PUBLIC INVOLVEMENT

8) Was public involvement included in the development of this Council item (e.g. ordinance, resolution, or report)? Please check the appropriate box below:

☒ **YES:** Please proceed to Question #9.

☐ **NO:** Please, explain why below; and proceed to Question #10.

9) If "YES," please answer the following questions:

a) What impacts are anticipated in the community from this proposed Council item?

None. This is two ongoing volunteer-citizen appointments to the DRAC.

b) Which community and business groups, under-represented groups, organizations, external government entities, and other interested parties were involved in this effort, and when and how were they involved?

DRAC positions are designated to represent various customer and stakeholder groups to the development process, including neighborhood interests; the positions referenced in this legislation represent Large Developers and Large Construction contractors. BDS sent a notification to the Office of Neighborhood Involvement (ONI) about the vacant positions, inviting neighborhood and business associations to assist in reaching out to potential applicants. BDS also included information about the vacancies in the January/February 2012 issue of its *Plans Examiner* newsletter (see <http://www.portlandonline.com/bds/index.cfm?c=57426&a=380262>). The *Plans Examiner* is widely distributed electronically to BDS customers and stakeholders, as well as neighborhood associations and community groups. In addition, BDS encouraged DRAC members to spread the word about the vacancies in their spheres of influence and encourage others to apply.

Subsequent to these outreach efforts, applications were received by ONI and forwarded to BDS.

c) How did public involvement shape the outcome of this Council item?

Since individuals must apply for DRAC vacancies, the participation of neighborhood associations, ONI, and other stakeholders was crucial to generating applications and filling the vacant position.

d) Who designed and implemented the public involvement related to this Council item?

BDS and ONI.

e) Primary contact for more information on this public involvement process (name, title, phone, email):

BDS: Mark Feters, Sr. Mgmt. Analyst; x3-1028; mark.feters@portlandoregon.gov

ONI: Kathy Couch, OSS II; x3-3992; Kathy.Couch@portlandoregon.gov

10) Is any future public involvement anticipated or necessary for this Council item? Please describe why or why not.

No future public involvement is anticipated or necessary for this item, since the vacant positions are being filled.
