An Ordinance amending the Compensation Plan of the City of Portland to adjust the salary rate for Classification No. 5257, Management Support Services Officer in the Bureau of Fire, effective February 24, 1978, and declaring an emergency.

The City of Portland ordains:

Section 1. The Council finds:

1. That classification specifications for the Management Support Services Officer position have been revised;
2. That the changed specifications warrant an adjustment in the salary rate for the position;
3. That the Bureau of Personnel Services has recommended, and the Bureau of Fire concurs in the recommendation, a salary rate for the position of \$26,790 at entrance and \$29,245 after the first year.
4. That an additional appropriation is not required.

NOW, THEREFORE, the Council directs:

- a. The following salary rate is established for Position Job Class No. 5257 in the current Compensation Plan:

<u>Position Classification Title</u>	<u>Entrance Rate</u>	<u>After 1 Yr.</u>
Management Support Services Officer	\$12.88	\$14.06

- b. The following salary rate for Classification No. 5257 is abolished:

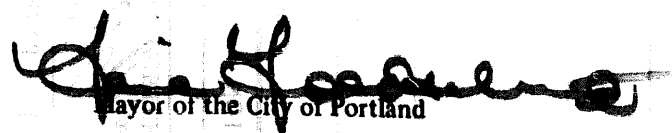

<u>Position Classification Title</u>	<u>Entrance Rate</u>
Management Support Services Officer	\$14.35 (Flat Rate)

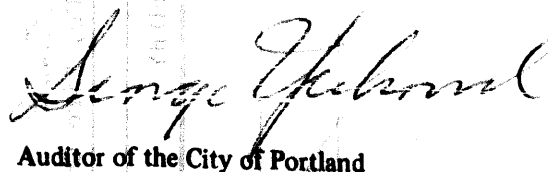

Section 2. The Council declares that an emergency exists because the rates being created are required immediately in order that the functions of the Bureau of Fire may be carried out without delay; therefore, this Ordinance shall be in force and effect from and after its passage by the Council.
