

ORDINANCE No. 185052

Extend term of a telecommunications franchise granted to Qwest Communications Corporation to build and operate telecommunications facilities within City streets (Ordinance; amend Ordinance No. 171914)

The City of Portland ordains:

Section 1. The Council finds:

1. On December 31, 1997, the Council granted a franchise to Qwest Communications Corporation, to build and operate telecommunications facilities within the City's streets. Ordinance No. 171914.
2. In 2009, the Council extended the term of Qwest's telecommunications franchise until December 31, 2011. Ordinance No. 183366.
3. On April 22, 2010, CenturyLink, Inc. announced it would acquire Qwest Communications Inc. in a stock-for-stock transaction. The acquisition of the Qwest shares by CenturyLink, Inc. was reviewed and approved by the Federal Communications Commission on March 18, 2011. The Oregon Public Utility Commission approved the CenturyLink/Qwest merger on March 24, 2011. OPUC Order No. 2011-04, UM 1484. The merger closed on April 1, 2011.
4. In the course of the transaction, CenturyLink took the position that Oregon municipal authorities had no legal authority to regulate the operations of any Qwest operating entity and as such, no Oregon city had authority as to the approval of the transaction. CenturyLink asserted the merger did not involve the sale or disposition of any assets of any Qwest operating entity or of the shares or ownership of any Qwest operating entity. As set forth in the applicable regulatory filings with the OPUC, CenturyLink represented that Qwest would continue as a legal entity following the closing of the merger transaction, and the operating entity with franchise agreements in effect with any Oregon municipal authorities would not change.
5. On October 26, 2011, the Council adopted non-emergency Ordinance No. 184957, amending Title 17 of the Portland City Code. Among other matters, the ordinance updated, clarified and reorganized various code sections. The Bureau of Transportation will need to adopt administrative regulations implementing various aspects of the revised code provisions. This process will affect some of the standard franchise language. As the bureau works to complete this process, the Office for Community Technology is recommending that the Council extend existing franchises.

NOW, THEREFORE, the Council directs:

- a. Ordinance No. 171914 is hereby amended to extend the term of the permit,

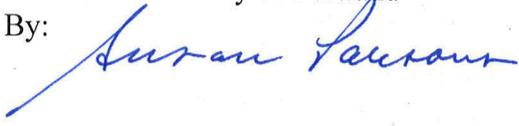

continuously and without interruption, through December 31, 2012.

- b. All other terms and conditions of the Franchise shall remain the same and unchanged.
- c. On or before the thirtieth (30th) day after this ordinance becomes effective, Qwest Communications Corporation shall file in the Office of the Auditor of the City of Portland a written acceptance of this ordinance, executed by Qwest Communications Corporation, meeting the approval of the City Attorney. Any failure on the part of Qwest Communications Corporation to file such written acceptance within such time shall be deemed an abandonment and rejection of this ordinance, and this ordinance shall thereupon be null and void. Such acceptance shall be unqualified and shall be construed to be an acceptance of all the terms contained in this ordinance.
