Alternative Contracting Methods, the "substantial cost savings" requirement may be addressed by a combination of:
1. Specified Findings that address the factors and other information specifically identified by statute; and
 2. Additional Findings that address industry practices, surveys, trends, past experiences, evaluations of completed projects required by ORS 279C.355 and related information regarding the expected benefits and drawbacks of

particular Alternative Contracting Methods. To the extent practicable, such Findings should relate back to the specific characteristics of the project or projects at issue in the exemption request.

- G.** Favoritism and Competition. The criteria at ORS 279C.335(2)(a) that it is "unlikely" that the exemption will "encourage favoritism" or "substantially diminish competition" may be addressed in contemplating the use of Alternative Contracting Methods by specifying the manner in which an RFP process will be utilized, that the Procurement will be formally advertised, competition will be encouraged, and Award made based upon identified selection criteria.
- H.** Class Exemptions. In making the findings supporting a class exemption the City shall clearly identify the class with respect to its defining characteristics. Those characteristics shall include some combination of Project descriptions or locations, time periods, Contract values or method of Procurement or other factors that distinguish the limited and related class of Projects from the City's overall construction program. Classes shall not be defined solely by funding sources, such as a particular bond fund, or by method of Procurement, but must be defined by characteristics that reasonably relate to the exemption criteria set forth in ORS 279C.335(2). The following classes of Contracts are hereby exempt from the Competitive low Bidding requirements of this Chapter:
- 1.** Contract Amendments. Contract amendments, pursuant to the authority granted by PCC Section 5.34.020 C., and provided that the original Contract was executed in accordance with this chapter;
 - 2.** Tenant improvements. Tenant Improvements on City owned property are exempt from the requirements of Competitive low Bidding, but may be subject to other provisions of this Chapter or ORS 279C. Tenant improvements are exempt when:
 - a.** The improvements are paid for in part, or in whole, by the tenant;
 - b.** The improvements are primarily for the tenant's benefit; and
 - c.** The tenant hires the Contractor to perform the Work, whether or not a competitive process is used by the tenant.
 - 3.** Deficiency Corrections/Contractor on site. The City may hire a private Contractor to perform Work if:
 - a.** The City finds that a Contractor hired by a private developer or Person is at or near the site where City Work needs to be

TITLE 5
REVENUE AND FINANCE

performed and the cost proposed by the private Contractor is reasonable and the cost of the Work will be less than \$25,000; or

- b.** The City finds that a Contractor hired by the City is at or near the site where City Work needs to be performed; and
 - (1)** The new Work is not within the Scope the original Contract and was not anticipated at the time that the original Contract was Awarded; and
 - (2)** If the original Contract was less than \$25,000 the new work does not cause the total payment to the Contractor to exceed \$25,000; or
 - (3)** If the original Contract was more than \$25,000, the new Work does increase the total amount paid to the Contractor by more than \$50,000.

5.34.840 Competitive Proposals; General Procedures.

- A.** General Application: The City may utilize the RFP outlined in PCC Sections 5.34.840 C. through E. below for Public Improvement Contracts, allowing flexibility in both Proposal evaluation and Contract negotiation, only in accordance with ORS 279C.400 to 279C.410 and PCC Sections 5.34.800 to 5.34.890, unless other applicable statutes control the City's use of competitive Proposals for Public Improvement Contracts. Nothing in this rule shall limit the use of evaluation factors or other matters expressly permitted by those additional rules or authorized by ordinance.
- B.** ESPCs: For ESPCs, the RFP outlined in PCC Sections 5.34.840 C. through E. below shall be utilized if the City desires the Procurement process to be exempt from the competitive bidding requirements of ORS 279C.335. The RFP process for the Alternative Contracting Methods identified in PCC Sections 5.34.800 to 5.34.890 includes the following steps:
- C.** Proposal Evaluation. Factors in addition to price may be considered in the selection process, but only as set forth in the RFP. Evaluation factors need not be precise predictors of future costs and performance, but to the extent possible such evaluation factors shall:
 - 1.** Be reasonable estimates based on information available to the City;
 - 2.** Treat all Proposals equitably; and

TITLE 5
REVENUE AND FINANCE

3. Recognize that public policy requires that Public Improvements be constructed at the least overall cost to the City. See ORS 279C.305.

D. Evaluation Factors.

1. In basic negotiated construction contracting, where the only reason for an RFP is to consider factors other than price, those factors may consist of firm and personnel experience on similar projects, adequacy of equipment and physical plant, sources of supply, availability of key personnel, financial capacity, past performance, safety records, project understanding, proposed methods of construction, proposed milestone dates, references, service, the status of its Equal Employment Opportunity (EEO) certification, its efforts to diversify its workforce in order to reach all of the City's citizens and other related matters that affect cost or quality.
2. In CM/GC contracting, in addition to PCC Section 5.33.840 D.1., those factors may also include the ability to respond to the technical complexity or unique character of the project, coordination of multiple disciplines, the time required to commence and complete the improvement, and related matters that affect cost or quality.
3. In Design-Build contracting, in addition to PCC Section 5.33.840 D.1. and 2., those factors may also include design professional qualifications, specialized experience, preliminary design submittals, technical merit, design-builder team experience and related matters that affect cost or quality.
4. In ESPC contracting, in addition to the factors set forth in PCC Section 5.33.840 D.1., 2. and 3., those factors may also include sample Technical Energy Audits from similar projects, sample M & V reports, financial statements and related information of the ESCO for a time period established in the RFP, financial statements and related information of joint ventures comprising the ESCO, the ESCO's capabilities and experience in performing energy baseline studies for facilities (independently or in cooperation with an independent third-party energy baseline consultant), past performance of the ESCO in meeting energy guarantee Contract levels, the specific Person that will provide the Energy Savings Guarantee to be offered by the ESCO, the ESCO's management plan for the project, information on the specific methods, techniques and equipment that the ESCO will use in the performance of the Work under the ESPC, the ESCO's team members and consultants to be assigned to the project, the ESCO's experience in the Energy Savings Performance Contracting field, the ESCO's experience acting as the prime Contractor

TITLE 5

REVENUE AND FINANCE

on previous ESPC projects (as opposed to a sub-contractor or consultant to a prime ESCO), the ESCO's vendor and product neutrality related to the development of ECMs, the ESCO's project history related to removal from an ESPC project or the inability or unwillingness of the ESCO to complete an ESPC project, the ESCO's M & V capabilities and experience (independently or in cooperation with an independent third-party M & V consultant), the ESCO's ability to explain the unique risks associated with ESPC projects and the assignment of risk in the particular project between the City and the ESCO, the ESCO's equipment performance guarantee policies and procedures, the ESCO's energy savings and cost savings guarantee policies and procedures, the ESCO's project cost guarantee policies and procedures, the ESCO's pricing methodologies, the price that the ESCO will charge for the Technical Energy Audit phase of the Work and the ESCO's fee structure for all phases of the ESPC.

- E.** Contract Negotiations. Contract terms may be negotiated to the extent allowed by the RFP and PCC Sections 5.34.800 to 5.34.890, provided that the general Work Scope remains the same and that the field of competition does not change as a result of material changes to the requirements stated in the Solicitation Document. See PCC Section 5.34.850. Terms that may be negotiated consist of details of Contract performance, methods of construction, timing, assignment of risk in specified areas, fee, and other matters that affect cost or quality. In ESPC contracting, terms that may be negotiated also include the Scope of preliminary design of ECMs to be evaluated by the parties during the Technical Energy Audit phase of the Work, the Scope of Personal Services and Work to be performed by the ESCO during the Project Development Plan phase of the Work, the detailed provisions of the Energy Savings Guarantee to be provided by the ESCO and Scope of Work, methodologies and compensation terms and conditions during the design and construction phase and M & V phase of the Work, consistent with the requirements of PCC Section 5.34.880 below.

5.34.845 Requests for Qualifications (RFQ)

As provided by ORS 279C.410(9), the City may utilize Requests for Qualifications (RFQs) to obtain information useful in the preparation or distribution of a Request for Proposals (RFPs). When using RFQs as the first step in a two step solicitation process, in which distribution of the RFPs will be limited to the firms identified as most qualified through their submitted statements of qualification, the City shall first advertise and provide notice of the RFQ in the same manner in which RFP's are advertised, specifically stating that RFPs will be distributed only to the qualified firms in the RFQ process. The Purchasing Agent shall decide whether to permit protests at the end of the RFQ process. Thereafter, the City may distribute RFPs to those qualified firms without further advertisement of the solicitation.

5.34.850 Requests for Proposals (RFP).

- A.** Generally. The use of competitive Proposals must be specifically authorized for a Public Improvement Contract under the Competitive Bidding requirement of ORS 279C.335 (1), PCC Section 5.34.170 and PCC Sections 5.34.800 to 5.34.890. Also see ORS 279C.400 to 279C.410 for statutory requirements regarding competitive Proposals, and PCC Section 5.34.840 regarding competitive Proposal procedures.
- B.** Solicitation Documents. In addition to the Solicitation Document requirements of PCC Section 5.34.300, this rule applies to the requirements for Requests for Proposals. RFP Solicitation Documents shall conform to the following standards:

 - 1.** The City shall set forth selection criteria in the Solicitation Document. Examples of evaluation criteria include price or cost, quality of a product or service, past performance, management, capability, personnel qualification, prior experience, compatibility, reliability, operating efficiency, expansion potential, experience of key personnel, adequacy of equipment or physical plant, financial wherewithal, sources of supply, references and warranty provisions. See PCC Section 5.34.840. Evaluation factors need not be precise predictors of actual future costs and performance, but to the extent possible, such factors shall be reasonable estimates based on information available to the City;
 - 2.** When the City is willing to negotiate terms and conditions of the Contract or allow submission of revised Proposals following discussions, the City must identify the specific terms and conditions in or provisions of the Solicitation Document that are subject to negotiation or discussion and authorize Offerors to propose certain alternative terms and conditions in lieu of the terms and conditions the City has identified as authorized for negotiation. The City must describe the evaluation and discussion or negotiation process, including how the City will establish the Competitive Range;
 - 3.** The anticipated size of the Competitive Range shall be stated in the Solicitation document, but may be decreased if the number of Proposers that submit Responsive Proposals is less than the specified number, or may be increased as provided in PCC 5.34.850D.1.b.
 - 4.** When the City intends to Award Contracts to more than one Proposer, the City must identify in the Solicitation Document the manner in which it will determine the number of Contracts it will Award. The City shall also include the criteria it will use to determine how the City will endeavor to achieve optimal value, utility and substantial fairness when selecting a

TITLE 5

REVENUE AND FINANCE

particular Contractor to provide Personal Services or Work from those Contractors Awarded Contracts.

C. Evaluation of Proposals.

- 1. Evaluation.** The City shall evaluate Proposals only in accordance with criteria set forth in the RFP and applicable law. The City shall evaluate Proposals to determine the Responsible Proposer or Proposers submitting the best Responsive Proposal or Proposals.
 - a. Clarifications.** In evaluating Proposals, The City may seek information from a Proposer to clarify the Proposer's Proposal. A Proposer must submit Written and Signed clarifications and such clarifications shall become part of the Proposer's Proposal.
 - b. Limited Negotiation.** If the City did not permit negotiation in its Request for Proposals, the City may, nonetheless, negotiate with the highest-ranked Proposer, but may then only negotiate the:
 - (1)** Statement of Work; and
 - (2)** Contract Price as it is affected by negotiating the statement of Work.
 - (3)** The process for discussions or negotiations that is outlined and explained in PCC Sections 5.34.850 E.2. and 5.34.850 F. does not apply to this limited negotiation.
- 2. Discussions; Negotiations.** If the City permitted discussions or negotiations in the Request for Proposals, the City shall evaluate Proposals and establish the Competitive Range, and may then conduct discussions and negotiations in accordance with this rule.
 - a.** If the Solicitation Document provided that discussions or negotiations may occur at City's discretion, the City may forego discussions and negotiations and evaluate all Proposals in accordance with this rule.
 - b.** If the City proceeds with discussions or negotiations, the City shall establish a negotiation team tailored for the acquisition. The City's team may include legal, technical and negotiating personnel.
- 3. Cancellation.** Nothing in this rule shall restrict or prohibit the City from canceling the Solicitation at any time.

D. Competitive Range; Protest; Award.

1. Determining Competitive Range.

- a.** If the City does not cancel the Solicitation, after the Opening the City will evaluate all Proposals in accordance with the evaluation criteria set forth in the Request for Proposals. After evaluation of all Proposals in accordance with the criteria set forth in the Request for Proposals, the City will determine and rank the Proposers in the Competitive Range.
- b.** The City may increase the number of Proposers in the Competitive Range if the City's evaluation of Proposals establishes a natural break in the scores of Proposers indicating a number of Proposers greater than the initial Competitive Range are closely Competitive, or have a reasonable chance of being determined the best Proposer after the City's evaluation of revised Proposals submitted in accordance with the process described in this rule.

2. Protesting Competitive Range. The City shall provide Written notice to all Proposers identifying Proposers in the Competitive Range. A Proposer that is not within the Competitive Range may protest the City's evaluation and determination of the Competitive Range in accordance with PCC Section 5.34.710.

3. Intent to Award; Discuss or Negotiate. After the protest period provided in accordance with these rules expires, or after the City has provided a final response to any protest, whichever date is later, the City may either:

- a.** Provide Written notice to all Proposers in the Competitive Range of its intent to Award the Contract to the highest-ranked Proposer in the Competitive Range.
 - (1)** An unsuccessful Proposer may protest the City's intent to Award in accordance with PCC Section 5.34.740.
 - (2)** After the protest period provided in accordance with PCC Section 5.34.740 expires, or after the City has provided a final response to any protest, whichever date is later, the City shall commence final Contract negotiations with the highest-ranked Proposer in the Competitive Range; or
- b.** Engage in Negotiations with all Proposers in the Competitive Range, as provided in PCC Section 5.34.850 F. below; or

TITLE 5
REVENUE AND FINANCE

- c. Engage in discussions with Proposers in the Competitive Range, as provided in PCC Section 5.34.850 E. below, accept revised Proposals from them, and, following such discussions and receipt and evaluation of revised Proposals, either select the highest ranking Proposer or conduct further negotiations with the Proposers in the Competitive Range;
 - d. Otherwise proceed in any other legal manner designed to select a or as specified by the RFP or ordinance.
- E. Discussions; Revised Proposals. If the City chooses to enter into discussions with and receive revised Proposals from the Proposers in the Competitive Range, the City shall proceed as follows:
- 1. Initiating Discussions. The City shall initiate oral or Written discussions with all of the Proposers in the Competitive Range regarding their Proposals with respect to the provisions of the RFP that the City identified in the RFP as the subject of discussions. The City may conduct discussions for the following purposes:
 - a. Informing Proposers of deficiencies in their initial Proposals;
 - b. Notifying Proposers of parts of their Proposals for which the City would like additional information; and
 - c. Otherwise allowing Proposers to develop revised Proposals that will allow the City to obtain the best Proposal based on the requirements and evaluation criteria set forth in the Request for Proposals.
 - 2. Conducting Discussions. The City may conduct discussions with each Proposer in the Competitive Range necessary to fulfill the purposes of this section, but need not conduct the same amount of discussions with each Proposer. The City may terminate discussions with any Proposer in the Competitive Range at any time. However, the City shall offer all Proposers in the Competitive Range the opportunity to discuss their Proposals with City before the City notifies Proposers of the date and time pursuant to this section that revised Proposals will be due.
 - a. In conducting discussions, the City :
 - (1) Shall treat all Proposers fairly and shall not favor any Proposer over another;

TITLE 5
REVENUE AND FINANCE

- (2) Shall not discuss other Proposers' Proposals;
 - (3) Shall not suggest specific revisions that a Proposer should make to its Proposal, and shall not otherwise direct the Proposer to make any specific revisions to its Proposal. Nothing in this paragraph, however, shall prevent the City from identifying deficiencies in a Proposal, as provided in PCC Section 5.34.850 E.1.a. above.
 - b. At any time during the time allowed for discussions, the City may:
 - (1) Continue discussions with a particular Proposer;
 - (2) Terminate discussions with a particular Proposer and continue discussions with other Proposers in the Competitive Range; or
 - (3) Conclude discussions with all remaining Proposers in the Competitive Range and provide notice to the Proposers in the Competitive Range to submit revised Proposals.
- 3. Revised Proposals. If the City does not cancel the Solicitation at the conclusion of the City's discussions with all remaining Proposers in the Competitive Range, the City shall give all remaining Proposers in the Competitive Range notice of the date and time by which they must submit revised Proposals. This notice constitutes the City's termination of discussions, and Proposers must submit revised Proposals by the date and time set forth in the City's notice.
 - a. Upon receipt of the revised Proposals, the City shall score the revised Proposals based upon the evaluation criteria set forth in the Request for Proposals, and rank the revised Proposals based on the City's scoring.
 - b. The City may conduct discussions with and accept only one revised Proposal from each Proposer in the Competitive Range unless otherwise set forth in the Request for Proposals.
- 4. Intent to Award; Protest. The City shall provide Written notice to all Proposers in the Competitive Range of the City's intent to Award the Contract. An unsuccessful Proposer may protest the City's intent to Award in accordance with PCC Section 5.34.740. After the protest period provided in accordance with that rule expires, or after the City has

TITLE 5

REVENUE AND FINANCE

provided a final response to any protest, whichever date is later, the City shall commence final Contract negotiations.

F. Negotiations.

- 1. Initiating Negotiations.** The City may determine to commence negotiations with the highest-ranked Proposer in the Competitive Range following the:
 - a.** Initial determination of the Competitive Range; or
 - b.** Conclusion of discussions with all Proposers in the Competitive Range and evaluation of revised Proposals.
- 2. Conducting Negotiations, Scope.** The City may negotiate:
 - a.** The statement of Work;
 - b.** The Contract Price as it is affected by negotiating the statement of Work; and
 - c.** Any other terms and conditions reasonably related to those expressly authorized for negotiation in the Request for Proposals. Accordingly, Proposers shall not submit, and City shall not accept, for negotiation any alternative terms and conditions that are not reasonably related to those expressly authorized for negotiation in the Request for Proposals.
- 3. Terminating Negotiations.** At any time during discussions or negotiations that the City conducts in accordance with this rule, the City may terminate discussions or negotiations with the highest-ranked Proposer, or the Proposer with whom it is currently discussing or negotiating, if the City reasonably believes that:
 - a.** The Proposer is not discussing or negotiating in good faith; or
 - b.** Further discussions or negotiations with the Proposer will not result in the parties agreeing to the terms and conditions of a final Contract in a timely manner.
- 4. Continuing Negotiations.** If the City terminates discussions or negotiations with a Proposer, the City may then commence negotiations with the next highest scoring Proposer in the Competitive Range, and continue the process described in this rule until the City has either:

- a.** Determined to Award the Contract to the Proposer with whom it is currently discussing or negotiating; or
- b.** Completed one round of discussions or negotiations with all Proposers in the Competitive Range, unless the City provided for more than one round of discussions or negotiations in the Request for Proposals.

5.34.860 RFP Pricing Mechanisms.

- A.** A Request for Proposals may result in a lump sum Contract Price, as in the case of competitive Bidding. Alternatively, a cost reimbursement Contract may be negotiated.
- B.** Economic incentives or disincentives may be included to reflect stated City purposes related to time of completion, safety or other Public Contracting objectives, including total least cost mechanisms such as Life Cycle Costing.
- C.** A Guaranteed Maximum Price (GMP) is used as the pricing mechanism for CM/GC where a total Contract Price is provided in the design phase in order to assist the City in determining whether the project Scope is within the City's budget, and allowing for design changes during preliminary design rather than after final design Work has been completed.
 - 1.** If this collaborative process is successful, the Contractor shall propose a final GMP, which may be accepted by the City and included within the Contract.
 - 2.** If this collaborative process is not successful, and no mutually agreeable resolution on GMP can be achieved with the Contractor, then the City shall terminate the Contract. The public City may then proceed to negotiate a new Contract (and GMP) with the firm that was next ranked in the original selection process, or employ other means for continuing the project under ORS Chapter 279C.
- D.** When cost reimbursement Contracts are utilized, regardless of whether a GMP is included, the City shall provide for audit controls that will effectively verify rates and ensure that costs are reasonable, allowable and properly allocated.

5.34.870 Design-Build Contracts.

- A.** General. The Design-Build form of contracting, as defined in PCC Section 5.34.810 C, has technical complexities that are not readily apparent. In order to

TITLE 5

REVENUE AND FINANCE

use the Design-Build process, the City must be able to reasonably anticipate the following types of benefits:

1. Obtaining, through a Design-Build team, engineering design, plan preparation, value engineering, construction engineering, construction, quality control and required documentation as a fully integrated function with a single point of responsibility;
 2. Integrating value engineering suggestions into the design phase, as the construction Contractor joins the project team early with design responsibilities under a team approach, with the potential of reducing Contract changes;
 3. Reducing the risk of design flaws, misunderstandings and conflicts inherent in construction Contractors building from designs in which they have had no opportunity for input, with the potential of reducing Contract claims;
 4. Shortening project time as construction activity (early submittals, mobilization, subcontracting and advance Work) commences prior to completion of a "Biddable" design, or where a design solution is still required (as in complex or phased projects); and
 5. Obtaining innovative design solutions through the collaboration of the Contractor and design team, which would not otherwise be possible if the Contractor had not yet been selected.
- B.** Authority. Contracting Agencies shall utilize the Design-Build form of contracting only in accordance with the requirements of PCC Sections 5.34.800 to 5.34.890 of these rules. See particularly PCC Section 5.34.820 on "Use of Alternative Contracting Methods" and PCC Section 5.34.880 pertaining to ESPCs.
- C.** Selection. Design-Build selection criteria may include those factors set forth above in PCC Sections 5.34.840 B.1., 2. and 3.
- D.** QBS Inapplicable. Because the value of construction services predominates the Design-Build form of contracting, the qualifications based selection (QBS) process is not applicable.
- E.** Licensing. If a Design-Build Contractor is not an Oregon licensed design professional, the City shall require that the Design-Build Contractor disclose in its Written Offer that it is not an Oregon licensed design professional, and identify the Oregon licensed design professional(s) who will provide design services. See

TITLE 5
REVENUE AND FINANCE

ORS 671.030(2)(g) regarding the offer of architectural services, and ORS 672.060(11) regarding the offer of engineering services that are appurtenant to construction Work.

- F.** Performance Security. ORS 279C.380(1)(a) provides that for Design-Build Contracts the surety's obligation on performance bonds, or the Bidder's obligation on cashier's or certified checks accepted in lieu thereof, includes the preparation and completion of design and related Personal Services specified in the Contract. This additional obligation, beyond performance of construction services, extends only to the provision of professional services and related design revisions, corrective Work and associated costs prior to final completion of the Contract (or for such longer time as may be defined in the Contract). The obligation is not intended to be a substitute for professional liability insurance, and does not include errors and omissions or latent defects coverage.
- G.** Contract Requirements. The City shall conform its Design-Build contracting practices to the following requirements:
1. Design Services. The level or type of design services required must be clearly defined within the Procurement documents and Contract, along with a description of the level or type of design services previously performed for the project. The Personal Services and Work to be performed shall be clearly delineated as either design Specifications or performance standards, and performance measurements must be identified.
 2. Professional Liability. The Contract shall clearly identify the liability of design professionals with respect to the Design-Build Contractor and the City, as well as requirements for professional liability insurance.
 3. Risk Allocation. The Contract shall clearly identify the extent to which the City requires an express indemnification from the Design-Build Contractor for any failure to perform, including professional errors and omissions, design warranties, construction operations and faulty Work claims.
 4. Warranties. The Contract shall clearly identify any express warranties made to the City regarding characteristics or capabilities of the completed project (regardless of whether errors occur as the result of improper design, construction, or both), including any warranty that a design will be produced that meets the stated project performance and budget guidelines.

TITLE 5

REVENUE AND FINANCE

5. Incentives. The Contract shall clearly identify any economic incentives and disincentives, the specific criteria that apply and their relationship to other financial elements of the Contract.
6. Honoraria. If allowed by the RFP, honoraria or stipends may be provided for early design submittals from qualified finalists during the Solicitation process on the basis that the City is benefited from such deliverables.

5.34.880 Energy Savings Performance Contracts (ESPC).

- A. Generally. PCC Sections 5.34.800 to 5.34.890 include a limited, efficient method for the City to enter into ESPCs outside the competitive bidding requirements of ORS 279C.335 for existing buildings or structures, but not for new construction. If the City chooses not to utilize these rules, the City may still enter into an ESPC by complying with the competitive bidding exemption process set forth in ORS 279C.335, or by otherwise complying with the Procurement requirements applicable to any City not subject to all the requirements of ORS 279C.335.
- B. ESPC Contracting Method. The ESPC form of contracting, as defined in PCC Section 5.34.810 F., has unique technical complexities associated with the determination of what ECMs are feasible for the City, as well as the additional technical complexities associated with a Design-Build Contract. The City shall only utilize the ESPC contracting method with the assistance of knowledgeable staff or consultants who are experienced in its use. In order to utilize the ESPC contracting process, the City must be able to reasonably anticipate one or more of the following types of benefits:
 1. Obtaining, through an ESCO, the following types of integrated Personal Services and Work: facility profiling, energy baseline studies, ECMs, Technical Energy Audits, project development planning, engineering design, plan preparation, cost estimating, Life Cycle Costing, construction administration, project management, construction, quality control, operations and maintenance staff training, commissioning services, M & V services and required documentation as a fully integrated function with a single point of responsibility;
 2. Obtaining, through an ESCO, an Energy Savings Guarantee;
 3. Integrating the Technical Energy Audit phase and the Project Development Plan phase into the design and construction phase of Work on the project;

TITLE 5
REVENUE AND FINANCE

4. Reducing the risk of design flaws, misunderstandings and conflicts inherent in the construction process, through the integration of ESPC Personal Services and Work;
 5. Obtaining innovative design solutions through the collaboration of the members of the ESCO integrated ESPC services team;
 6. Integrating cost-effective ECMs into an existing building or structure, so that the ECMs pay for themselves through savings realized over the useful life of the ECMs;
 7. Preliminary design, development, implementation and an Energy Savings Guarantee of ECMs into an existing building or structure through an ESPC, as a distinct part of a major remodel of that building or structure that is being performed under a separate remodeling Contract; and
 8. Satisfying local energy efficiency design criteria or requirements.
- C.** Authority. Bureaus wanting to pursue an exemption from the Competitive Bidding requirements of ORS 279C.335 (and, if applicable, ORS 351.086), shall utilize the ESPC form of contracting only in accordance with the requirements of PCC Section 5.34.800 through PCC Section 5.34.890.
- D.** No Findings. The City is only required to comply with the ESPC contracting procedures set forth in PCC Section 5.34.800 through PCC Section 5.34.890 in order for the ESPC to be exempt from the competitive bidding processes of ORS 279C.335. No Findings are required for an ESPC to be exempt from the competitive bidding process for Public Improvement Contracts pursuant to ORS 279C.335, unless the City is subject to the requirements of ORS 279C.335 and chooses not to comply with the ESPC contracting procedures set for in these rules.
- E.** Selection. ESPC selection criteria may include those factors set forth above in PCC Sections 5.34.840 B.1., 2., 3., and 4. Since the Energy Savings Guarantee is such a fundamental component in the ESPC contracting process, Proposers must disclose in their Proposals the identity of any Person providing (directly or indirectly) any Energy Savings Guarantee that may be offered by the successful ESCO during the course of the performance of the ESPC, along with any financial statements and related information pertaining to any such Person.
- F.** QBS Inapplicable. Because the value of construction Work predominates in the ESPC method of contracting, the qualifications based selection (QBS) process mandated by ORS 279C.110 is not applicable.

TITLE 5

REVENUE AND FINANCE

- G.** Licensing. If the ESCO is not an Oregon licensed design professional, the City shall require that the ESCO disclose in the ESPC that it is not an Oregon licensed design professional, and identify the Oregon licensed design professional(s) who will provide design services. See ORS 671.030(5) regarding the offer of architectural services, and ORS 672.060(11) regarding the offer of engineering services that are appurtenant to construction Work.
- H.** Performance Security. At the point in the ESPC when the parties enter into a binding Contract that constitutes a Design-Build Contract, the ESCO must provide a performance bond and payment bond, each for 100% of the full Contract Price, including the construction Work and design and related Personal Services specified in the ESPC Design-Build Contract, pursuant to ORS 279C.380(1)(a). For ESPC Design-Build Contracts, these "design and related professional services" include conventional design services, commissioning services, training services for the City's operations and maintenance staff, and any similar Personal Services or Work provided by the ESCO under the ESPC Design-Build Contract prior to final completion of construction. M & V services, and any Personal Services and Work associated with the ESCO's Energy Savings Guarantee are not included in these ORS 279C.380(1)(a) "design and related professional services." Nevertheless, The City may require that the ESCO provide performance security for M & V services and any Personal Services and Work associated with the ESCO's Energy Savings Guarantee, if the City so provides in the RFP.
- I.** Contracting Requirements. Contracting Agencies shall conform their ESPC contracting practices to the following requirements:

 - 1.** General ESPC Contracting Practices. An ESPC involves a multi-phase project, which includes the following contractual elements:

 - a.** A contractual structure which includes general Contract terms describing the relationship of the parties, the various phases of the Work, the contractual terms governing the Technical Energy Audit for the project, the contractual terms governing the Project Development Plan for the project, the contractual terms governing the final design and construction of the project, the contractual terms governing the performance of the M & V services for the project, and the detailed provisions of the ESCO's Energy Savings Guarantee for the project.
 - b.** The various phases of the ESCO's Work will include the following:

 - (1)** The Technical Energy Audit phase of the Work;

TITLE 5
REVENUE AND FINANCE

- (2) The Project Development Plan phase of the Work;
 - (3) A third phase of the Work that constitutes a Design-Build Contract, during which the ESCO completes any plans and Specifications required to implement the ECMs that have been agreed to by the parties to the ESPC, and the ESCO performs all construction, commissioning, construction administration and related Personal Services or Work to actually construct the project; and
 - (4) A final phase of the Work, whereby the ESCO, independently or in cooperation with an independent consultant hired by the City, performs M & V services to ensure that the Energy Savings Guarantee identified by the ESCO in the earlier phases of the Work and agreed to by the parties has actually been achieved.
- 2. Design-Build Contracting Requirements in ESPCs. At the point in the ESPC when the parties enter into a binding Contract that constitutes a Design-Build Contract, the City shall conform its Design-Build contracting practices to the Design-Build contracting requirements set forth in PCC Section 5.34.870 G. above.
- 3. Pricing Alternatives. The City may utilize one of the following pricing alternatives in an ESPC:
 - a. A fixed price for each phase of the Personal Services and Work to be provided by the ESCO;
 - b. A cost reimbursement pricing mechanism, with a maximum not-to-exceed price or a GMP; or
 - c. A combination of a fixed fee for certain components of the Personal Services to be performed, a cost reimbursement pricing mechanism for the construction Work to be performed with a GMP, a single or annual fixed fee for M & V services to be performed for an identified time period after final completion of the construction Work, and a single or annual Energy Savings Guarantee fixed fee payable for an identified time period after final completion of the construction Work that is conditioned on certain energy savings being achieved at the facility by the ECMs that have been implemented by the ESCO during the project (in the event an annual M & V services fee and annual Energy Savings

REVENUE AND FINANCE

Guarantee fee is utilized by the parties, the parties may provide in the Design-Build Contract that, at the sole option of the City, the ESCO's M & V services may be terminated prior to the completion of the M & V/Energy Savings Guarantee period and the City's future obligation to pay the M & V services fee and Energy Savings Guarantee fee will likewise be terminated, under terms agreed to by the parties).

4. Permitted ESPC Scope of Work. The Scope of Work under the ESPC is restricted to implementation and installation of ECMs, as well as other Work on building systems or building components that are directly related to the ECMs, and that, as an integrated unit, will pay for themselves over the useful life of the ECMs installed. The permitted Scope of Work for ESPCs resulting from a Solicitation under PCC Sections 5.34.800 to 5.34.890 rules does not include maintenance services for the project facility.

5.34.890 Construction Manager/General Contractor (CM/GC).

- A. **General.** The CM/GC form of contracting, as defined in PCC Section 5.34.810 B., is a technically complex project delivery system. Unlike the Design-Build form of contracting, the CM/GC form of contracting does not contemplate a "single point of responsibility" under which the Contractor is responsible for successful completion of all Work related to a performance Specification. The CM/GC has defined Contract obligations, including responsibilities as part of the project team along with the City and design professional, although in CM/GC there is a separate Contract between the City and design professional. In order to utilize the CM/GC method, the City must be able to reasonably anticipate the following types of benefits:

1. Time Savings. The Public Improvement has significant schedule ramifications, such that concurrent design and construction are necessary in order to meet critical deadlines and shorten the overall duration of construction. The City may consider operational and financial data that show significant savings or increased opportunities for generating revenue as a result of early completion, as well as less disruption to public facilities as a result of shortened construction periods;
2. Cost Savings. Early Contractor input during the design process is expected to contribute to significant cost savings. The City may consider value engineering, building systems analysis, Life Cycle Costing analysis and construction planning that lead to cost savings. The City shall specify any special factors influencing this analysis, including high rates of inflation, market uncertainty due to material and labor fluctuations or scarcities, and

the need for specialized construction expertise due to technical challenges;
and

3. **Technical Complexity.** The Public Improvement presents significant technical complexities that are best addressed by a collaborative or team effort between the City, design professionals and Contractor, in which the Contractor will assist in addressing specific project challenges through pre-construction services. The City may consider the need for Contractor input on issues such as operations of the facility during construction, tenant occupancy, public safety, delivery of an early budget or GMP, financing, historic preservation, difficult remodeling projects and projects requiring complex phasing or highly coordinated scheduling.
- B. Authority.** The City shall use the CM/GC form of contracting only in accordance with the requirements of these rules. See particularly, PCC Section 5.34.820 on "Use of Alternative Contracting Methods".
- C. Selection.** CM/GC selection criteria may include those factors set forth above in PCC Section 5.34.840 B.2.
- D. Basis for Payment.** The CM/GC process adds specified Construction Manager Personal Services to traditional General Contractor Work, requiring full Contract performance within a negotiated Guaranteed Maximum Price (GMP). The basis for payment is reimbursable direct costs as defined under the Contract, plus a fee constituting full payment for Work and Personal Services rendered, which together shall not exceed the GMP. See GMP definition at PCC Section 5.34.810 G. and Pricing Mechanisms in PCC Section 5.34.860.
- E. Contract Requirements.** Contracting Agencies shall conform their CM/GC contracting practices to the following requirements:
1. **Setting the GMP.** The GMP shall be set at an identified time consistent with industry practice, after supporting information reasonably considered necessary to its use has been developed, and the supporting information shall define with particularity both what is included and excluded from the GMP. A set of drawings and Specifications shall be produced establishing the GMP Scope.
 2. **Adjustments to the GMP.** The Contract shall clearly identify the standards or factors under which changes or additional Work will be considered outside of the Work Scope that warrants an increase in the GMP, as well as criteria for decreasing the GMP. The GMP shall not be increased without a concomitant increase to the Scope defined at the establishment of the GMP or most recent GMP amendment.

TITLE 5

REVENUE AND FINANCE

3. Cost Savings. The Contract shall clearly identify the disposition of any cost savings resulting from completion of the Work below the GMP; that is, under what circumstances, if any, the CM/GC might share in those cost savings, or whether they accrue only to the City's benefit. (Note that unless there is a clearly articulated reason for sharing such cost savings, they should accrue to the City .)
4. Cost Reimbursement. The Contract shall clearly identify what items or categories of items are eligible for cost reimbursement within the GMP, including any category of "General Conditions" (a general grouping of direct costs that are not separately invoiced, subcontracted or included within either overhead or fee), and may also incorporate a mutually-agreeable cost-reimbursement standard.
5. Audit. Cost reimbursements shall be made subject to final audit adjustment, and the Contract shall establish an audit process to ensure that Contract costs are allowable, properly allocated and reasonable.
6. Fee. Compensation for the CM/GC's Personal Services and Work shall be paid on the basis of a fee that is inclusive of profit, overhead and all other indirect or non-reimbursable costs. Costs determined to be included within the fee should be expressly defined wherever possible. The fee, first expressed as a proposed percentage of all reimbursable costs, shall be identified during and become an element of the selection process. It shall subsequently be expressed as a fixed amount when the GMP is established.
7. Incentives. The Contract shall clearly identify any economic incentives, the specific criteria that apply and their relationship to other financial elements of the Contract (including the GMP).
8. Controlled Insurance Programs. For projects anticipated to exceed \$75 Million, the Contract shall clearly identify whether an Owner Controlled or Contractor Controlled Insurance Program is anticipated or allowable. If so, the Contract shall clearly identify (1) anticipated cost savings from reduced premiums, claims reductions and other factors, (2) the allocation of cost savings, and (3) safety responsibilities and/or incentives.
9. Early Work. The RFP shall clearly identify, whenever feasible, the circumstances under which any of the following activities may be authorized and undertaken for compensation prior to establishing the GMP:

TITLE 5
REVENUE AND FINANCE

- a. Early Procurement of materials and supplies;
 - b. Early release of Bid packages for such things as site development; and
 - c. Other advance Work related to critical components of the Contract.
- 10. Subcontractor Selection. The Contract shall clearly describe the methods by which the CM/GC shall publicly receive, open and record Bids or price quotations, and competitively select Subcontractors to perform the Contract Work based upon price, as well as the mechanisms by which the City may waive those requirements. The documents shall also describe completely the methods by which the CM/GC and its affiliated or subsidiary entities may compete to perform the Work, including, at a minimum, advance notice to the public of the CM/GC's intent to compete and a public Opening of Bids or quotations by an independent party.
- 11. Subcontractor Approvals and Protests. The Contract shall clearly establish whether the City must approve subcontract Awards, and to what extent, if any, the City will resolve Procurement protests of Subcontractors and suppliers. The related procedures and reporting mechanisms shall be established with certainty, including whether the CM/GC acts as the City's representative in this process and whether the CM/GC's subcontracting records are considered to be public records. In any event, the City shall retain the right to monitor the subcontracting process in order to protect City's interests.
- 12. CM/GC Self-Performance. Whenever feasible, the Contract shall establish the elements of Work the CM/GC may self-perform without competition, including, for example, the Work of the job-site general conditions. In the alternative, the Contract shall include a process for City approval of CM/GC self-performance.
- 13. Socio-Economic Programs. The Contract shall clearly identify conditions relating to any required socio-economic programs (such as Good Faith Efforts and Workforce Training and Hiring), including the manner in which such programs affect the CM/GC's subcontracting requirements, the enforcement mechanisms available, and the respective responsibilities of the CM/GC and City.

5.34.900 Required Contract Clauses.

The City shall include in all formal Solicitations for Public Improvement Contracts all of the ORS Chapter 279C required Contract clauses, as set forth in the checklist contained

TITLE 5

REVENUE AND FINANCE

in PCC Section 5.34.300 regarding Solicitation Documents. The following series of rules provide further guidance regarding particular Public Contract provisions.

5.34.910 Waiver of Delay Damages Against Public Policy.

Any clause in a Public Improvement Contract purporting to waive, release, or extinguish the rights of a Contractor to damages resulting from The City's unreasonable delay in performing the Contract is void and unenforceable, as against public policy. However, Contract provisions requiring notice of delay, providing for alternative dispute resolution such as arbitration (where allowable) or mediation, providing other procedures for settling Contract disputes, or providing for reasonable liquidated damages, are permissible.

5.34.915 BOLI Public Works Bond

Pursuant to ORS 279C.830(3), the specifications for every Public Works Contract shall contain a provision stating that the Contractor and every subcontractor must have a Public Works bond filed with the Construction Contractors Board before starting Work on the project, unless otherwise exempt. This bond is in addition to performance bond and payment bonds requirements.

5.34.920 Retainage.

- A.** Retainage of 5 Percent. The amount to be retained from any given progress payment shall not exceed 5 percent of the payment. If the Contract Work is 50 percent completed and the Work is progressing satisfactorily, the City may, at its discretion, reduce or eliminate the retainage on the remaining progress payments. Any reduction or elimination of retainage shall be allowed only upon Written application of the Contractor, which application shall include Written approval of the Contractor's surety; except that when the Contract Work is 97.5 percent completed, the City may, at its discretion and without application by the Contractor, reduce the retained amount to 100 percent of the value of the Contract Work remaining to be done. Upon receipt of a Written application by the Contractor, the City shall respond in Writing within a reasonable time. If retainage has been reduced or eliminated, the City reserves the right in protecting its interests to reinstate at any time retainage from further progress payments.
- B.** Deposit in Interest-bearing accounts. Upon request of the Contractor, the City shall deposit cash retainage in an interest-bearing account in a bank, savings bank, trust company, or savings association, for the benefit of the City. Earnings on such account shall accrue to the Contractor. The City may determine the account into which the retainage is placed.
- C.** Alternatives to Cash Retainage. In lieu of cash retainage to be held by the City, the Contractor may select one of the following options:

TITLE 5
REVENUE AND FINANCE

1. Deposit of Securities:

- a.** The Contractor may deposit bonds or securities with the City as set forth in PCC Section 5.34.920 B.1.b. or in any bank or trust company to be held for the benefit of the City. In such event, the City shall reduce the retainage in an amount equal to the value of the bonds and securities. This reduction in retainage shall be made in the progress payments made subsequent to the time the Contractor deposits the bonds and securities;
- b.** The value of the bonds and securities shall be determined periodically by the City, in the manner described in PCC Section 5.34.920 B.1.c., and the amount retained on progress payments shall be adjusted accordingly. The bonds and securities deposited by the Contractor shall be fully assigned to the City or be payable to the City on demand and shall be of a character approved by the City Treasurer and in a form approved by the City Attorney including but not limited to the following:

 - (1)** Bills, certificates, notes or bonds of the United States;
 - (2)** Other obligations of the United States or its agencies;
 - (3)** Obligations of any corporation wholly owned by the federal government;
 - (4)** Indebtedness of the Federal National Mortgage Association;
 - (5)** Mature certificates of deposit or savings account passbooks issued by a commercial bank, savings and loan association, or mutual savings bank, duly authorized to do business in Oregon;
 - (6)** Corporation bonds rated A or better by a recognized rating service;
 - (7)** General obligation bonds of the State of Oregon or any political subdivision thereof;
 - (8)** Irrevocable letters of credit from a bank doing business in Oregon.

TITLE 5

REVENUE AND FINANCE

- c. The value of bonds and securities deposited by the Contractor shall be calculated as follows:
 - (1) As to bonds or securities for which the “Bid” and “asked” prices are published on a regular basis in the Wall Street Journal or in the New York Times, the value shall be the average of the “Bid” and “asked” prices for the bonds or securities so published on (or most recently prior to) the date value is determined;
 - (2) As to bonds or securities for which the “Bid” and “asked” prices are not published in the Wall Street Journal or the New York Times, the value shall be either: the average “Bid” price for the bond or security, on the date value is determined, as established by any two nationally recognized government securities dealers (selected by the City in its sole discretion) making a market in such investments; or, the “Bid” price published by a nationally recognized pricing service;
 - (3) As to certificates of deposit and bankers acceptances, the value shall be the face amount thereof, plus accrued interest.
 - d. At the time the City determines that all requirements for the protection of the City’s interest have been fulfilled, all bonds and securities deposited as above provided shall be released to the Contractor.
 - 2. Execution of Escrow Agreement. The Purchasing Agent is authorized to execute any escrow agreement necessary to safeguard deposit of securities with the City subject to approval as to form by the City Attorney.
 - 3. Deposit in Interest-Bearing Accounts. Upon Written request of the Contractor, the City shall deposit any amounts withheld as retainage in an interest-bearing account in a bank, savings bank, trust company or savings association for the benefit of the City. Earnings on such account shall accrue to the Contractor but the interest shall remain in the account until the City authorizes its release. The account shall be established through the City Treasurer.
- D. Recovery of Costs. If the City incurs additional costs as a result of the exercise of any of the options for retainage, the City may recover such costs from the Contractor by reduction of the final payment. As Work on the Contract

progresses, the City shall, upon request, inform the Contractor of all accrued costs.

- E.** Additional Retainage When Certified Payroll Statements not Filed. Pursuant to ORS 279C.845(7), if a Contractor is required to file certified payroll statements and fails to do so, the City shall retain 25 percent of any amount earned by the Contractor on a Public Works Contract until the Contractor has filed such statements with the City. The City shall pay the Contractor the amount retained under this provision within 14 days after the Contractor files the certified statements, regardless of whether a subcontractor has filed such statements.

5.34.930 Fair Contracting and Employment Programs.

From time to time, the City may adopt programs designed to promote competition, enhance economic opportunity and stimulate hiring among all of Portland's citizens. When such programs are adopted, they shall be included or sufficiently referenced in the Solicitation and Contract Documents so that Persons desiring to enter into Contracts with the City are aware of their requirements.

5.34.940 Public Works Contracts.

- A. Required Contract Conditions.** Every Public Works Contract must contain the following provisions:
- 1.** City authority to pay certain unpaid claims and charge such amounts to Contractors, as set forth in ORS 279C.515A.
 - 2.** Maximum hours of labor and overtime, as set forth in ORS 279C.520(1).

- B. Requirements for Specifications.** The Specifications for every Public Works Contract, consisting of the procurement package (such as the Project Manual, Bid or Proposal Booklets, Request for Quotations or similar Procurement Specifications), must contain the following provisions:

TITLE 5

REVENUE AND FINANCE

1. The prevailing state rate of wage, as required by ORS 279C.830(1), physically contained within or attached to hard copies of Procurement Specifications, and by a downloadable direct link to the specific wage rates that apply to the project (either on the City web site or the BOLI web site) when Procurement Specifications are also made available in Electronic format;
2. If applicable, the federal prevailing rate of wage and information concerning whether the state or federal rate is higher in each trade or occupation in each locality, as determined by BOLI in a separate publication.
3. Reference to payment of fee to BOLI, as required by ORS 279C.830(2).

5.34.950 City Payment for Unpaid Labor or Supplies.

- A. **Contract incomplete.** If the Contract is still in force, the City may, in accordance with ORS 279C.515(1), pay a valid claim to the Person furnishing the labor or services, and charge the amount against payments due or to become due to the Contractor under the Contract. If the City chooses to make such a payment as provided in ORS 279C.515(1), the Contractor and the Contractor's surety shall not be relieved from liability for unpaid claims.
- B. **Contract completed.** If the Contract has been completed and all funds disbursed to the prime Contractor, all claims shall be referred to the Contractor's surety for resolution. The City shall not make payments to Subcontractors or suppliers for Work already paid for by the City.

- A. Contractors and Subcontractors shall maintain all fiscal records relating to a Contract executed with the City in accordance with generally accepted accounting principles. In addition, Contractors and Subcontractors shall maintain any other records necessary to clearly document:
 1. Their performance. Performance includes, but is not limited to, compliance with plans and Specifications, compliance with fair contracting and employment programs, compliance with Oregon law on payment of wages and accelerated payment provisions, and any and all requirements imposed on the Contractor or Subcontractor under the Contract or subcontract;

TITLE 5
REVENUE AND FINANCE

2. Any claims arising from or relating to their performance under a Public Contract;
 3. Any cost and pricing data; and,
 4. Payment to suppliers and Subcontractors.
- B.** Such records shall be maintained for a period of six years from the date of final completion of the Contract or until the conclusion of any audit, controversy or litigation arising out of or related to a Contract, whichever is longer, unless a shorter period of time is authorized in Writing by the City.
- C.** Contractors and Subcontractors shall make all their records available to the City within the boundaries of the City of Portland, Oregon, at reasonable times and places regardless of whether litigation has been filed on any claims. If the records are not made available within the boundaries of the City, the Contractor or Subcontractor shall pay all costs for City employees, and any necessary consultants hired by the City, including travel, per diem costs, salary, and any other expenses incurred by City in sending its employees or consultants to examine, audit, inspect, and copy those records. If the Contractor elects to have such records outside these boundaries, the costs paid by the Contractor to the City for inspection, auditing, examining and copying those records are not recoverable costs in any legal proceeding.
- D.** The City and its Authorized Representatives shall be entitled to inspect, examine, copy and audit the books and records of any Contractor or Subcontractor upon request by the City for any reason, including any documents that may be placed in escrow according to any Contract requirements. The records that may be inspected and copied include financial documents of the Contractor, including tax returns and financial statements. The City will keep such documents confidential to the extent permitted by Oregon law, subject to PCC Section 5.34.960 E. below.
- E.** Contractors and Subcontractors agree to disclose the records requested by the City and agree to their admission as evidence in any proceeding between the parties, including, but not limited to a court proceeding, arbitration, mediation or other alternative dispute resolution process.
- F.** In the event that the records disclose that the City is owed money or establishes that any portion of any claim made against the City is not warranted, the Contractor or Subcontractor shall pay all costs incurred by the City in conducting the audit and inspection. Such costs may be withheld from any sum due or that becomes due to the Contractor by the City.

TITLE 5
REVENUE AND FINANCE

- G.** Failure of the Contractor or Subcontractor to keep or disclose records as required may result in a finding that the Contractor or Subcontractor is not a Responsible Bidder or Proposer as provided in PCC Section 5.34.610 B.

5.34.970 Right to Inspect Plant or Place of Business.

- A.** Time for Inspection. The City may, at reasonable times, inspect the part of the plant or place of business of a Contractor or any Subcontractor or supplier which is related to the performance of any Contract Awarded.
- B.** Access to Plant or Place of Business. As a condition of submitting an Offer, Offerors agree that representatives of the City may enter a Contractor's or Subcontractor's or supplier's plant, place of business, work site or construction site during normal business hours for the following purposes:
- 1.** To inspect and/or test supplies or services for acceptance by the City pursuant to the terms of the Bid or Proposal;
 - 2.** To investigate in connection with an Offer's Offer, a minority business or EEO certification, or Offeror qualification.
 - 3.** To inspect for compliance with City programs required by the Solicitation Document.
 - 4.** To inspect for Contract compliance.
- C.** Contractual Provisions. Contracts may provide that the City may inspect supplies and services at the Contractor's or Subcontractor's or supplier's office or facility and perform tests to determine whether they conform to the Solicitation Document, or, after Award, to the Contract requirements, and are acceptable. Such inspections and tests shall be conducted in accordance with the terms of the Contract.
- D.** Procedures for Inspection, Trial Use and Testing. The City may establish operational procedures governing the inspection, testing and trial use of equipment, materials and the application of resulting information and data to Specifications or Procurements.
- E.** Conduct of Inspections and Tests:
- 1.** Inspectors and testers. Inspections or tests shall be performed so as not to unduly delay the Work of the Contractor or Subcontractor. No change of any provision of the Specifications or the Contract may be required by the inspector or tester without Written authorization of the City, unless

otherwise specified in the Solicitation Document. The presence or absence of an inspector or tester shall not relieve the Contractor or Subcontractor from any requirement of the Contract;

2. Location. When an inspection is made in the plant or place of business of a Contractor or Subcontractor, such Contractor or Subcontractor shall provide without charge all reasonable facilities and assistance for the safety and convenience of the inspector or tester;
3. Time of inspection or testing. Inspection or testing of supplies and services performed at the plant or place of business of any Contractor or Subcontractor shall be performed at reasonable times during normal business hours.

5.34.980 Contract Cancellation, Contractor Termination Procedures.

- A. Grounds for Cancellation or Termination. The City may, at its option, cancel a Contract or terminate the Contractor's performance, if cancellation or termination is in the best interest of the City; or, for any material violation of the provisions of the Contract. Such provisions generally include, but are not limited to:
 1. Standard terms and conditions included in Contracts;
 2. Product or service Specifications;
 3. Delivery or completion requirements; or
 4. Contracted pricing and price escalation/de-escalation clauses.
- B. The City and the Contractor may cancel the Contract at any time by mutual Written agreement.
- C. Termination For Convenience.
 1. Reasons for Termination. The City may, in its sole discretion, by a Written order or upon Written request from the Contractor, cancel the Contract or a portion thereof if any of the following occur:
 - a. The Contractor is prevented from completing the Work for reasons beyond the control of the City; or
 - b. The Contractor is prevented from completing the Work for reasons beyond the control of the Contractor; or

TITLE 5
REVENUE AND FINANCE

- c. For any reason considered by the City to be in the public interest, other than a labor dispute or any third party judicial proceeding relating to the Work filed in regards to a labor dispute. These reasons may include, but are not limited to, non-availability of materials, phenomena of nature of catastrophic proportions or intensity, executive orders of the President related to national defense, congressional, state or local acts related to funding; or
 - d. Any third party judicial proceeding relating to the Work other than a suit or action filed in regards to a labor dispute; or
 - e. If the circumstances or conditions are such that it is impracticable within a reasonable time to proceed with a substantial portion of a public improvement.
- D. **Payment When Contract is Canceled.** When the Contract, or any portion thereof, is canceled before completion of all items of Work in the Contract, payment shall be made, based on the Contract price, for the actual items of Work completed under the Contract, or by mutual agreement, for items of Work partially completed. No claim for loss of anticipated profits or overhead shall be allowed;
- E. **Responsibility for Completed Work if Contract Canceled.** Cancellation of a Contract or a portion thereof shall not relieve the Contractor of responsibility for the Work completed, nor shall it relieve the surety of its obligation for any just claims arising from the Work performed.
- F. **Termination of the Contractor's Performance for Default.**
 - 1. **Declaration of Default.** The City may, after giving the Contractor and its surety seven (7) Days Written notice and an opportunity to cure deficient performance, terminate the Contractor's performance for any reasonable cause, including but not limited to those set forth in PCC Sections 5.34.980 F.1.a. to g. Upon such termination, the City may immediately take possession of the premises and of all materials, tools and appliances thereon as well as all other materials, whether on the premises or not, on which the Contractor has received partial payment. The City may finish the Work by whatever method it may deem expedient;
 - a. If the Contractor should repeatedly refuse or fail to supply an adequate number of skilled workers or proper materials to carry on the Work as required by the Contract documents, or otherwise fail to pursue the Work in a timely manner; or

TITLE 5

REVENUE AND FINANCE

- b. If the Contractor should repeatedly fail to make prompt payment to Subcontractors or for material or labor; or
 - c. If permitted by law, if the Contractor should voluntarily or involuntarily seek protection under the United States Bankruptcy Code and its Debtor in Possession or Trustee for the estate fails to assume the Contract within a reasonable time, or as provided by the Bankruptcy Court; or
 - d. If the Contractor should make a general assignment for the benefit of the Contractor's creditors; or
 - e. If a receiver should be appointed on account of the Contractor's insolvency; or
 - f. If the Contractor is otherwise in material breach of any part of the Contract; or
 - g. If the Contractor should disregard laws, rules, or the instructions of the City or its Authorized Representative.
 2. Required Response to Declaration of Default. If a default is declared and the Contractor's performance terminated, the Contractor or the surety shall provide the City with immediate and peaceful possession of all of the materials, tools and appliances located on the premises, as well as all other materials whether on the premises or not, on which the Contractor has received any progress payment. Further, the Contractor shall not be entitled to receive any further payment until the Work is completed. On the completion of the Work, the City shall determine the total amount of compensation the Contractor would have been entitled to receive for the Work, under the terms of the Contract, had the Contractor completed the Work. If the difference between this total amount and the sum of all amounts previously paid to the Contractor, (the unpaid balance) exceeds the expense incurred by the City in completing the Work, including expense for additional managerial and administrative services, such excess will be paid to the Contractor, with the consent of the surety;
 3. Expense of Completion. The expense incurred by the City shall be as determined and certified by the City;
- G. Refusal to Perform. In addition to and apart from the above-mentioned right of the City to terminate the Contractor's performance, the Contract may be canceled by the City for any willful failure or refusal on the part of the Contractor and its surety to perform faithfully the Contract according to all of its terms and

TITLE 5

REVENUE AND FINANCE

conditions; however, in such event neither the Contractor nor the surety shall be relieved from damages or losses suffered by the City on account of the Contractor's breach of Contract;

- H.** Remedies Cumulative. The City may, at its discretion, avail itself of any or all of the above rights or remedies and invoke anyone of the above rights or remedies without prejudice and without precluding the City from subsequently invoking any other right or remedy set forth above, or in the Contract, or available at law or in equity;
- I.** Notice. The City shall provide the Contractor Written notice of the grounds for Contract cancellation or Contractor termination and of its intention to cancel the Contract or terminate the Contractor's performance. If the Contractor provided a performance and payment bond, the surety shall also be provided with a copy of the notice of Contract cancellation or Contractor termination. The notice shall include:
 - 1.** The effective date of the intended cancellation or termination,
 - 2.** The grounds for cancellation or termination, and
 - 3.** Notice of the amount of time (if any) in which the City shall permit the Contractor to correct the failure to perform.
- J.** The Contract documents may provide Contract cancellation or Contractor termination procedures that are different from, or in addition to, those provided in PCC Section 5.34.980. If a Contract contains a cancellation or termination clause, that clause rather than PCC Section 5.34.980 shall determine the respective rights and responsibilities of the parties in the event of cancellation or termination.
