EMERGENCY CODE

(New Chapter substituted by
Ordinance No. 172303, effective
May 27, 1998.)

Sections:

- 15.04.010 Title.
- 15.04.020 Purpose.
- 15.04.030 Definitions.
- 15.04.040 Declaration of State of Emergency.

15.04.010 Title.

This title shall be known as the "Emergency Code."

15.04.020 Purpose.

The purpose of this Code is to provide for regulations which set forth the responsibilities of the City in the event an emergency or disaster exists within the City. The regulations are intended to reduce the vulnerability of the City to loss of life, injury to persons or property and human suffering and financial loss resulting from emergencies and to assign authority and responsibilities to various City bureaus. The State has assigned the responsibility for responding to emergencies and disasters to local governments.

15.04.030 Definitions.

(Amended by Ordinance No. 178616, effective July 21, 2004.)

- A. "Disaster" means an occurrence or imminent threat of widespread or severe damage, injury, or loss of life or property resulting from any natural, technological or human caused event including fire, flood, earthquake, windstorm, wave action, oil spill or other contamination, radioactive incident, epidemic, air contamination, blight, drought, infestation, explosion, riot, hostile or paramilitary action, or structural failure of a dam, building or infrastructure, or other public calamity requiring emergency action.
- B. "Emergency" means any human caused, technological or natural event or circumstance causing or threatening: loss of life, injury to persons or property, human suffering or financial loss including but not limited to fire, explosion, flood, severe weather, drought, earthquake, volcanic activity, spills or releases of petroleum products or other hazardous material, contamination, utility or transportation emergencies, disease, blight, infestation, unmanageable crisis influx of migrants, civil disturbance, riot, sabotage and war.

TITLE 15
EMERGENCY CODE

- C.** "State of Emergency" means a situation which involves an emergency or a disaster.
- D.** "Incident Commander" means the person in command of an incident response according to the Incident Command System.

15.04.040 Declaration of State of Emergency.

(Amended by Ordinance No. 178616, effective July 21, 2004.)

- A.** A state of emergency exists when:
 - 1.** The situation requires a coordinated response beyond that which occurs routinely;
 - 2.** The required response is not achievable solely with the added resources acquired through mutual aid or cooperative assistance agreements; and
 - 3.** The Mayor or other City official, as provided in Portland City Code Section 15.08.010, has declared that a state of emergency or disaster exists by proclamation.
- B.** The declaration shall be in writing, shall designate the geographic boundaries of the area in which the state of emergency exists, and shall fix the duration of time in which the state of emergency shall exist. The initial duration shall not exceed a two-week period, but may be extended in two-week increments.
- C.** The Mayor shall have the power to request the Governor to declare a state of emergency or disaster within the City. The request must be submitted by the Mayor through the governing body of Multnomah County.
- D.** The Mayor shall terminate the state of emergency by proclamation when the emergency no longer exists or when the threat of an emergency has passed, and if the Governor has declared a state of emergency, shall ask the Governor to terminate the declaration.
