Gianluca

Dear City Council members,

Please keep supporting our SUN schools! We at Roseway Heights (K-8) are so grateful to have this wonderful, community-building place for our kids.

In the time after school, when many kids would be home alone or roaming the neighborhoods without supervision, our kids are kept occupied and entertained.

Our SUN school offers classes in music, foreign language, technology, and academic enrichment - learning opportunities

that students here would otherwise not have (because of budget cuts).

We also use the community centers + parks, but in our mind, the SUN school is one of the BEST parks programs there is.

Please save our
SUN schools !!

Sincerely,

Christine M.

parent at Roseway
Heights

Dear Mayor Sam,

Please save our Sun School at Roseway Heights!

These schools are part of what makes Portland such a great place to live ~ they create community in our neighborhoods, strengthen friendships between families, and provide a place to gather that we can walk or bike to. Our Sun school is great!

At Roseway Heights, the after school classes include academic enrichment (computers, Lego Robotics, Science, technology), ^{music,} and sports. They keep kids active and entertained - and offer learning opportunities. The kids would not have otherwise (because of budget cuts, kids in K-2, ^{at our school} have no exposure to computers, and kids in grades 3 and up do not get ^{any} music instruction at school). Thank you for

Supporting our Sun schools!

Sincerely,

Christine M.

(parent at Roseway Heights)

April 25, 2012

Dear Portland City Council,

Please, please don't take away our Sun school!

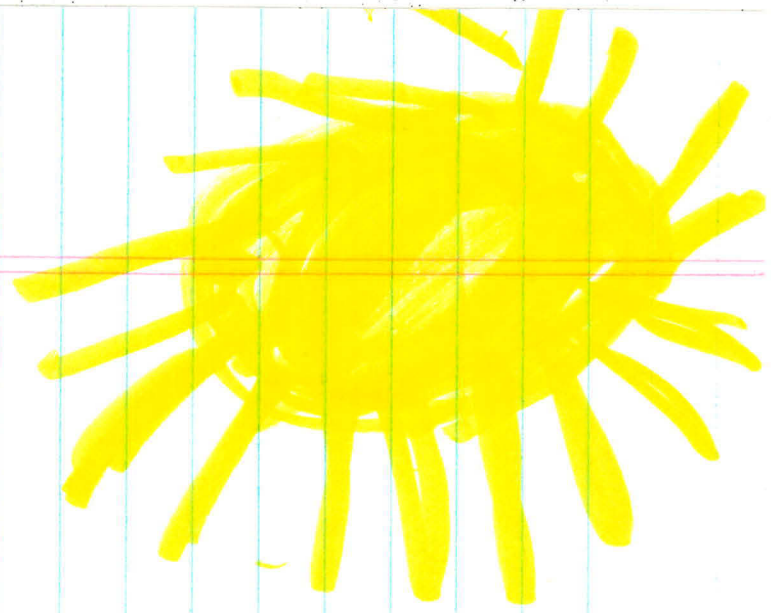

I don't mean sound bratty, but for some of us it's the only chance to play, our way. Each and every one of us ^{has} had an experience at Sun school, and, after all these years, we've come to like it. For some of the children at Roseway Heights, it's a daily routine. This school wouldn't be the same without it.

On the plus-side, our Sun program is also educational. From math equations, to life lessons, I have been taught many things at our beloved Sun school. One, boys evidently do not have cooties. Two, never add five then subtract five and say it was a different number to begin with. And lastly, three, it is not a good idea to keep your fingers straight out while trying to catch a basketball. I've learned from experience. Not fun.

So, please, put a little love in your heart, (Our new Choir, >.<) and donate money to help us save Sun school!!!!

Sincerely,
Miss McDonald

I Love
Summer

Dear Mayor,

Please don't cut art school. Many kids at our school take these classes, and I have taken many over the four years I've been here. Homework club, and art classes, I have taken in 6th, 7th and 8th grade. The classes are very important to students.

Sincerely,

Emma Lewis

Mr. Krohn

Roseway Heights

Dear Mayor,

Please don't cut Son Schools. I have taken a few son schools, & homework club is a very important one. It helps students with their homework in a way that no one else could because the help comes from teachers. It also provides a better understanding of the curriculum, which is obviously important.

Sincerely,

Alex Grejuc
Mr. Krohn

Dont give up Sun school
we need homework club it help
a lot world not get it done with
out it

My teacher khron

Zachary Barnes

Jan Clark

Ever since I moved to Portland from Colorado, I have been a part of Sun school.

I have taken soccer classes, and I have used Homework Club. Sun school has been important to me, and it has helped me make friends in our school community.

Please don't cut Sun school.

Jan Clark

Kurt Erdn, AM

Dear Mayor,

I have used SUN school since I was a little girl. I have taken homework clubs, glass art, and choir. It has helped further developed me as person. Please don't get rid of SUN school!

To whom it may concern!

SUN Schools have helped our family tremendously. We have 5 kids who attend Roseway Heights & it has made our day efficient, physical & fun.

Please help us keep SUN school at Roseway Heights & we promise we will continue to support this wonderful gift called SUN School.

Sincerely,
Care Abled

Roseway Heights parent

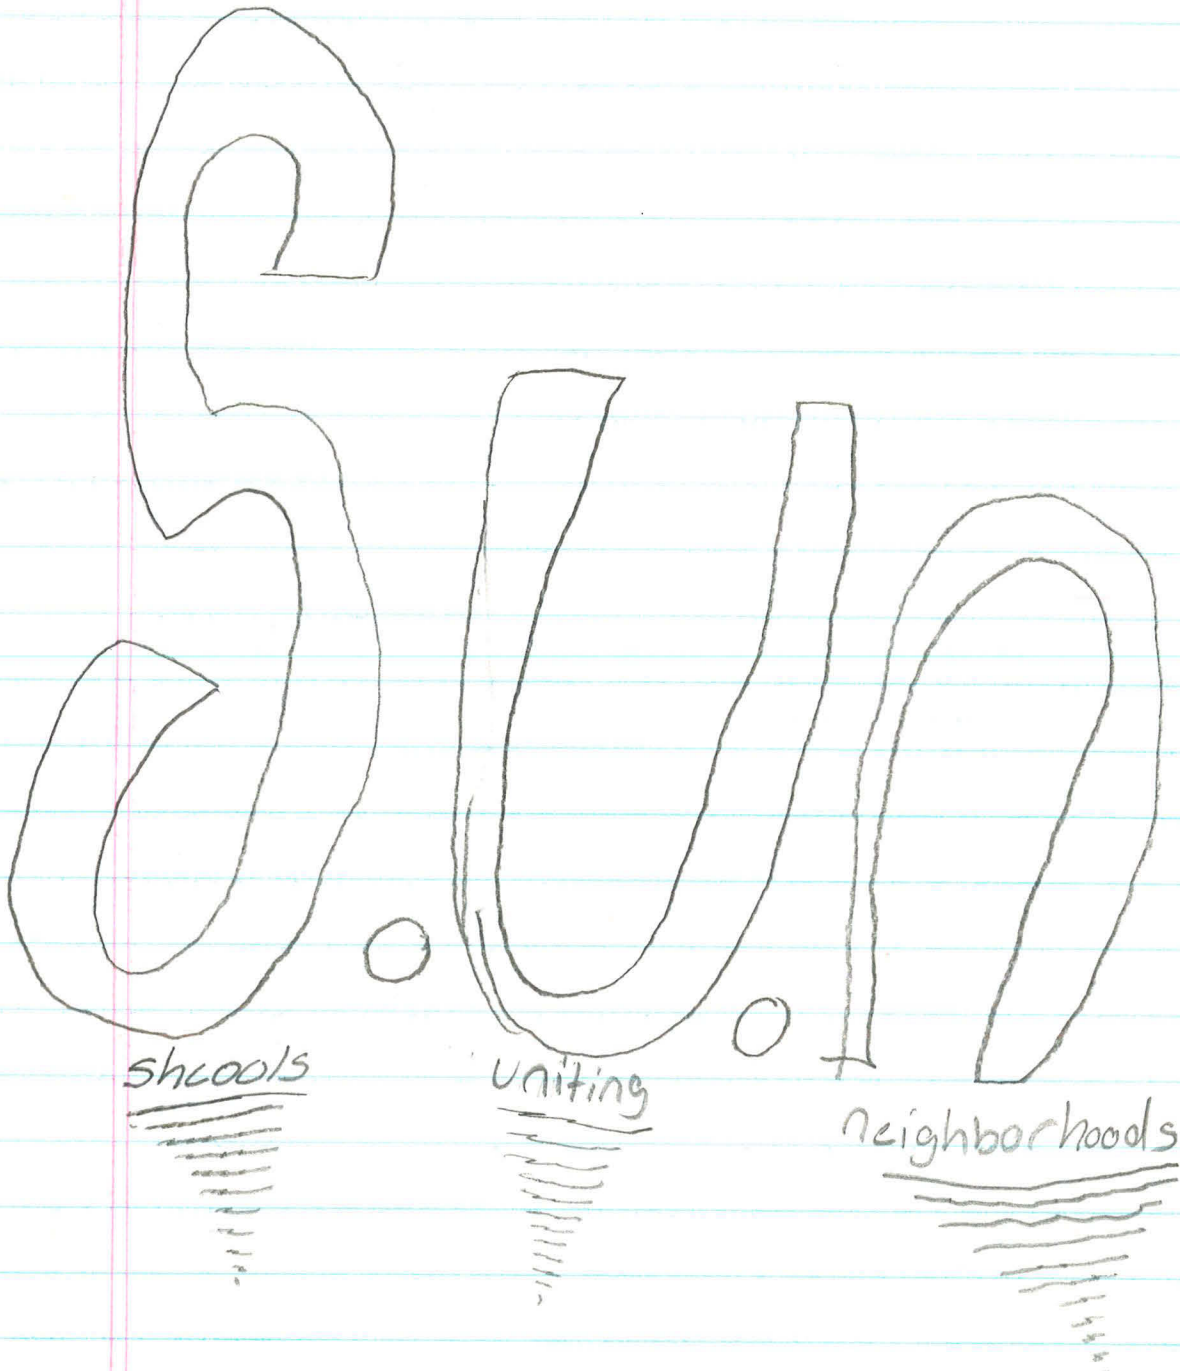

Save Sun School

Why we should keep sun school is because many, many kids use S.U.N School. Some kids have to go to sun school because of their parents jobs. It is important to people to have sun school.

Sincerely,

Andi Eklund

4th Grader

I don't want the
SUN classe to
end.

Hi My name is Melody I'm 10 years old and I just got out of choir one of my favorite sun classes. If you can't do the sun classes I might as well move back to Las Vegas! please consider My request

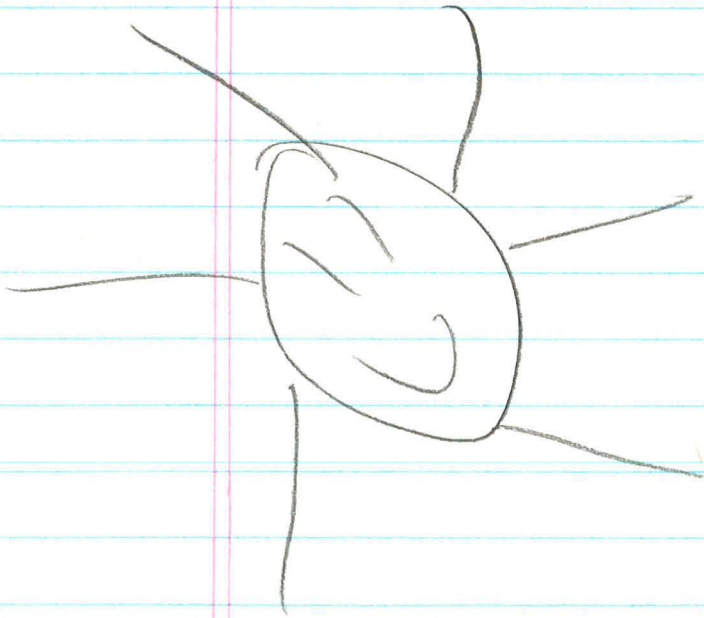

yours truly
Melody 

Ms. Skye's

Dear Mayor,

could you let us
keep ~~our~~ sun classes
because it fun and it
gives us something to
do after school

Art and stiebling is fun
And I like to DO ART.

Love,
Shamar
Miller

Ms. Holben

Dear City Council,

SUN It is vitally important to me to keep our program at our school.

SUN school has taught me to do things like unicycle, chinese yo-yo, play basketball & do Track and Field.

Please help us save our SUN program at Roseway Heights school.

Sincerely,

Stella Feuerborn

Dear Mayor Adams -

My 2 grandsons have been so busy after school at Roseway Heights because they take part in the SUN Program! Science, Lego, basketball, skateboarding - They have loved it all. What a shame if they can no longer have this activity after school. Please! Please find funding for this valuable program. Mary Rose
