

IMPACT STATEMENT

Legislation title: Accept the Quarterly Technology Oversight Committee Reports from the Chief Administrative Officer (Report)

Contact name: Jen Clodius

Contact phone: 503-823-6965

Presenter name: Ben Berry, Chief Technology Officer

Purpose of proposed legislation and background information:

These reports cover the activity from July through September and from October through December, 2014. The reports summarize the status of the technology projects under the Technology Oversight Committee’s (TOC) purview.

Financial and budgetary impacts:

This action does not have any costs to the City.

This action does not affect current or future staffing levels.

This action does not create or modify any financial obligation.

Community impacts and community involvement:

These reports will inform Council on the progress of the TOC. The community will benefit from the increased accountability and transparency of City technology projects.

The committee is made up of five public members who were each appointed by a City Council member. (Currently, one seat is vacant.) These citizens have been involved in creating the committee operating principles and procedures. They reviewed drafts of these reports and provided feedback.

The continued involvement of public members is expected for the duration of this committee. Members of the TOC may testify at Council when the reports are presented.
