Moisture Sensitive Wood Framing Moisture Content Form

I, Chris Wall, am the general contractor or the owner/builder at the following address:

Street Address 6044 NE Grand Ave

City Portland State OR Zip Code _____

Permit No.: 07-185805 Jurisdiction: City of Portland

Subdivision/Lot: Ainsworth Grand Trace and/or Map and Tax Lot: 5

To conform with the 2008 Oregon Residential Specialty Code (ORSC), Section R318.2, I am notifying the building official that I am aware of the moisture content requirement of ORSC Section R318.2 and have taken steps to meet this code requirements.

Section R318.2 Moisture Content. Prior to issuance of the insulation/vapor barrier approval required by R109.1.5.2 of this code.

(A) All moisture-sensitive wood framing members used in construction shall have a moisture content of not more than 19 percent of the weight of dry wood framing members.

(B) The general contractor or the owner who was issued the structural permit shall notify the building official on a division approved form that the contractor or the owner who was issued the structural permit is aware of and has taken steps to meet the requirement in paragraph (A).

Signature: Chris Wall Date: 2/16/15
Owner/Builder/General Contractor/Authorized Agent
