

## ORDINANCE No. 183898

Amend contract with CMTS Inc. to add contractual spending authority to provide qualified temporary personnel (Ordinance; amend Contract No. 30000423)

The City of Portland ordains:

Section 1. The Council finds:

1. The Bureau of Transportation entered into a 3-year flexible services contract with contractor CMTS Inc. to provide qualified temporary Inspection and Engineering Technician personnel during peak seasonal workload demands.
2. The original contract with a not-to-exceed amount of \$500,000 is scheduled to expire on May 15, 2012. An amendment to increase the spending authority by \$125,000 was approved in May 2010. Funding is anticipated to expire in July 2010 based on current estimated workloads.
3. A contractual spending increase of \$1,000,000 is needed based on expected workloads to allow for temporary personnel to be utilized for the remaining two years of the contract ending May 15, 2012.
4. Services will be paid for by various externally funded projects.
5. The Bureau's level of confidence in the cost estimates for this project is optimal.

NOW, THEREFORE, the Council directs:

- a. That the Commissioner-in-Charge and the Auditor are authorized to execute the proposed amendment with CMTS Inc., substantially in accordance with the amendment attached to the original of this ordinance and, by reference, made a part hereof.
