

## ORDINANCE No. 185424

\*Authorize Intergovernmental Agreements with Portland School Districts to participate in the Portland Safe Routes to School program (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. Today only 13% of children nationally walk and bicycle to school, a dramatic drop from 1969 when nearly half of all students got to school on foot.
2. Studies show that children who walk and bicycle to school are more physically active, have lower obesity levels, and are more likely to meet physical activity guidelines than students who are driven or bused to school.
3. The Portland Safe Routes to School is a partnership of the City of Portland, schools, neighborhoods, community organizations and agencies that implements programs that makes walking and biking around our neighborhoods and schools fun, easy, safe and healthy for all students and families.
4. The Portland Safe Routes to School program has demonstrated marked success, having recruited over 80 partner schools throughout the city since its inception and increasing walking and biking rates at those schools from 31% in 2006 to 39% in 2011.
5. A common agreement between the City of Portland and participating School Districts will allow for further Safe Routes to School service provision and partnership in supporting safe multi-model travel to and from schools.
6. The City Attorney's Office has reviewed the attached Intergovernmental Agreements.
7. The Bureau's level of confidence in the cost estimates for this project is high, as there is no cost effect of this action.

NOW, THEREFORE, the Council directs:

- a. That the Mayor is authorized to execute the Intergovernmental Agreements in a form substantially in accordance with the agreements attached as Exhibit A, B, C, and D and by reference made a part hereof.

Section 2. The Council declares that an emergency exists because our current IGAs for Safe Routes to School expire on July 1, 2012; therefore, this Ordinance shall be in full force and effect from and after its passage by the Council.

Passed by the Council, JUN 20 2012
