Subject: Speaking to Council

Several business organizations are coordinating to speak to council through their business owner members. In February, the city's Small Business Advisory Council has 5 business owners who would like to share their business stories, successes and short falls and comment on the effort council has made in funding strategic programs.

Mark Fitz, StarOil would like to speak February 1st. *Confirmation rec'd. sp*
Alando Simpson, City of Roses Disposal & Recycling would like to speak February 8th.
Steve Ferree, Mr. Rooter Plumbing would like to speak February 15th.
Mark Hope, Tire Disposal & Recycling would like to speak February 22nd.
Andrew Frazier, Frazier Hunnicutt Financial would like to speak February 29th.

Can you confirm that we are all on signed up and what time each should be there to speak. If there is a better way for us to sign up let me know. Several other organizations plan to speak through out the year and I can pass along the proper way of scheduling.
