

Hello!

I have been a resident of the Argay Neighborhood since 2010 and I see the neighborhood evolving in great ways; new families are buying homes, more people out walking on the sidewalks, and saying hello to each other.

I am among those residents who are requesting that all the vacant or undeveloped R-3 zoned land in the Argay Neighborhood be reclassified to R-5 or R-7 single family residential, and the proposed Mixed Employment areas (change numbers 287, 288, 289 located at the SE corner of NE 122nd and Shaver and 290, located at the SW corner of NE 147th and Sandy Blvd.) also be reclassified to R-5 or R-7 single family. Also, I support the City's similar change to #688 along NE 148th Avenue north of I-84.

I want to keep Argay a family friendly neighborhood that continues to draw people who want to own and care for their homes for a long while.

Thank you,
