Your Last Chance to Help Decide the Future of Argay

The City of Portland Comprehensive Plan is the master development plan for the City for the next 20 years. Now being revised, it will determine how all of the yet to be developed land areas in Argay will be zoned and developed in the future. **Current City plans are for office buildings, warehouses, repair facilities, and more apartments to fill these areas. Single family homes like those now in Argay would not be allowed.** Your Argay Neighborhood Association disagrees and wants to see Argay continue as a family friendly neighborhood of primarily single family homes.

Under any plan, Argay's family farms can continue. Only when farming ends and new development takes place will the actual zoning direct how those lands will be developed. The City now proposes that the area at the southeast corner of 122nd and Shaver be developed with office and light industrial properties and with apartments (all up to three stories high) to the east and south – right up to the new Beech Park. The proposed new plan also designates the area from NE 147th west to the backyards of the existing homes in Argay for offices and light industrial uses, as well.

The Argay Neighborhood Association has met with planners and has submitted the official Neighborhood Association hearing testimony. Other residents have submitted their comments. Even if you disagree with the Argay Neighborhood Association and support the City's changes, you have a right to comment. Either way, make your voice heard!

Below is a sample comment. Write your own or use what is there. The Comprehensive Plan email address and regular mail address are provided. The more people who comment, the more the City has to listen. The Comment deadline is March 13, 2015; but the sooner the better. To prevent "loading" or "skewing" the results and because these comments are treated as hearing testimony, the City wants to be able to verify that each comment comes from an Argay resident or property owner and only one comment is received from each person. That is why they need your name and address.

For more information check the ANA website at www.ana.org under the "Comprehensive Plan" heading. You can also contact Al Brown, ANA Land Use Chair, by email: alanbrown@ana.org or by phone: 503-451-8435.

Take a few minutes now to help decide the future of Argay. Thank you!

I support the Argay Neighborhood Association's position that Argay will be a family friendly neighborhood. I support the Argay Neighborhood be reclassified to R-5 or R-7 single family residential and the proposed mixed employment change (Change Numbers 287, 288, 289 located at the SE corner of NE 122nd and Shaver and 290, located at the SW corner of NE 147th and Sandy Blvd.) also be reclassified to R-5 or R-7 single family. Also, I support the City's similar change #388 along NE 148th Avenue north of M-34.

I want to keep Argay a family friendly neighborhood.
