8) Was public involvement included in the development of this Council item (e.g. ordinance, resolution, or report)? Please check the appropriate box below:

YES: Please proceed to Question #9.

NO: Please, explain why below; and proceed to Question #10.

9) If "YES," please answer the following questions:

a) What impacts are anticipated in the community from this proposed Council item?

Proposed changes make the code more user friendly and are not anticipated to have any significant community impact.

b) Which community and business groups, under-represented groups, organizations, external government entities, and other interested parties were involved in this effort, and when and how were they involved?

This code package was developed by staff from BES and the City Attorney's Office.

The 2014 BES Cleanup proposal has been listed for over 6 months on the DRAC code and rules action sheet.

Public notice was posted on September 26, 2014 and documents were available for public review until October 27, 2014. No comments were received. No public hearing was requested.

Notice was sent to the ONI notification list on September 25, 2014.

c) How did public involvement shape the outcome of this Council item?

No direct input on the 2014 BES Cleanup proposal was received but various items reflect changes to text to enhance clarity based on input from stakeholders.

d) Who designed and implemented the public involvement related to this Council item?

BES Environmental Policy Division staff

e) Primary contact for more information on this public involvement process (name, title, phone, email):

Dawn Hottenroth, Environmental Policy Analyst 503-823-7767 dawn.hottenroth@portlandoregon.gov

10) Is any future public involvement anticipated or necessary for this Council item? Please describe why or why not.

No because this action does not propose any substantive code changes that have an impact on BES requirements.
