REGULAR CALENDAR

March 3, 2010

TO THE COUNCIL:

The Chief Procurement Officer has advertised and received bids for Bid Number 111218 for SE Portland Pavement Preservation Projects for the Bureau of Transportation, with a project construction estimate of \$3,420,835.48. The Bureau of Transportation rated the level of project estimate confidence as High.

Bids were opened on February 2, 2010, and six (6) bids were received. The low bid of Granite Northwest, Inc. was deemed responsive to the requirements of the solicitation. It is recommended that the bid of Granite Northwest, Inc. be accepted at the unit price quoted in their bid for a total amount of \$1,948,948.00.

On September 7, 2005, Council approved Ordinance #179568, which authorizes an intergovernmental agreement with the Oregon Department of Transportation (ODOT) to authorize the City to participate in the Local Public Agency Certification Program. ODOT's Local Agency Certification (LAC) program allows ODOT to delegate authority to the City to administer City Federal-Aid Transportation projects and under that program to become a certified local agency. This project is one of the test projects that will be reviewed and audited by ODOT for compliance with the City-ODOT requirements.

Part of the agreement is that the State shall administer on behalf of the City the project's Disadvantaged Business Enterprises (DBE) program, Equal Employment Opportunity (EEO) program, and the On-The-Job Training (OJT) program.

ODOT establishes the minimum DBE goal for each Federal-Aid project. The criteria used in assigning project goals includes, project location, size, duration, dollar value and the availability of DBE firms that perform identified subcontracting opportunities. This project has a 4% DBE goal. Granite Northwest, Inc. has 5.13% DBE participation on this project, therefore the State deemed the contractor to be responsive to the DBE requirement.

Granite Northwest, Inc. has a current City of Portland Business License and their EEO Certification is current through 5/31/2010. The company headquarters is located in Watsonville, California, however, the project will be managed from its Washington office. The company is not a State Certified M/W/ESB Contractor.

Granite Northwest, Inc. is in Full Compliance with the Equal Benefits Program.

The Bureau of Transportation is using federal American Recovery and Reinvestment Act (ARRA) of 2009 funds administered by ODOT; therefore, ARRA requirements apply to this project. Funds are available for this project under Owner Cost Center T00180.C42.

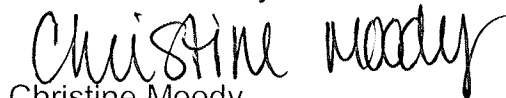

An Equal Opportunity Employer

To help ensure equal access to programs, services and activities, the Office of Management & Finance will reasonably modify policies/procedures and provide auxiliary aids/services to persons with disabilities upon request.

It is further recommended that a Performance Bond and a Payment Bond each in the amount of 100% of the contract amount be furnished by the Contractor.

The bid sureties of the remaining bidders should be returned immediately in compliance with Section 5.34.410D of the City Code.

MEMORANDUM

TO: Christine Moody, Chief Procurement Officer

FROM: Steve Townsen, P.E., City Engineer *POU*

SUBJECT: SE Portland Pavement Preservation Projects
Bid No. 111218

Attached are the bid summary and bid error reports for the above referenced project.

Errors were found with the bids from Eagle-Elsner, Kodiak-Pacific, and Westech Construction. These errors are summarized in the attached report and did not alter the apparent low bidder.

An apparent low bid of **\$1,948,948.00**, was received from Granite Northwest Construction. This bid is **43.0%** below the Engineer's Estimate of **\$3,420,835.48**. This bid contained some unbalanced items. These items were reviewed by Staff and discussed at length with the bidder in person.

Based on the corrected results of the bids, discussion with the apparent low bidder, and findings of Procurement Services, it is my recommendation that **Granite Northwest, Inc.** be declared the lowest responsible and responsive bidder and that their bid be accepted.

SUBCONTRACTOR SOLICITATION AND UTILIZATION REPORT

ODOT Office of Civil Rights • 355 Capitol St. NE, Room 504 • Salem, OR 97301

Please read instructions before completing this form.

This form (ODOT form 734-2721) incorporates and replaces previous DBE and MWESB Subcontractor/Supplier Solicitation and Utilization forms (ODOT forms 7334-2533 and 731-0516.) The previous forms are obsolete and will not be accepted.

1. PROJECT NAME SE PORTLAND PAVEMENT PRESERVATION PROJECTS	2. CONTRACT NUMBER (IF KNOWN) BID # 111218	3. BID OPENING DATE 2/2/2010
--	---	---------------------------------

All bidders, including DBE prime bidders, must complete and submit this form to the ODOT Office of Civil Rights within 10 calendar days after the bid-opening date. This information will be used to prepare a list of bidders as required by 49 CFR 26.11(c).

By signing below, the bidder acknowledges and certifies that this form accurately represents receipt of and consent from the firms listed as to the consideration for performance on this project. The bidder certifies that the bidder had direct contact with the firms named regarding participation in this project.
