direct the member to answer the question. When a collective bargaining agreement is not applicable and does not specify that a member may only be interviewed by a police officer, then the Director shall ask the member the question directly and/or direct the member to answer the question.

The Director shall provide the IAD commander and the Police Chief with a report on the investigation, and present the IPR investigation to the RU manager for preparation of findings and proposed discipline. At the completion of the investigation and any appeal process the records of the investigation shall be transferred to the IAD offices for retention.

3. Referral. IPR may refer a complaint regarding quality of service or other rule violations that likely would not result in discipline according to the Bureau. The Director may refer the complainant to another bureau in the City or another agency that would be more appropriate to address the complaint.
4. Dismissal. If IPR declines to take action on the complaint, IPR will send a dismissal letter to the complainant. IPR will also notify the involved officer(s) and involved commanding officer within 30 calendar days of the dismissal. The Director may dismiss the complaint for the following reasons:
 - a. the complainant could reasonably be expected to use, or is using, another remedy or channel or tort claim for the grievance stated in the complaint;
 - b. the complainant delayed too long in filing the complaint to justify present examination;
 - c. even if all aspects of the complaint were true, no act of misconduct would have occurred;
 - d. the complaint is trivial, frivolous or not made in good faith;
 - e. other complaints must take precedence due to limited public resources;
 - f. the complainant withdraws the complaint or fails to complete necessary complaint steps.
 - g. it is more likely than not that additional investigation would not lead to a conclusion that the officer engaged in misconduct.

D. Initial Handling and Investigation of Type II Complaints

1. If a Type II complaint is filed with IPR, IPR will gather information about the complaint and make a case handling decision. When appropriate, IPR will assign an IPR/IAD case number. Before disposing of a complaint of alleged misconduct or initiating an investigation, IPR shall notify the Bureau in writing how it intends to process the complaint and whether it intends to refer the case to the Bureau/IAD to conduct an investigation or conduct an independent investigation as set forth below. IPR will make an entry regarding the allegations in the Administrative Investigation Management (AIM) or other appropriate database which can be reviewed by the IPR Director.
2. If a Type II complaint is filed within the Bureau, Bureau/IAD staff will create an intake worksheet and assign an IPR/IAD case number for use by IAD. Before disposing of a complaint of alleged misconduct or initiating an investigation, the Bureau/IAD shall notify the Director in writing how it intends to process each complaint and whether it intends to conduct an internal investigation. In addition, the Bureau/IAD will make an entry regarding the allegations in the Administrative Investigation Management (AIM) database or other appropriate database which can be reviewed by the IPR Director.
3. Bureau/IAD Investigation. If the Type II complaint is filed with IPR, the IPR shall gather information from the complainant and forward it to the Bureau/IAD. The IPR shall monitor the on-going investigation. The Director may determine that a Bureau/IAD investigation should also involve IPR personnel. When forwarding the complaint to the Bureau/IAD, the Director shall notify the Bureau/IAD Commander of the extent that IPR personnel must be included in the investigation. Bureau/IAD personnel shall schedule interviews and other investigative activities to ensure that IPR personnel can attend and participate.

When a collective bargaining agreement is applicable and specifies that a member may only be interviewed by a police officer, IPR personnel shall direct questions through the IAD investigator. The IAD investigator may repeat the question to the member and/or direct the member to answer the question. When a collective bargaining agreement is not applicable and does not specify that a member may only be interviewed by a police officer, then the Director shall ask the member the question directly and/or direct the member to answer the question.

IPR personnel shall have an opportunity to review and comment on draft reports regarding a Bureau/IAD investigation to ensure accuracy,

TITLE 3

ADMINISTRATION

thoroughness, and fairness. The investigation can not be closed or sent to the RU manager without IPR's determination that the investigation is complete.

To facilitate review, IAD shall tape record all interviews with witnesses, including members of the Bureau, conducted during an IAD investigation and shall make those tapes, or accurate copies, available during a review of an IAD investigation.

In carrying out its functions, the IPR may visit IAD offices, examine documents, reports and files and take such other actions as the Director deems necessary and consistent with the purposes of this Chapter. To maintain the security of IAD documents, reports or files, the Chief may require that the examinations be conducted in the IAD offices.

4. IPR independent investigation. The IPR Director or designee may determine that IPR should investigate a complaint. If the Director concludes that IAD has not done an adequate job investigating complaints against a particular member, the Director may determine that IPR should investigate a complaint against the member. If the Director concludes that IAD has not done an adequate job investigating a particular category of complaints, the Director may determine that IPR should investigate a complaint or complaints falling in that category. If the Director concludes that IAD has not completed its investigations in a timely manner, the Director may determine that IPR should investigate some complaints. The Director may conduct an independent investigation based on the Director's discretion that it is warranted. The Director may conduct an independent investigation whether or not the alleged misconduct involves an encounter with a community member.

IPR investigations shall be conducted in conformance with legal and collective bargaining provisions. When a collective bargaining agreement is applicable and specifies that a member may only be interviewed by a police officer, the Director shall notify the Bureau/IAD commander that IPR has undertaken an investigation and the reason. The Bureau/IAD commander shall appoint a liaison investigator from that office within two working days to arrange and participate in interviews. When members represented by a collective bargaining unit are being interviewed by IPR personnel, the IAD investigator may repeat the question and/or direct the member to answer the question. When a collective bargaining agreement is not applicable and does not specify that a member may only be interviewed by a police officer, then the Director shall ask the member the question directly and/or direct the member to answer the question.

The Director shall provide the IAD commander and the Police Chief with a report on the investigation, and present the IPR investigation to the RU manager for preparation of findings and proposed discipline. At the

completion of the investigation the records of the investigation shall be transferred to the IAD offices for retention.

5. Referral. IPR may refer a complaint regarding quality of service or other rule violations that likely would not result in discipline according to the Bureau. The Director may refer the complainant to another bureau in the City or another agency that would be more appropriate to address the complaint.

E. Initial Handling and Investigation of Type III Complaints

Upon opening a Type III IPR initiated complaint investigation. IPR staff will create an intake worksheet and assign an IPR/IAD case number. If a Type III case involves alleged member misconduct during an encounter involving a community member, the case will be handled following the same procedures as a Type I complaint. If a Type III case involves alleged member misconduct that does not occur during an encounter involving a community member, the case will be handled following the same procedures as a Type II complaint.

F. Initial Handling and Investigation of Type IV Complaints

RU managers are responsible for intake and investigation of allegations of Type IV cases. The RU manager will provide the IPR Director a summary of the complaint and a summary of any subsequent investigation of a sworn member. The IPR Director may refer the matter to IAD for further investigation, conduct additional investigation, or controvert the RU manager's recommendations and compel review by the Police Review Board after receiving the completed investigation.

When an investigation of any type of complaint is conducted by IAD or other designated PPB division, after the investigation is complete, IAD will provide the IPR Director or designee with a copy of and provide unrestricted access to the entire investigation file. Upon review of the file, the Director or designee must determine whether or not the investigation is adequate, considering such factors as thoroughness, lack of bias, objectivity, and completeness. If the Director or designee determines that the investigation is not adequate, the investigation shall be returned to the IAD or other designated division within the Bureau explaining the determination and providing direction. Such direction shall include, but not limited to, rewriting portions of the summary, gathering additional evidence, conducting additional interviews, or re-interviewing officers or civilians. After receipt of the recommended findings and proposed discipline, the supervising Assistant Chief, the Director or the Captain of IAD may controvert the RU Manager's recommended findings and/or proposed discipline.
3. Police Review Board meeting. If the recommended findings and/or proposed discipline are controverted, the Bureau shall schedule a Police Review Board meeting on the complaint. As specified in Code Section 3.20.140, the Police Review Board shall also hold a meeting for review of a case if it involves an officer-involved shooting, physical injury caused by an officer that requires hospitalization, an in-custody death, a less lethal incident where the recommended finding is "out of policy" or if the investigation resulted in a recommended sustained finding and the proposed discipline is suspension without pay or greater.

Whenever an inspection is necessary to enforce any of the provisions authorized by this Title, or whenever the Director has reasonable cause to believe that there exists in any building or upon any property any condition which makes such property substandard as defined in any building regulations, the Director may request any Circuit Court judge to issue an inspection warrant for the inspection or investigation of any building or upon any property as required or authorized by city code or by statute. The inspection warrant is an order authorizing a safety or health inspection or investigation to be conducted at a designated building or property.
- C.** Grounds for Issuance of Inspection Warrants; Affidavit.
 - 1.** Affidavit. An inspection warrant shall be issued only upon cause, supported by affidavit, particularly describing the applicant's status in

In addition, the affidavit shall contain either a statement that entry has been sought and refused or facts or circumstances reasonably showing that the purposes of the inspection or investigation might be frustrated if entry were sought without an inspection warrant.

2. Cause. Cause shall be deemed to exist if reasonable legislative or administrative standards for conducting a routine, periodic or area inspection are satisfied with respect to any building or upon any property, or there is cause to believe that a condition of nonconformity with any building regulations exists with respect to the designated property, or an investigation is reasonably believed to be necessary in order to discover or verify the condition of the property for conformity with any building regulations.

D. Procedure for Issuance of Inspection Warrant.

1. Examination. Before issuing an inspection warrant, the judge may examine the applicant and any other witness under oath and shall be satisfied of the existence of grounds for granting such application.
2. Issuance. If the judge is satisfied that cause for the inspection or investigation exists and that the other requirements for granting the application are satisfied, the judge shall issue the warrant, particularly the person or persons authorized to execute the warrant, the property to be entered, and the purpose of the inspection or investigation. The warrant shall contain a direction that it be executed on any day of the week between the hours of 8:00 a.m. and 6:00 p.m., or where the judge has specially determined upon a showing that it cannot be effectively executed between those hours, that it be executed at any other time of the day or night.

E. Execution of Inspection Warrants.

1. Occupied Property. Except as provided in subsection 2. of this section, in executing an inspection warrant, the person authorized to execute the warrant shall, before entry into the occupied premises, make a reasonable effort to present the person's credentials, authority and purpose to an occupant or person in possession of the property designated in the warrant and show the occupant or person in possession of the property the warrant or a copy thereof upon request.

TITLE 3

2. **Unoccupied Property.** In executing an inspection warrant on unoccupied property, the person authorized to execute the warrant need not inform anyone of the person's authority and purpose, as prescribed in subsection 1. of this section, but may promptly enter the designated property if it is at the time unoccupied or not in the possession of any person or at the time reasonably believed to be in such condition. In such case a copy of the search warrant shall be conspicuously posted on the property.
3. **Police Assistance.** In issuing an inspection warrant, the judge may authorize any peace officer, as defined in Oregon Revised Statutes, to enter the described property to remove any person or obstacle and assist the building inspector or representative of the bureau inspecting the property in any way necessary to complete the inspection.
4. **Return.** An inspection warrant must be executed within 10 working days of its issue and returned to the judge by whom it was issued within 5 working days from its date of execution, unless such judge before the expiration of such time extends the time for five days. - B. Contracts with EEO Employers.** The City has a compelling governmental interest to ensure that it is neither an active nor passive participant in legally prohibited discrimination. Therefore, the City will award contracts only to EEO Employers and will require that any subcontract to such contract be awarded to an EEO Employer. Any person, vendor, contractor, or entity of any type must be certified as an EEO Employer in order to be eligible to be awarded any contract from the City, unless the amount of all their contracts with the City total less than \$2,500 in any single fiscal year or unless the contractor has been exempted from such requirements as determined by the Bureau of Purchases. As used in the Code provisions regarding EEO Employers, the term “contractor” shall include all persons, contractors, vendors and entities who are required to obtain certification. In addition, all persons, vendors or entities that wish to be subcontractors on City awarded contracts shall be certified as EEO Employers unless the total of their subcontracts is less than \$2,500 in any single fiscal year or unless the subcontractor has been exempted from such requirements as determined by the Bureau of Purchases.
- C. Contracts Voidable.** Any contract between the City and a contractor who is not EEO certified or exempt from EEO certification requirements is voidable at the option of the City, regardless of whether the contractor was EEO certified when

the contract was awarded or executed. Similarly, a contract is voidable if the contractor subcontracts a portion of the work to a subcontractor or supplier that is not EEO certified or exempt from EEO certification requirements.

The purpose of the Compliance Review is to determine whether an EEO Certification should be revoked or suspended or whether a request for certification or recertification should be denied.

3.100.045 Denial, Suspension, Revocation

(Added by Ordinance No. 171418, effective July 23, 1997)

- A. Actions by Bureau. The Bureau may deny, suspend or revoke an EEO certification of the contractor or subcontractor if:

Underutilization determinations shall be based on federal Title VII standards including the “Four-Fifths Rule” and “Manifest Imbalance” concepts;

- E.** If no appeal is taken as provided in Subsection D of this Section, or upon final adjudication, the county officials having possession of the assessment and tax rolls shall correct the rolls in the manner provided for omitted property under ORS 311.207 to 311.213, to provide for the assessment and taxation of any value not included in the valuation of the property during the period of exemption prior to termination by the Council or by a court, in accordance with the findings of the Council or the court as the assessment year in which the exemption is to terminate. The County Assessor shall make the valuation of the property necessary to permit correction of the rolls, and the owner may appeal the valuation in the manner provided under ORS 311.207 to 311.213. Where there has been a failure to comply, as provided in Subsection A of this Section, the property shall be revalued beginning July 1 of the calendar year in which the non-compliance first occurred. Any additional taxes becoming due shall be payable without interest if paid in the period prior to the 16th day of the months next following the month of correction. If not paid within such period, the additional taxes shall thereafter be considered delinquent on the date they would normally have become delinquent if the time extended on the roll or rolls in the year or years for which the correction was made.

3.102.030 Review of Application.

(Amended by Ordinance Nos. 170667, 171887, 176786, 179685 and 182671, effective May 15, 2009.)

- A. Within 90 days after receipt of a completed application and payment of all appropriate fees, the Portland Development Commission shall approve application if it finds that the property is an eligible property according to the provisions of Section 3.102.010 D. and the application meets all the requirements of this Chapter. Written notice of approval shall be sent to the applicant at his or her last known address within 10 days of approval. In the case of a residential structure to be rehabilitated, the written notice shall verify the structure's noncompliance and specify what rehabilitation improvements must be completed in order that the property be in substantial compliance.
- B. For newly constructed single-unit housing or owner-occupied single unit housing to be rehabilitated, the Portland Development Commission shall determine whether the property location is within a homebuyer opportunity area at the time of application. The Portland Development Commission may approve an application for limited property tax exemption for an eligible structure constructed prior to July 1, 2015 or rehabilitated prior to July 1, 2008 within a homebuyer

opportunity area. Construction or rehabilitation must begin while the area is designated as a homebuyer opportunity area in order to qualify.

1. The Portland Development Commission shall also determine that the new single-unit housing will have a market value, including the cost of the land, of no more than 120 percent of the median sales price of single family homes located within the city. Such price shall be determined by the Bureau of Planning and Sustainability as provided by Section 3.102.090 D.
 2. The issuance of building permits shall indicate compliance with the Code of the City of Portland and shall be sufficient to meet the public benefits and design standards as described in ORS 458.010 (4)(b)(c). All other required city reviews that are applicable shall not be waived as part of an application for property tax exemption.
 3. The approval shall be in the form of a resolution that shall contain the owner's name and address, a description of the property or the assessor's property account number and the specific conditions upon which the approval of the application is based. The resolution shall direct the County Assessor to exempt the structure from ad valorem taxes as provided in Section 3.102.060 C., pending approval of the certificate of qualification by the Portland Development Commission as provided in Section 3.102.050. A single resolution listing all approved properties and submitted annually for Council consideration before each upcoming tax year shall be sufficient to meet this requirement.
- C. If the application is denied, the Portland Development Commission shall state in writing the reasons for denial, and send it to the applicant within 10 days of denial. An applicant may appeal the denial to the City Council within 30 days after receipt of notice of denial.

3.102.040 Affordability Agreement.

(Amended by Ordinance No. 171977, effective February 4, 1998.)

- A. Designated units shall be occupied by and rented at rates affordable to tenants with household income of 60% of median family income or less. At least 20% of the units in a project containing five or more units, 100% of the units in case of a single family house, 50% of the units in a duplex, 30% of the units in a triplex, and 25% of the units in a fourplex shall be affordable. The applicable median

TITLE 3 ADMINISTRATION

incomes and monthly rental rates are determined annually by the Portland Development Commission based on data annually reported by the U.S. Department of Housing and Urban Development.

- B.** The Affordability Agreement shall require the applicant to report annually to the Portland Development Commission the property's occupancy information, rental rates, and related property information which is deemed necessary to monitor compliance during the period of limited property tax assessment. Annual reports are to be filed with the Portland Development Commission no later than 60 days following the end of the fiscal year used by the owner for the purpose of reporting federal income tax.
- C.** At the Portland Development Commission's option, the Affordability Agreement may be recorded or secured by a covenant against the property receiving limited property tax assessment. The benefit of this limited property tax assessment may be transferred to a new property owner for the remaining term of the limited assessment provided the new owner executes a new Affordability Agreement with the Portland Development Commission.
- D.** Should the applicant receive other City of Portland funds or benefits requiring a similar Affordability agreement, the more restrictive agreement shall be used to determine compliance with this ordinance.

3.102.050 Certificate of Qualification.

(Amended by Ordinance Nos. 164769, 170667, 171977, 176786 and 179685, effective November 18, 2005.)

- A.** Upon completion of the rehabilitation improvement or the new construction, the applicant shall file with the Portland Development Commission an application for a certificate of qualification and, in the case of a rehabilitated structure intended to be nonowner-occupied, a copy of the Affordability Agreement required by 3.102.040.
- B.** Within 30 days of receipt of the application, the Portland Development Commission shall determine whether the property qualifies for limited assessment under this Chapter. Approval shall be given if one of the following two alternatives is satisfied:
 - 1.** The residential rehabilitation improvements were completed within two (2) years from the date of application for limited assessment, the applicant has paid all the appropriate fees, and filed, if required, the appropriate Affordability Agreement; or

2. The newly constructed single-unit housing was completed within two (2) years from the date of application for limited assessment, construction began while the area was designated a homebuyer opportunity area, the applicant has paid all appropriate fees, and the new construction complies with the code of the City of Portland.
- C. A copy of the certificate of qualification shall be sent to the applicant, and filed by the Portland Development Commission with the Assessor within 20 days. In addition, copies of the application for limited assessment; the notice of approval; the Affordability Agreement (if appropriate); the Resolution of approval (if appropriate); and the application for a certificate of qualification shall also be filed with the Assessor and shall be numbered with the applicant's application number, and shall be delivered in a single transmittal.
- D. If it is determined that the rehabilitation or new construction was not completed within two (2) years of application date or the property is otherwise not qualified for the limited assessment provided for under the terms of this Chapter, the Portland Development Commission shall so state in writing, and send this determination to the applicant within 40 days of the receipt of the application for a certificate of qualification. An applicant may appeal the denial to the City Council within 30 days of the mailing of the notice required by this Subsection.

3.102.060 Assessment.

(Amended by Ordinance Nos. 164769, 170667, 176786, and 179685 effective November 18, 2005.)

- A. As provided by ORS 308.459, an eligible rehabilitated residential property shall be assessed at no more than its assessed value as it appears in the last equalized assessment roll next preceding the date on which the application for limited assessment is filed with the Portland Development Commission as provided for in 3.102.020. If the certificate of qualification is filed with the Assessor after December 31 but prior to April 1, the limited assessment shall apply with respect to the first assessment roll equalized after that date; or if the certificate of qualification is filed after April 1 but prior to January 1, the limited assessment shall apply as of the following January 1, and shall continue to apply thereafter for a total of 10 consecutive assessment rolls.
- B. As provided by ORS 308.456 (4), the limited assessment provided by this Chapter does not apply to increases in assessed valuation made by the assessor or by lawful order of a County Board of Equalization, the Department of Revenue or a court, to a class of property throughout the county or any specific area of the county to achieve the uniformity of assessment or appraisal required by ORS 308.232.

TITLE 3

ADMINISTRATION

- C.** As provided by ORS 458.020, eligible newly constructed single-unit housing shall be exempt from ad valorem taxation for no more than 10 successive tax years beginning July 1 of the first tax year following approval of the application under Section 3.102.020 of this Chapter. The exemption provided by this Chapter shall be in addition to any other exemption provided by laws for the property. However, the amount of assessed value exempted under this Chapter may not exceed the real market value of the structure determined as of the date that the property is inspected for purposes of making a determination under this Chapter.
- D.** If all residential units in a multiple-unit housing project are subject to a low income rental assistance contract with an agency of the state or federal government, an exemption provided under the terms of this Chapter may be extended beyond the 10 year limitation set in Subsection A above to December 31 of the assessment year during which the termination date of the contract falls. The Portland Development Commission staff shall review all applications for extension. Approval by the Portland Development Commission staff shall be based on findings that:
- 1.** The applicant has made reasonable efforts to obtain approval from the appropriate government agency for an increase in the allowable contract rent. Evidence of reasonable efforts shall include documentation showing contact with appropriate agencies and attempts to obtain written responses from the agency indicating their decision regarding modification of the rental contract.
 - 2.** The loss of the exemption will cause an increase in operating expenses to the extent that operating income for the property will be insufficient to cover operating expenses plus a reasonable return on the owner's equity in the projects. The evaluation of these criteria will be based upon projected average annual income and expense requirements over the extension period; and
 - 3.** The tax exemption is necessary in order to prevent displacement of low- and moderate-income tenants or of a low and moderate-income housing resource.
- E.** The Portland Development Commission staff, as part of the approval process under Section 3.102.060 D., may require an independent financial audit of the previous ten year tax abatement period as well as forecasts for the requested extension period. If the annual financial statements submitted by the applicant are found to be incomplete and inaccurate, the applicant will be responsible for audit fees. A denial of an extension requested under 3.102.060 D. may be appealed to the City Council. The appeal shall be filed within 30 days of the date of the mailing of the notice denying the extension.

- F.** In order to maintain an exemption granted under Section 3.102.060 D the applicant, a least every three years, shall make reasonable efforts as defined in Section 3.102.060 D.1. to obtain increases in the allowable contract rents and submit documentation of such evidence to the Portland Development Commission staff.
- G.** The Portland Development Commission staff shall review the applicant's compliance with the conditions set forth in Section 3.102.060 D. every five years. If the average annual rate of return to the period exceeds a reasonable rate of return as defined in Section 3.102.010 F., the exemption shall terminate. An applicant may appeal a termination to the City Council within 30 days of the date of the mailing of the notice to terminate.

3.102.070 Annual Statements..

(Amended by Ordinance No. 171977, effective February 4, 1998.)

- A.** Within 60 days following the end of the fiscal year as used by the owner for purpose of reporting federal income tax and during the period that the certificate is in effect, the owner of the rehabilitated property that is nonowner-occupied shall file with the Portland Development Commission the following:

 - 1.** A statement of occupancy and vacancy of the rehabilitated property during the prior 12 month period; and
 - 2.** A statement of all rental rates, increases thereto and operating costs, during the prior 12 month period; and
 - 3.** An attestation by the owner that the rehabilitated property has been held continuously for the production of rental income since the date of the certificate of qualification.
 - 4.** A Rental/Occupancy Report listing each unit and the rental rate charged and identifying each affordable unit type based on the number of bedrooms and/or floor area, the rent charged, the occupant's household size, the occupant's household annual income, and whether utilities are include as part of the rental charge.
 - 5.** Any other information deemed necessary in determining compliance with the Affordability provisions of this ordinance.
- B.** Within 30 days of receiving the owner's Rental/Occupancy Report, the Portland Development Commission shall advise the Assessor of whether to continue or terminate assessment limitation.

TITLE 3

ADMINISTRATION

- C. Should the property be regulated by another agreement regarding affordability and/or operating performance as conditioned by other public funds, the more restrictive agreement shall be used to determine compliance with the ordinance.

3.102.080 Termination.

(Amended by Ordinance Nos. 170667, 171887, 171977, 171999, 176786 and 179685, effective November 18, 2005.)

- A. If subsequent to the issuance of a certificate of qualification, it is determined by the Portland Development Commission that the new construction was not completed on or before July 1, 2015, or the rehabilitation improvements were not completed on or before January 1, 2008, or that any other provision of this Chapter is not being complied with, the Portland Development Commission shall give notice in writing to the owner, mailed to the owner's last known address, of the proposed termination of the limited assessment. The written notice shall state the reasons for the proposed termination and shall provide a statement of the owner's right to appear before the Portland Development Commission to show cause, if any, why the exemption should not be terminated. The notice shall provide instructions describing how the owner may request a show-cause hearing before the Portland Development Commission. Upon request by the owner, the Portland Development Commission shall schedule a hearing for a date not less than 20 days from the date of the request.
- B. If the owner chooses not to appear, or if they appear and fail to show cause why the limited assessment should not be terminated, the City shall adopt an ordinance or resolution stating its findings and terminating the limited assessment. The Portland Development Commission shall file a copy of the ordinance or resolution with the County Assessor and shall send a copy to the owner at the owner's last known address within 10 days of the Council's action.
- C. If, after application has been approved, the City or County Assessor discovers that the single-unit housing or a portion of the single-unit housing is changed to a use that is other than single-unit housing:
 - 1. The limited assessment granted the single-unit housing or portion under ORS 458.005 and 458.015 to 458.065 shall terminate immediately, without right of notice or appeal;
 - 2. The property or portion shall be assessed and taxed as other property similarly situated is assessed and taxed; and
 - 3. Notwithstanding ORS 311.235, there shall be added to the general property tax roll for the tax year next following the discovery, to be

collected and distributed in the same manner as other real property tax, an amount equal to the difference between the amount of tax due on the property and the amount of the tax that would have been due on the property had it not been exempt under ORS 458.005 and 458.015 to 458.065 for each of the years, not to exceed the last 10 years, during which the property was exempt from taxation under ORS 458.005 and 458.015 to 458.065.

- a.** If, at the time of discovery, the property is no longer exempt, additional taxes shall be imposed as provided in this section, but the number of years that would otherwise be used to compute the additional taxes shall be reduced by one year for each year that has elapsed since the year the property was last granted exemption.
 - b.** The assessment and tax rolls shall show potential additional tax liability for each property granted a limited assessment under ORS 458.005 and 458.015 to 458.065.
 - c.** Additional taxes collected under this section shall be deemed to have been imposed in the year to which the additional taxes relate.
- D.** If the City finds that the new construction was not completed on or before July 1, 2015 or the rehabilitation improvements were not completed by July 1, 2008, due to circumstances beyond the control of the owner, and that the owner had been acting and could reasonably be expected to act in good faith and with, due diligence, the City may extend the deadline for completion for a period not to exceed an additional 12 consecutive months.
- E.** The decision of the Council may be appealed as provided by ORS 34.010 to 34.100.
- F.** As provided by Subsection (4) of ORS 308.477, if no appeal is taken as provided in Subsection D. of this Section, or upon final adjudication, the county officials having possession of the assessment and tax rolls shall correct the rolls in the manner provided for omitted property under ORS 311.207 to 311.213, to provide for the assessment and taxation of any value not included in the valuation of the new construction or there habilitation improvements during the period of limited assessment prior to termination by the Council or by a court, in accordance with the findings of the Council or the court as to the assessment year in which the limited assessment is to terminate. The Assessor shall make the valuation of the property necessary to permit correction of the rolls, and the owner may appeal the valuation in the manner provided under ORS 311.207 to 311.213. Where there has been a failure to comply, as provided in Subsection A of this Section, the property shall be revalued beginning January 1 of the assessment year in which

TITLE 3

ADMINISTRATION

the noncompliance first occurred. Any additional taxes becoming due shall be payable without interest if paid in the period prior to the 16th day of the month next following the month of correction. If not paid within such period, the additional taxes shall thereafter be considered delinquent on the date they would normally have become delinquent if timely extended on the roll or rolls in the year or years for which the correction was made.

3.102.090 Designation of Homebuyer Opportunity Areas.

(Amended by Ordinance Nos. 170667, 176786, 179685, 182671 and 184046, effective September 10, 2010.)

- A.** The Bureau of Planning and Sustainability shall be the agency responsible for designating homebuyer opportunity areas. The Portland Development Commission and the Bureau of Housing and Community Development shall be consulted in the designation process. The designation of such areas shall occur in the form of a public hearing conducted before the City Planning and Sustainability Commission through a legislative process appealable to City Council. If there is no appeal within 30 days of the decision by the Planning and Sustainability Commission, the decision shall be final. The Bureau of Planning and Sustainability shall make available maps indicating current homebuyer opportunity areas. The designation of the first homebuyer opportunity areas shall be conducted as nearly as possible in conjunction with the adoption of this ordinance implementing tax exemption in such designated areas. From the date of the first designation, a review of the areas for possible amendment of the boundaries of the homebuyer opportunity areas shall occur at least every three years.
- B.** The criteria for designating homebuyer opportunity areas shall include a consideration of the following factors:

 - 1.** The area is primarily a residential area of the city which is detrimental to the safety, health and welfare of the community by reason of deterioration, inadequate or improper facilities; the existence of unsafe or abandoned structures, including but not limited to a significant number of vacant or abandoned single or multi-family residential units; or any combination of these or similar factors; and,
 - 2.** The incentive of limited property tax exemption in a homebuyer opportunity area will help to carry out adopted policies, or area-wide or district plans of the city related to housing or neighborhood revitalization.
- C.** At no time shall the cumulative land area within the boundaries of homebuyer opportunity areas exceed 20 percent of the total land area of the city.

- D.** The Bureau of Planning and Sustainability shall also establish the price limit of newly constructed single-unit housing eligible for the limited property tax exemption as provided by this Chapter. The price limit shall not exceed 120 percent of the median sales price of single-family homes located within the city. The median sales price shall be determined, with assistance by the County Assessor, using the sales data collected under ORS 309.200 for the period ending the prior November 30 relative to single-family homes. In addition, the Bureau of Planning and Sustainability may use data made available by the real estate and construction or other appropriate industry. The median sales price shall be established by resolution prior to January 1 of each year during the effective time of this program.

(Replaced by Ordinance No. 180572, effective December 8, 2006.) As used in this Chapter:

- A. "Full funding agreement"** means an agreement executed by the Federal Transit Administration or other U.S. governmental agency which contains the terms and conditions applicable to the approval of a light rail project and the grant of federal funds for that project, which includes construction of planned stations and other light rail facilities.
- B. "Light rail station area"** means an area defined, for the purposes of this Chapter, to be within a one-quarter mile radius of an existing or planned light rail station. A planned light rail station shall be defined as one that has achieved a full funding agreement.
- C. "Multiple-unit housing"** means newly constructed structures, stories or other additions to existing structures, and structures converted in whole or in part from other uses to dwelling units, and existing structures containing low income housing subject to a public assistance contract that meet the following criteria:
 - 1.** The structures must have ten or more dwelling units.
 - 2.** The structures must not be designed or used as transient accommodation, including but not limited to hotels and motels.
 - 3.** The structures must contain design elements benefiting the general public as specified in Section 3.103.040.
 - 4.** The structures must:
 - a.** Enhance the effectiveness of the light rail or fixed route transit system by providing pedestrian connection to a light rail line or mass transportation system; and
 - b.** Contain housing units with rental rates or purchase prices which are accessible to a broad income range of the general public; and

- c. Provide public benefits and design features which further the purposes of this Chapter as demonstrated by compliance with the provisions of Section 3.103.040.
- D. **"Pedestrian connection"** means a continuous, unobstructed, reasonably direct route between two points that is intended and suitable for pedestrian use. Pedestrian connections include but are not limited to sidewalks, walkways, stairways and pedestrian bridges. On developed parcels, pedestrian connections are generally hard surfaced. In parks and natural areas, pedestrian connections may be soft-surfaced pathways. On undeveloped parcels and parcels intended for redevelopment, pedestrian connection may also include rights-of-way or easements for future pedestrian improvements.
- E. **"Transit oriented area"** means an area defined in a local transportation, community, neighborhood or other local or regional plan to be within one-quarter mile of a fixed route transit service including bus lines.

3.103.020 Eligible Projects and Sites.

(Replaced by Ordinance No. 180572, effective December 8, 2006.)

- A.** The property tax exemption permitted by this Chapter is intended to benefit projects that emphasize:
1. The development of vacant or underutilized sites rather than sites where sound or rehabilitable multiple-unit housing exists;
 2. The development of multiple-unit housing, with or without parking, in structures that may include ground-level commercial space;
 3. The development of multiple-unit housing, with or without parking, on sites with existing single-story commercial structures;
 4. The development of multiple-unit housing, with or without parking, on existing surface parking lots; and
 5. The development of units at rental rates or purchase prices which are accessible to a broad income range of the general public.
 6. Preservation of existing low income housing subject to a public assistance contract to provide low income housing.
- B.** Eligible projects shall be constructed, converted, or preserved after the date of adoption of this program, and completed on or before January 1, 2012.

TITLE 3 ADMINISTRATION

- C. For the purposes of this Chapter, eligible sites must be located within the following areas:
1. Light rail station areas within a one-quarter mile radius of an existing light rail station or a light rail station under construction on or before January 1, 2009, except that the site must be located outside the boundaries of the Central City Plan District as shown on Map 510-1 of Chapter 33.510 of the Portland Zoning Code. The distance from an eligible light rail station shall be measured from the center line of the light rail line tracks on which the station is located. Maps showing these areas are found at the end of this Chapter as Maps 3.103-2 through 3.103-3 (Maps 1 of 3 through 3 of 3) through Map 3.103-5, Map 3.103-7 (Maps 1 of 3 through 3 of 3), Map 3.103-8 (Maps 1 of 4 through 4 of 4) and 3.103-11 (Map 10 of 6 through 6 of 6). If a portion of the project site falls within the one-quarter mile distance, the entire site shall qualify as a property eligible to apply for this exemption; and
 2. Transit oriented areas within the Gateway Plan District as included on Map 526-1 of Chapter 526 of Title 33, Planning and Zoning, and shown at the end of this Chapter as Maps 3.103-6 (Maps 1 of 5 through 5 of 5); and
 3. Transit oriented areas within the Lents Town Center as delineated on Map 11 of the adopted Outer Southeast Community Plan and shown at the end of this Chapter as Maps 3.103-9 (Maps 1 of 4 through 4 of 4); and
 4. Transit oriented areas along the Foster Road Main Street from Holgate Boulevard to SE 79th Avenue adjacent the Lents Town Center and shown at the end of this Chapter as Map 3.103-10; and
 5. Hollywood light rail station area and transit oriented areas along Sandy Boulevard and the Broadway Main Street shown at the end of this Chapter as Map 3.103-3. (Maps 1 of 3 through 3 of 3); and
 6. Transit oriented areas along the Martin Luther King Jr. Boulevard Main Street between Lombard and Broadway Streets as shown at the end of this Chapter on Map 3.103-12 Maps 1 of 4 through 4 of 4); and
 7. Transit oriented areas within a portion of the Northwest Plan District as shown at the end of this Chapter on Map 3.103-13.
 8. Transit-oriented area around the intersection of SW Barbur and Terwilliger Boulevards as shown at the end of this Chapter on Map 3.103-14.

9. Transit oriented areas within the Hillsdale Town Center as shown at the end of this chapter on Map 3.103 -15.
- D.** In addition to the eligible areas noted above, the following criteria apply to individual projects:
1. Projects located on sites zoned R5, R7, R10, R20, or RF Single Dwelling Zones, as defined by Title 33, Planning and Zoning, are not eligible for the property tax exemption permitted by this Chapter.
 2. Multiple-unit projects which do not include ground floor commercial space must contain at least 35 housing units per net acre of site area to be eligible for the property tax exemption permitted by this Chapter.
 3. Mixed use projects containing ground floor commercial space must incorporate at least two times the amount of residential floor area to non-residential floor area and contain at least 20 housing units per net acre of site area.
 4. For the purposes of this Chapter, a rowhouse or townhouse development containing for sale or rental units is eligible so long as all other eligibility criteria of this Chapter are met.
- E.** All eligible projects shall demonstrate that property tax exemption is necessary to achieve economic feasibility for the residential use, taking into account the additional costs incurred by the design features, public benefits, or minimum densities required in return for the incentives allowed by this Chapter.
- F.** The City shall periodically review the areas eligible for the exemption granted to transit supportive development in response to transportation and/or community planning and policy initiatives which indicate the need to encourage desired development in other light rail station areas or transit oriented areas as defined in this Chapter. Such review shall occur at least every three years. The basis for considering the inclusion of new light rail station areas shall be the establishment of a full funding agreement.

3.103.025 Pre-application Procedure.

- A.** A pre-application meeting will be required with the Portland Development Commission staff prior to submitting a complete application. On forms provided by staff, the prospective applicant shall include the following:
1. A schematic drawing, showing the site plan, including major features and dimensions of the proposed development;

TITLE 3

ADMINISTRATION

2. A statement describing the location of the proposed development; the number, size, and type of individual dwelling units; a preliminary pro forma showing expected rents or purchase prices of the dwelling units; the dimensions of the multiple-unit structure(s); the approximate amount of floor area dedicated to the types of uses envisioned; public and private access; parking and circulation plans; a description of the public benefits proposed; and any additional information that would demonstrate the eligibility of the project for the property tax exemption, including its physical and functional connection to the nearest transit service. However, certain items of information may be waived for projects under design or if applicants request guidance in order to submit material sufficient for a complete application.
- B. Prior to the meeting, the staff shall review the information supplied and contact, for purposes of facilitating the application process, those bureaus, bodies, or other governmental agencies which may be affected by, or have an interest in, the proposed development.
- C. The applicant shall meet with staff and discuss the proposed development. Thereafter, the Development Commission staff shall provide the applicant with a summary of the meeting, including recommendations designed to assist the applicant in the preparation of the exemption application. Staff guidance shall be provided indicating the minimum requirements for meeting the provisions of Section 3.103.040 of this Chapter.

3.103.030 Application Procedure.

(Replaced by Ordinance No. 180572, effective December 8, 2006.)

- A. A person seeking an exemption under the terms of this Chapter shall apply to the Portland Development Commission not later than September 1 of the calendar year immediately prior to the first assessment year for which the exemption is requested. The application for the exemption shall be on forms prescribed by the Commission staff and include the following information:
 1. The applicant's name, address, and telephone number;
 2. A legal description of the property and property account number;
 3. A detailed description of the project, including the number, size, and type of dwelling units; dimensions of the multiple-unit structure(s), parcel size, proposed lot coverage of building, and amount of open space; type of construction; expected rents or purchase prices of the dwelling units; public and private access; parking and circulation plan; number of

residential and commercial off-street parking spaces; the source of water and proposed method of sewage disposal; other utilities requirements; landscaping; proposed amount of floor area dedicated to residential and nonresidential uses; a description of the public benefit(s) prescribed in 3.103.040 included in the project including any extension of public benefits from the project beyond the period of the exemption; and economic feasibility studies or market analysis, when appropriate. In addition, the application shall contain a detailed construction and operating cost analysis to demonstrate the applicant's economic need for the tax exemption. Evidence of cost comparisons may be required when appropriate;

In addition, the application shall contain a detailed construction and development cost analysis, sources and uses of funds analysis, operating income and expense analysis, and projected ten-year operating cash flow analyses for two scenarios: (1) modeling the project's operations with the tax abatement and (2) modeling the project's operations without the tax abatement. Each of these projected ten-year operating cash flow analyses shall include a calculation of the internal rate of return for the project. Internal rate of return is the annual discount rate, expressed as a percent, on a series of annual cash flows at which the net present value of an initial investment is equal to zero. The foregoing economic analyses shall be used to demonstrate the applicant's economic need for the tax exemption. In determining this economic need the Portland Development Commission shall verify the applicant's projected internal rate of return for the project based on invested cash, equity, economic conditions, and other related factors as prescribed in Section 3.103.050 B.

4. A description of the existing use of the property, including if appropriate a justification for the elimination of existing sound and rehabilitable housing;
5. A site plan and supporting maps, drawn to a minimum scale of one inch equal to 16 feet, or a scale suitable for reproduction on 8-1/2" by 11" paper, showing the development plan of the entire project including streets, driveways, sidewalks, pedestrian ways, off street parking, loading areas, location, design, and dimension of structures, use of land and structure(s), major landscaping features, existing and proposed utility systems, including sanitary and storm sewers, water, electric, gas and telephone lines; and
6. Such other information required by state or local law or otherwise which is reasonably necessary to effectuate the purposes of this Chapter, including a demonstration of the project's physical and functional connection to the nearest transit service.

TITLE 3

ADMINISTRATION

- B.** Concurrent with the submission of the application, an application fee as established by the Portland Development Commission shall be required.

3.103.040 Public Benefits.

(Replaced by Ordinance No. 180572; Amended by Ordinance Nos. 182389, 182671 and 184046, effective September 10, 2010.)

- A.** Purpose. The purpose of this Section is to achieve the type of higher density, mixed-income, transit oriented development desired by the adoption of this Chapter in addition to furthering other public policy goals of the City and the County. Therefore, a number of options are presented to the applicant in order to meet an affordability requirement and achieve one or more public benefits.
- B.** Except for the provisions of Section 3.103.040 D below, all rental projects containing more than 15 units applying for the exemption under the terms of this Chapter must comply with one of the following affordability requirements in either paragraph B.1 or paragraph B.2. These affordable units shall be subject to an Extended Use Agreement (EUA) requiring that they be rented in accordance with these rent and income restrictions for a period that is 5 years longer than the tax abatement period (for example, a 10-year tax abatement period would result in a 15-year EUA). The EUA will be recorded against the property and will appear as a lien on the property's title. Compliance with the EUA shall be certified by the owner to the Portland Development Commission on a yearly basis. The EUA will be administered as described in Section 3.103.055. The units meeting the affordability requirement must match the unit mix in the project as a whole in terms of number of bedrooms.
 - 1.** The project must include within the project and for the term of the exemption at least 20 percent of the units, or residential square footage dedicated to units, for rent at rates which are affordable to households earning 60 percent or less of the area median income:
 - a.** For the units affordable to households earning 60 percent or less of the area median income under the terms of this Chapter, the units must be rented to households whose incomes do not exceed 60 percent of the area median income upon initial occupancy of the unit by that household. Subsequent monitoring of the incomes of these households is not required until the affordable unit again becomes available for rent, at which time it must be rented to an income qualified household earning 60 percent of the area median income for the remaining term of the property tax exemption, unless another unit has subsequently been rented at an equivalent

affordable rate to a qualified household so that the project continues to comply with all provisions of this Section.

- b.** Measurement of household income shall be determined using the U.S. Department of Housing and Urban Development's, or its successor agency's, annual household income for the Portland Metropolitan Area for a family of one person (for a studio apartment), two persons (for a one-bedroom apartment), three persons (for a two-bedroom apartment), or four persons (for a three-bedroom apartment). Affordability shall be defined as a rental rate which does not exceed 30 percent of the monthly gross income for a family earning 60 percent or less of the area median income.
- 2.** In the alternative to B.1, the project must include within the project and for the term of the exemption at least 10 percent of the units, or residential square footage dedicated to units, for rent at rates which are affordable to households earning 30 percent or less of the area median income:
 - a.** For the units affordable to households earning 30 percent or less of the area median income under the terms of this Chapter, the units must be rented to households whose incomes do not exceed 30 percent of the area median income upon initial occupancy of the unit by that household. Subsequent monitoring of the incomes of these households is not required until the affordable unit again becomes available for rent, at which time it must be rented to an income qualified household earning 30 percent of the area median income for the remaining term of the property tax exemption, unless another unit has subsequently been rented at an equivalent affordable rate to a qualified household so that the project continues to comply with all provisions of this Section.
 - b.** Measurement of household income shall be determined using the U.S. Department of Housing and Urban Development's, or its successor agency's, annual household income for the Portland Metropolitan Area for a family of one person (for a studio apartment), two persons (for a one-bedroom apartment), three persons (for a two-bedroom apartment), or four persons (for a three-bedroom apartment). Affordability shall be defined as a rental rate which does not exceed 30 percent of the monthly gross income for a family earning 30 percent or less of the area median income.

TITLE 3

ADMINISTRATION

- C.** All projects containing housing units available for individual purchase shall receive the property tax exemption only for those for-sale units which are available at an initial purchase price which does not exceed 95 percent of the Federal Housing Administration mortgage maximum for a single unit in the Portland Metropolitan area. The unit must be sold to a household earning no more than 100 percent of the area median income for a family of four as established by the U.S. Department of Housing and Urban Development, or its successor agency, during the year of sale in order to retain its property tax exempt status.
- 1.** In order to qualify for this exemption, such units must be owner-occupied during the term of the exemption. Should any unit become available for sale during the term of the exemption, it must be sold to a household earning no more than 100 percent of the area median income for a family of four as established by the U.S. Department of Housing and Urban Development, or its successor agency, during the year of sale in order to retain its property tax exempt status.
- D.** In addition to the applicable provisions of subsections A through C above, the project must include three of the following:
- 1.** At least 20 percent of the rental units must be dedicated and fully accessible during the term of the exemption by covenant to households which include persons with special needs, such as the mentally or physically disabled or other categories of persons as defined by the Federal Fair Housing Amendments Act of 1988;
- 2.** At least 10 percent of the rental units must include three or more bedrooms;
- 3.** The project must provide child care on-site or support child care through a service provider with a facility located within 1200 feet of a light rail station or within 400 feet of a transit stop at 25 percent of the annual value of the property tax exemption for each year of the term of the exemption, such in-lieu support being dedicated to project residents or other households earning 60 percent or less of the area median income;
- 4.** The project must provide a residential unit per acre density equivalent to at least 80 percent of the applicable maximum density as allowed by the base zone as established by Title 33, Portland Zoning Code, except that this alternative shall not be available to projects on sites with R1 zoning. For sites with RH, IR, CN, CO, CM, CS, or CG zoning, this requires at least 68 units per net acre. For sites with RX, CX, EX, or other zoning, this requires at least 139 units per net acre;

5. Ground floor service or commercial use which is permitted and serves project residents, neighboring residents, and transit riders;
 6. Office space or meeting room for community organizations;
 7. Permanent dedications for public use including open space, community gardens, or pedestrian and bicycle connections to public trails and adjoining neighborhood areas;
 8. Family oriented recreational facilities for the children of project residents;
 9. Dedicated car-share space(s);
 10. Structured parking;
 11. LEED Silver certification from the US Green Building Council;
 12. Twice the percentage of affordable units, or residential building square footage dedicated to affordable units, than is required by subsection B of this section; or.
 13. Other benefits as proposed by the developer and approved by the Planning and Sustainability Commission.
 14. Transportation improvements above those required by development standards approved by the Bureau of Transportation and the Planning and Sustainability Commission.
 15. An agreement to sell off-street parking spaces separate from condominium units so that a unit can be purchased without a parking space.
- E. Staff from the Portland Development Commission shall confer, at a minimum, with the staffs of the Bureau of Planning and Sustainability and the Bureau of Transportation for advice and confirmation regarding compliance with the relevant public benefits, plan policies, and transit oriented design features applicable to the project. Other bureaus or agencies indicating interest shall also be invited to comment. Written comments received from staff shall be entered into the record of the adopting report and recommendation presented before the Planning and Sustainability Commission.

3.103.045 Approval Criteria.

(Replaced by Ordinance Nos. 180572 and 184046, effective September 10, 2010.) An application may be recommended for approval if the Portland Development Commission staff establishes conditions which ensure that:

TITLE 3

ADMINISTRATION

- A.** Within 60 days of receipt of a complete application, the staff of the Portland Development Commission shall review the application for economic feasibility and other requirements of this chapter and shall recommend to the Planning and Sustainability Commission that the application be denied or approved subject to conditions. If the anticipated internal rate of return for the project for the period of the exemption exceeds ten percent, the Portland Development Commission staff shall recommend that the application be denied. Portland Development Commission staff may require modifications to the project design in order to further the public goals of this Chapter.
- B.** The project containing these public benefits and affordable units would not otherwise be financially feasible without the benefit provided by the property tax exemption;
- C.** The construction project will, at the time of completion, conform with the applicable provisions of Titles 17, 24, 32, 33, 34; and
- D.** The applicant has complied with Sections 3.103.010, 3.103.020, 3.103.030, and 3.103.040.

3.103.050 Review of Application.

(Replaced by Ordinance Nos. 180572, 182671 and 184046, effective September 10, 2010.)

- A.** Within 60 days of receipt of a complete application, the staff of the Portland Development Commission shall review the application for economic feasibility and other requirements of this chapter and shall recommend to the Planning and Sustainability Commission that the application be denied or approved subject to conditions. If the anticipated internal rate of return for the project for the period of the exemption exceeds ten percent, the Portland Development Commission staff shall recommend that the application be denied. Portland Development Commission staff may require modifications to the project design in order to further the public goals of this Chapter.
- B.** If the recommendation is for approval, the report shall contain a recommendation stating the terms and conditions of approval, which shall be made available to the applicant, the Planning and Sustainability Commission, and any interested agencies or individuals at least 14 days prior to consideration of the recommendation at a hearing conducted before the Planning and Sustainability Commission.
- C.** Within 60 days of receiving the report and recommendation of the Portland Development Commission staff, Planning and Sustainability Commission shall

review application to determine if the development is consistent with the public benefit requirements of this chapter and recommend to deny or to approve it subject to conditions.

- D.** The Commission shall instruct Bureau of Planning and Sustainability staff to forward to City Council an ordinance within 30 days that shall include: the owner's name and address; a description of the multiple-unit housing; the legal description of the property and the Assessor's property account number; and all conditions imposed and upon which the recommendation for approval of the application is based.
- E.** City Council shall approve or deny the application by ordinance within 30 days of the Planning and Sustainability Commission's recommendation. Final action will be in the form of an ordinance that includes all conditions imposed and upon which the approval of the application is based. An application not acted upon within 180 days from the date of application shall be deemed approved.
- F.** If the application is denied, a notice of denial shall be sent to the applicant within 10 days following the denial. The notice shall state the reasons for denial.
- G.** If the application is approved, the Bureau of Planning and Sustainability shall on or before April 1 file with the Assessor a copy of the ordinance approving the application.

3.103.055 Rate of Return Analysis.

(Added by Ordinance Nos. 180572 and 182671, effective May 15, 2009.)

- A.** The owner shall provide financial data on an annual basis to the Portland Development Commission for each tax year that the exemption is in effect. The financial data shall be provided to the Portland Development Commission no later than 120 days from the close of the owner's fiscal year. The financial data shall include, but is not limited to, full project-based financial statements, Internal Revenue Service tax information, a ten-year operating cash flow statement showing actual cash flow for all prior years and the current year and shall include a to-date calculation of the internal rate of return for the project, and any other information deemed necessary by the Portland Development Commission to calculate or otherwise evaluate the owner's internal rate of return for the project.
- B.** For each year of the exemption, the Portland Development Commission shall prepare an annual analysis of the owner's financial data within 90 days of receipt of all required financial data from the owner. The analysis shall include a to-date calculation of the internal rate of return for the project. The Portland Development Commission shall calculate the internal rate of return by the same method utilized in its initial recommendation for the tax abatement.

TITLE 3

ADMINISTRATION

- C.** The Portland Development Commission shall advise the owner annually in writing as to whether the financial analysis demonstrates that the projected internal rate of return for the project will exceed ten percent for the entire exemption period and could result in an Accrued Payment Liability ("APL") as calculated pursuant to Section 3.103.055 D.
- D.** The EUA will be terminated at the end of the tax abatement period, if the internal rate of return for the project is less than or equal to 10 percent.

If the 10-year internal rate of return for the project is greater than 10 percent, then:

- 1.** The EUA shall be maintained on a portion or all of the units covered by the EUA as calculated in Section 3.103.055; or
- 2.** The property owner shall pay an APL that shall be paid as calculated pursuant to this Section.

If as a result of the analysis prepared after the final year of the exemption, the Portland Development Commission has calculated that the internal rate of return during the term of the exemption has exceeded ten percent, the Portland Development Commission shall notify the Bureau of Planning and Sustainability. The Bureau of Planning and Sustainability shall send a notice to the last known address of the owner stating that the owner, at its option, shall either pay the APL to the City in order to have the EUA terminated or, alternatively, be subject to the EUA for the remainder of the EUA as calculated in this Section.

The amount of the APL shall be equal to (1) the net present value, using a 10 percent annual discount rate of the difference between the project's actual annual cash flows over the abatement period and the proforma projected cash flows for the project that would provide a 10 percent internal rate of return for the abatement period or (2) equal to the maximum amount of property taxes that would have been assessed if no exemption had been granted, whichever is less. If the internal rate of return for the project is calculated to be greater than 10 percent and the project owner elects not to pay the APL, then the EUA will be maintained on the number of units required to reduce net present value, using a 10 percent annual discount rate, of the project's projected market-rate (unrestricted) annual cash flows, during the 5-year EUA period after the end of the tax abatement period, by an amount equal to the APL.

3.103.060 Exemption.

(Replaced by Ordinance No. 180572, effective December 8, 2006.)

- A.** Except as provided for under subsection D, multiple-unit housing for which an exemption has been approved under the terms of this Chapter shall be exempt

from ad valorem taxation for up to 10 successive years beginning July 1 of the year immediately following the calendar year in which construction is completed, determined by that stage in the construction process when, pursuant to ORS 307.330, the improvement would have gone on the tax rolls in the absence of the exemption. The exemption shall not include the land upon which the project is located, nor any improvement not part of the multiple-unit housing except for those improvements deemed a public benefit as specified in 3.103.040. The exemption provided in this section shall be in addition to any other exemption provided by law.

- B.** In the case of a structure converted in whole or in part from other uses to multiple family, only the increase in value attributed to the conversion shall be eligible for the exemption.
- C.** In either case, the value of the exemption shall not exceed 100 percent of its real market value.
- D.** If multiple-unit housing is subject to a public assistance contract to provide low income housing, the term of the exemption shall be through June 30 of the tax year during which the termination date of the contract falls.

3.103.070 Termination.

(Amended by Ordinance Nos. 178286, 179844 and 180572, effective December 8, 2006.)
If, after an application has been approved under this Chapter, the City finds that the work was not completed on or before January 1, 2012; that any provision of this Chapter has not been complied with including a determination by the Portland Development Commission as provided in Section 3.103.055 that the internal rate of return for the project exceeds ten percent for the exemption period; or that any agreement by the owner or requirement imposed is not being satisfied; the Portland Development Commission staff shall send a notice of proposed termination of the exemption to the owner's last known address.

- A.** The notice shall state the reasons for the proposed termination, and shall require the owner to appear before the City Council at a specified time, not less than 20 days after mailing the notice, to show cause, if any, why the exemption should not be terminated.
- B.** If the owner fails to show cause why the exemption should not be terminated, the City Council shall adopt a resolution terminating the exemption. A copy of the resolution shall be filed with the County Assessor and a copy sent to the owner at his last known address within 10 days after its adoption.
- C.** If the owner does not seek review of the termination of an exemption pursuant to ORS 34.010 to 34.100, upon final adjudication, the county officials having

TITLE 3

ADMINISTRATION

possession of the assessment and tax rolls shall correct the rolls in the manner provided for omitted property under ORS 311.205 to 311.235, to provide for the assessment and taxation of any property for which exemption was terminated or modified by the City or by a court, in accordance with the finding of the City or the court as to the assessment year in which the exemption is first to be terminated. The County Assessor shall make such valuation of the property as shall be necessary to permit such correction of the rolls. The owner may appeal any such valuation in the same manner as provided for appeals under ORS 311.207 to 311.213. Where there has been a failure to comply with ORS 307.670, the property shall become taxable beginning July 1 of the calendar year in which the noncompliance first occurred. Any additional taxes becoming due shall be payable without interest if paid in the period prior to the 16th of the month next following the month of correction. If not paid within such period, the additional taxes shall be delinquent on the date they would normally have become delinquent if timely extended on the roll or rolls in the year or years for which the correction was made.

3.103.080 Extension of Deadline.

(Amended by Ordinance Nos. 178286 and 179844, effective December 21, 2005.) Notwithstanding the provision of 3.103.070, if the City finds that construction of the multiple-unit housing was not completed by January 1, 2012, due to circumstances beyond the control of the owner, and that the owner has been acting and could reasonably be expected to act in good faith and with due diligence, the City may extend the deadline for completion of construction for a period not to exceed 12 consecutive months.

3.103.090 Implementation.

The Portland Development Commission shall establish procedures and prepare forms for implementation, administration, and monitoring for compliance with the provisions of this Chapter.

Internal rate of return is the annual discount rate, expressed as a percent, on a series of annual cash flows at which the net present value of an initial investment is equal to zero. The foregoing economic analyses shall be used to demonstrate the applicant's economic need for the tax exemption. In determining this economic need the Portland Development Commission shall verify the applicant's projected internal rate of return for the project based on invested cash, equity, economic conditions, and other related factors as prescribed in Section 3.104.050 B.

3.104.040 Public Benefits.

(Amended by Ordinance Nos. 178740, 179487 and 184046, effective September 10, 2010.)

- A.** Purpose. The purpose of this Section is to achieve the type of higher density, transit oriented development in the Central City and urban renewal areas desired by the adoption of this Chapter in addition to furthering other public policy goals of the City and the County. Therefore, a number of options are presented to the applicant in order to achieve one or more public benefits.
- B.** All rental projects containing more than 15 units applying for the exemption under the terms of this Chapter must include within the project and for a term of up to 15 years, but in no event less than the term of the exemption, at least 15 percent of the units for rent at rates which are affordable to and restricted to households earning 80 percent or less of the area median income. These affordable units shall be subject to an Extended Use Agreement (EUA) requiring that they be rented in accordance with these rent and income restrictions for a period that is 5 years longer than the tax abatement period (for example, a 10-year tax abatement period would result in a 15-year EUA). The EUA will be recorded against the property and will appear as a lien on the property's title. Compliance with the EUA shall be certified by the owner to the Portland Development Commission on a yearly basis. The EUA will be administered as described in Section 3.104.055.
 - 1.** For the units affordable to households earning 80 percent or less of the area median income under the terms of this Chapter, the units must be rented to households whose incomes do not exceed 80 percent of the area median income upon initial occupancy of the unit by that household. Subsequent monitoring of the incomes of these households is not required until the affordable unit again becomes available for rent, at which time it must be rented to an income qualified household earning 80 percent of the area median income for the remaining term of the property tax exemption, unless another unit has subsequently been rented at an equivalent affordable rate to a qualified household so that the project continues to comply with all provisions of this Section.

TITLE 3
ADMINISTRATION

2. Measurement of household income shall be determined using the U.S. Department of Housing and Urban Development's, or its successor agency's, annual household income for the Portland Metropolitan Area for a family of one person (for a studio apartment), two persons (for a one-bedroom apartment), three persons (for a two-bedroom apartment), or four persons (for a three-bedroom apartment). Affordability shall be defined as a rental rate, which does not exceed 30 percent of the monthly gross income for a family earning 80 percent or less of the area median income.
- C.** All projects containing housing units available for individual purchase shall receive the property tax exemption only for those for-sale units which are available at an initial purchase price which does not exceed 95 percent of the Federal Housing Administration mortgage maximum for a single unit in the Portland Metropolitan area. The unit must be sold to a household earning no more than 100 percent of the area median income for a family of four as established by the U.S. Department of Housing and Urban Development, or its successor agency, during the year of sale in order to retain its property tax exempt status.
1. In order to qualify for this exemption, such units must be owner-occupied during the term of the exemption. Should any unit become available for sale during the term of the exemption, it must be sold to a household earning no more than 100 percent of the area median income for a family of four as established by the U.S. Department of Housing and Urban Development, or its successor agency, during the year of sale in order to retain its property tax exempt status.
- D.** In addition to the applicable provisions of Sections 3.104.040 B. and C. above, the project must include at least one of the following:
1. Open spaces available to the general public;
 2. Day care facilities;
 3. Permanent dedications for public use;
 4. LEED Silver certification from the US Green Building Council;
 5. 20 percent of the rental units have 3 or more bedrooms;
 6. A total of 25 percent of the rental units are affordable to households at 80 percent MFI; or

TITLE 3

ADMINISTRATION

7. Other public benefits approved by the Planning and Sustainability Commission and the City Council. The City Council shall specify the public benefit which is to be included in the proposed project. If the applicant fails to agree to include the public benefit as specified by the Council, the application shall be denied.

3.104.045 Approval Criteria.

An application may be approved if the reviewing body finds:

- A. The construction includes one or more design elements specified in Section 3.104.040;
- B. The construction project will at the time of completion, conform with the provision', of Titles 24, 32, 33, 34, and the Comprehensive Plan; and
- C. The applicant has complied with 3.104.010, 3.104.020, 3.104.030, and 3.104.040.

3.104.050 Review of Application.

(Amended by Ordinance Nos. 178740, 179487, 182671 and 184046, effective September 10, 2010.)

- A. The Bureau of Planning and Sustainability shall send the Portland Development Commission a copy of the application within 10 days of its submission to the Bureau.
- B. The Portland Development Commission shall thereupon review the application for economic feasibility and economic need and make a recommendation within 60 days thereafter recommend to the Planning and Sustainability Commission that the application be approved, denied, or approved subject to conditions. If the anticipated internal rate of return for the project for the period of the exemption exceeds ten percent, the Portland Development Commission shall recommend that the application be denied.
- C. Within 60 days of the recommendation of the Portland Development Commission, the Planning and Sustainability Commission shall review the application to determine whether the proposed development is consistent with the City's Comprehensive Plan. A recommendation shall thereafter be forwarded to the City Council that the application be approved subject to those conditions necessary to achieve the purposes of this Chapter. The Planning and Sustainability Commission shall specify in its recommendation to the Council the scope and nature of public benefit recommended for the proposed project.
- D. The City Council shall review the application within 180 days of the date of application and approve, deny, or approve subject to conditions. Copies of the

application shall be supplied the City Council at least 14 days prior to the Council's review. Final action upon the application shall be in the form of an ordinance or resolution that shall include: the owner's name and address; a description of the multiple-unit housing; the legal description of the property and the Assessor's property account number; and all conditions imposed and upon which approval of the application is based.

- E.** If the application is denied, a notice of denial shall be sent to the applicant within 10 days following the denial. The notice shall state the reasons for denial.
- F.** If the application is approved, the Bureau of Planning and Sustainability shall on or before the ensuing April 1 file with the Assessor a copy of the ordinance or resolution approving the application.
- G.** If the application is approved, the recipient(s) of the tax exemption must agree to a condition of approval to provide financial information to the Portland Development Commission by July 1 in years 5 and 9 of the tax exemption and two years after the tax exemption has expired. The purpose of this requirement is to provide information to the Planning and Sustainability Commission and City Council for their review of the program described in 3.104.085. The Bureau of Planning and Sustainability will notify tax exemption recipients and the Portland Development Commission 60 days in advance of the reporting requirement. Recipients will submit the required information on the Portland Development Commission's Electronic Operating Statement (EOS) or similar form that might replace the EOS. Portland Development Commission staff will review the statement and prepare a report within 60 days that will then be forwarded to the Bureau of Planning and Sustainability. Bureau of Planning and Sustainability staff will periodically convey these reports to the Planning and Sustainability Commission for use in their review described in 3.104.085.

3.104.055 Rate of Return Analysis.

(Added by Ordinance Nos. 179487 and 182671, effective May 15, 2009.)

- A.** The owner shall provide financial data on an annual basis to the Portland Development Commission for each tax year that the exemption is in effect. The financial data shall be provided to the Portland Development Commission no later than 120 days from the close of the owner's fiscal year. The financial data shall include, but is not limited to, full project-based financial statements, Internal Revenue Service tax information, a ten-year operating cash flow statement showing actual cash flow for all prior years and the current year and shall include a to-date calculation of the internal rate of return for the project, and any other information deemed necessary by the Portland Development Commission to calculate or otherwise evaluate the owner's internal rate of return for the project.

TITLE 3 ADMINISTRATION

- B.** For each year of the exemption, the Portland Development Commission shall prepare an annual analysis of the owner's financial data within 90 days of receipt of all required financial data from the owner. The analysis shall include a to-date calculation of the internal rate of return for the project. The Portland Development Commission shall calculate the internal rate of return by the same method utilized in its initial recommendation for the tax abatement.
- C.** The Portland Development Commission shall advise the owner annually in writing as to whether the financial analysis demonstrates that the projected internal rate of return for the project will exceed ten percent for the entire exemption period and could result in an Accrued Payment Liability ("APL") as calculated pursuant to Section 3.104.055 D.
- D.** The EUA will be terminated at the end of the tax abatement period, if the internal rate of return for the project is less than or equal to 10 percent.
If the 10-year internal rate of return for the project is greater than 10 percent, then:
 - 1.** the EUA shall be maintained on a portion or all of the units covered by the EUA as calculated in Section 3.104.055; or
 - 2.** the property owner shall pay an APL that shall be paid as calculated pursuant to this Section.

If as a result of the analysis prepared after the final year of the exemption, the Portland Development Commission has calculated that the internal rate of return during the term of the exemption has exceeded ten percent, the Portland Development Commission shall notify the Bureau of Planning and Sustainability. The Bureau of Planning and Sustainability shall send a notice to the last known address of the owner stating that the owner, at its option, shall either pay the APL to the City in order to have the EUA terminated or, alternatively, be subject to the EUA for the remainder of the EUA as calculated in this Section.

The amount of the APL shall be equal to (1) the net present value, using a 10 percent annual discount rate of the difference between the project's actual annual cash flows over the abatement period and the proforma projected cash flows for the project that would provide a 10 percent internal rate of return for the abatement period or (2) equal to the maximum amount of property taxes that would have been assessed if no exemption had been granted, whichever is less.

If the internal rate of return for the project is calculated to be greater than 10 percent and the project owner elects not to pay the APL, then the EUA will be maintained on the number of units required to reduce net present value, using a 10 percent annual discount rate, of the project's projected market-rate (unrestricted) annual cash flows, during the 5-year EUA period after the end of the tax abatement period, by an amount equal to the APL.

3.104.060 Exemption.

(Amended by Ordinance Nos. 170667 and 179487, effective August 10, 2005.)

- A.** Except as provided for under Subsection 3.104.060 B., multiple-unit housing for which an exemption has been approved under the terms of this Chapter shall be exempt from ad valorem taxation for up to 10 successive years beginning July 1 of the year immediately following the calendar year in which construction is completed, determined by that stage in the construction process when, pursuant to ORS 307.330, the improvement would have gone on the tax rolls in the absence of the exemption provided for in this Chapter. The exemption shall not include the land upon which the project is located, nor any improvement(s) not part of the multiple-unit housing except those improvements deemed a public benefit as specified in 3.104.040. The exemption provided in this section shall be in addition to any other exemption provided by law.
- B.** In the case of a structure converted in whole or in part from other uses to multiple family, only the increase in value attributed to the conversion shall be subject to the exemption

(Amended by Ordinance Nos. 170667, 178286, 179487, 179844 and 182671, effective May 15, 2009.) If, after an application has been approved under this Chapter, the City finds that the work was not completed on or before January 1, 2012; that any provision of this Chapter has not been complied with; including a determination by the Portland Development Commission as provided in Section 3.104.055 that the internal rate of return for the project exceeds ten percent for the exemption period; or that any agreement by the owner or requirement imposed by Council is not being satisfied, the Bureau of Planning and Sustainability may send a notice of proposed termination of the exemption to the owner's last known address.

- A.** The notice shall state the reasons for the proposed termination, and shall require the owner to appear before the City Council at a specified time, not less than 20 days after mailing the notice, to show cause, if any, why the exemption should not be terminated.
- B.** If the owner fails to show cause why the exemption should not be terminated, the City Council shall adopt an ordinance or resolution terminating the exemption. A copy of the ordinance or resolution shall be filed with the County Assessor and a copy sent to the owner at his last known address, within 10 days after its adoption.
- C.** If the owner does not seek review of the termination of an exemption pursuant to ORS 34.010 to 34.100, upon final adjudication, the county officials having possession of the assessment and tax rolls shall correct the rolls in the manner provided for omitted property under ORS 311.205 to 311.235, to provide for the

TITLE 3 ADMINISTRATION

assessment and taxation of any property for which exemption was terminated or modified by the City or by a court, in accordance with the finding of the City or the court as to the assessment year in which the exemption is first to be terminated. The County Assessor shall make such valuation of the property as shall be necessary to permit such correction of the rolls. The owner may appeal any such valuation in the same manner as provided for appeals under ORS 311.207 to 311.213. Where there has been a failure to comply with ORS 307.670, the property shall become taxable beginning July 1 of the calendar year in which the noncompliance first occurred. Any additional taxes becoming due shall be payable without interest if paid in the period prior to the 16th of the month next following the month of correction. If not paid within such period, the additional taxes shall be delinquent on the date they would normally have become delinquent if timely extended on the roll or rolls in the year or years for which the correction was made.

3.104.080 Extension of Deadline.

(Amended by Ordinance Nos. 170667, 178286 and 179844, effective December 21, 2005.) Notwithstanding the provision of 3.104.070, if the City finds that construction of the multiple-unit housing was not completed by January 1, 2012, due to circumstances beyond the control of the owner, and that the owner has been acting and could reasonably be expected to act in good faith and with due diligence, the City may extend the deadline for completion of construction for a period not to exceed 12 consecutive months.

3.104.085 Program Review.

(Added by Ordinance No. 178740; Amended by Ordinance No. 184046, effective September 10, 2010.) The Planning and Sustainability Commission will review the program requirements every five years and make a recommendation to City Council on possible changes to the program. This review will take into consideration the information gathered from tax exemption recipients as required by 3.104.050 G. and any other information the Commission considers relevant.

3.104.090 Implementation.

(Amended by Ordinance No. 182671, effective May 15, 2009.) The Bureau of Planning and Sustainability and the Portland Development Commission shall establish procedures and prepare forms for implementation and administration of this Chapter.
