

I am and have been a resident of the Argay Neighborhood since 1968.

I am among those residents who are requesting that aa the vacant or undeveloped R-3 zoned land in the Argay Neighborhood be reclassified too R-5 or R-7 single family residential, and the proposed Mixed Employment areas.

(Change Numbers 287,288,289 located at the SE corner of Ne 122nd and Shaver and 290 located at the SW corner of NE 147th and Sand Blvd) also be reclassified to R-5 or R-7 single family.

I also support the City's similar change #688 along 148th Av north of I-84.

I want tp keep Argay a family friendly neighborhood.
