Dear Sir or Madam

I have been a resident of Eastmoreland since 1967. I am very concerned that the existing zoning laws allow lot splitting complete tear downs and allowing new construction on lots smaller than 5000 square feet.

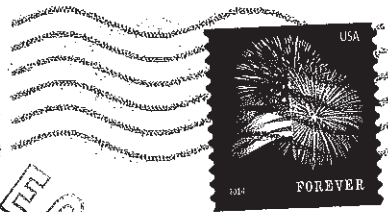

I strongly urge that rezoning is needed to remedy the situation by eliminating lot splitting and building on lots smaller than 5000 square feet as well as complete tear downs.

Sincerely,
7421 SE 34th Ave
