Portland's taxpayers expect transparency and accountability in the use of these funds and this will be achieved in part through the appointment of a five member independent citizen committee comprised of each City Council member's appointee that would report annually to the City Council and quarterly to the City's Chief Administrative Officer.

Measure 26-117 also contained language directing the creation of an independent citizen oversight committee:

The Council shall also appoint a five-member citizen committee with relevant expertise to review bond expenditures and provide annual reports to Council on whether such expenditures adhere to voter-approved uses. Each Council member shall recommend one member to serve on the citizen committee.
