Subject: Please deny Pembina environmental code amendment

Dear Susan Anderson,

I am writing to urge you to deny Pembina Natural Gas's requested environmental code amendment for a natural gas storage facility in

Portland. This facility would be an enormous hazard from several perspectives:

- 1) Safety for Portland residents due to risk of explosion
- 2) Air pollution and risk of gas leaks threatening public health
- 3) Dramatically increased carbon (CO<sub>2</sub>) emissions

Portland has a climate change action plan, and this facility would eviscerate our goals to reduce the city's emissions. This is an entirely unacceptable and dangerous proposal. Please deny it immediately. Many thanks for your attention.

Sincerely,

Dan Jaffee

4723 NE 14th Ave

Portland, OR 97211
