Subject: City council meeting October 6th

Hello Emily,

My name is Elizabeth Gibson and I would like to take a 3 minute slot at the City council meeting to testify about how our City Government needs to focus on the programs that are working to help small business and stop the "shot gun" approach that pits small business against each other. Could you please confirm that I am on the calendar for this Wednesday, October 6th sometime after Kathryn of Great Kate Construction. Direct/indirect effects of RFP's vs. low price included in testimony.

I am a Certified WBE, DBE and ESB general contractor company here in Portland. 100% women owned.

Thank you.

Sincerely,
Elizabeth Gibson
