Re: Prospective petition for filing for candidacy

On August 2, 2011 you filed a prospective petition for Filing of Candidacy for Nonpartisan Nomination for City Office (forms AUD 120 and SEL 121) for office of Mayor, City of Portland. The Elections Division has reviewed the signature sheet and assigned the petition ID "PDX 01". The Elections Division finds the sheet to be complete and correct for circulation. Please find the attached copy of your approved signature sheet.

You submitted signature sheet SEL 121 and form SEL 301 indicating that no petition circulators will be paid. Before circulating your petition, please review the attached "Guidelines for Circulating Petitions" and "Certification of Signature Sheets" from the 2010 City Elections Manual. It is your responsibility as the prospective candidate to instruct circulators on the guidelines for circulating a petition and to monitor their activities.

For the record, the Elections Division has approved your petition for circulation on white, 8 1/2" x 11", 20 pound weight, uncoated paper with 10 signature lines. Any variations of the cover and signature sheets must be approved in writing by this office prior to circulation.

To file the perfected nominating petition, you must submit the following items:

- Filing of Candidacy for Nonpartisan Nomination (AUD 120), checked "Filing of Candidacy by Perfected Petition."
- Statement One or More/No Petition Circulators Will Be Paid (SEL 301) marked "Completed Petition" and signed by the candidate, and,
- Signature sheets with a minimum of 100 valid signatures on the form SEL 121 as approved by the Elections Division (City Code 2.08.080).

All forms for filing for candidacy by nominating petition must be submitted together and cannot be filed prior to September 8, 2011. These signatures must be filed at the Elections Division of the City of Portland with enough time to have the signatures verified before the filing deadline of 5:00 p.m., March 6, 2012.

Please let me know if you have any questions.

City Elections Officer
