**INSTRUCTIONS FOR TESTIFYING BEFORE the PLANNING and SUSTAINABILITY COMMISSION**

**Summarize remarks** - Testimony is limited to three (3) minutes. Please prepare your remarks to fit within the allowed time. If you plan to distribute documents or use visual aids, be prepared to provide enough copies to distribute to the entire 11-member commission PLUS one copy for the Director (12 copies total).

**Sign up to testify** - Completely fill out a testimony card. Give your card to the Commission Coordinator sitting at the end of the Commission table.

**Present oral testimony** - When the Planning and Sustainability Commission Chair calls your name from the testimony card, submit any documents you want entered in the record to the Coordinator. Sit at the testimony table. Speak into the microphone and begin your testimony by stating your name and address. Remember to speak clearly.

**Written testimony** - If you wish to submit a comment but not speak, hand your testimony and copies of the document(s) to the Coordinator.

**Group testimony** - If you are aware of many people in the audience who share your feelings or are representing the same organization, you can organize a few main speakers from your group to speak for three (3) minutes each about different topics related to the project. To let the Planning and Sustainability Commission understand the amount of support, one of the speakers can ask audience members to stand who share similar sentiments. Repetitive testimony is not always as effective as a planned, coordinated presentation.

**Special needs** - If you require special visual or audio accommodation in order to testify, please contact the Planning and Sustainability Bureau (503-823-7700) at least 72 hours before the meeting with your request.
