This is an Agreement between the City of Portland (Portland) and Multnomah County.

**PURPOSE:** The purpose of this agreement is to provide funding to the City of Portland for staffing and support for a quarterly multi-jurisdictional committee as well as lead responsibility for the current Five year Consolidated Plan 2011-2016 and the new Five year Consolidated Plan 2016-2021, including an Analysis of Impediments to Fair Housing, Citizen Participation Plan, annual Action Plan FY 2016-17 and performance reports as requested by HUD.

The parties agree as follows:

1. **TERM:** The term of this agreement shall be from July 1, 2015 to June 30, 2016.
2. **RECITALS: Action Plan FY 2016-2017, Analysis of Impediments to Fair Housing Plan, Citizen Participation Plan, and Consolidated Plan 2016-2021.**
  - a. In 1990, the U.S. Congress passed the National Affordable Housing Act requiring entitlement jurisdictions under the federal Community Development Block Grant program to prepare and adopt Comprehensive Housing Affordability Strategies (CHAS). The CHAS required local communities to identify five-year and one-year affordable housing goals.
  - b. In 1991, Multnomah County (the County), Portland, and Gresham adopted a single CHAS to set our community's affordable housing goals in a county-wide context.
  - c. Also in 1991, the County, Portland, and Gresham formed a consortium (the Consortium) jurisdiction to receive and administer federal HOME Investment Partnership Program funds.
  - d. In 1992, the County, Portland, and Gresham formally recognized their common interest in affordable housing issues by creating the County-wide Housing and Community Development Commission (HCDC) to serve as the community's primary policy forum to address affordable housing issues in Multnomah County. HCDC was charged with policy development and resource coordination, and included citizen representation from all three jurisdictions.
  - e. In 1992, the County, Portland, and Gresham further reinforced their community's interest in a comprehensive approach to affordable housing issues by designating the Housing Authority of Portland (HAP) as a County-wide public housing authority.
  - f. In 1992, HAP joined the County, Portland, and Gresham in an intergovernmental agreement (IGA) to facilitate the administration and implementation of HCDC by coordinating personnel resources.

- g. In 1993 the County, Portland, and Gresham, pursuant to a new federal mandate, adopted a new County-wide CHAS. The CHAS clarified the community's affordable housing goals.
- h. In 1994, the County, Portland, and Gresham entered into an IGA to support administration of HCDC and update the CHAS.
- i. In 1994, HUD required the preparation of a Consolidated Plan (the Plan), in lieu of the CHAS, to set forth the affordable housing and anti-poverty strategies for the Consortium and community development strategies for each jurisdiction.
- j. In FY 1994-1995, Portland, with financial support from the Consortium, prepared the Plan and provided support to HCDC.
- k. For the five fiscal years commencing July 1, 1995 and concluding June 30, 2000, with financial support from the Consortium, Portland updated the Plan, prepared annual Action Plans, and provided support to HCDC.
- l. In FY 1999-2000, Portland, with financial support from the Consortium, prepared a Plan for the five-year period commencing July 1, 2000 and concluding June 30, 2005, and provided support to HCDC.
- m. For the five fiscal years commencing July 1, 2000 and concluding June 30, 2005, with financial support from the Consortium, Portland updated the Plan, prepared annual Action Plans, and provided support to HCDC.
- n. In FY 2004-05, with financial support from the Consortium, Portland prepared a Plan setting forth anti-poverty, affordable housing and non-housing community development strategies for the Consortium for the five-year period commencing July 1, 2005 and concluding June 30, 2010, and provided support to HCDC.
- o. In FY 2005-06, Portland, with financial support from the Consortium, prepared a one-year plan for FY 2006-07, and provided support to HCDC. Portland also implemented HUD directives regarding use of the CPMP tool, reporting of outcome measures using HUD prescribed categories, and reporting on efforts to address chronic homelessness.
- p. Over the period 2004-06, Portland, with financial support from the Consortium, updated the "Analysis of Impediments to Fair Housing" for the Consortium. The fair housing plan calls for additional proceedings over the coming years to address issues that were raised, but not resolved, in the course of developing the Updated Analysis of Impediments.
- q. In FY 2006-07, Portland, with financial support from the Consortium, prepared a one-year plan for FY 2007-08, and provided support to HCDC.
- r. In FY 2007-08, Portland, with financial support from the Consortium, prepared a one-year plan for FY 2008-09, and provided support to HCDC.

- s. In FY 2008-09, Portland, with financial support from the Consortium, prepared a one-year plan for FY 2009-10, and provided support to HCDC.
- t. In FY 2009-2010, Portland, with financial support from the Consortium, prepared a one-year plan for FY 2010-2011. An extension was granted for the Consolidated Plan with an allowance for one more annual Action Plan.
- u. In 2010-2011, Portland notified its jurisdictional partners that it was dissolving HCDC. Portland created a new jurisdictional advisory commission, the Portland Housing Advisory Commission. Portland also began a process of consulting with the other members of the Consortium regarding the development of a new interjurisdictional body to oversee the public involvement functions required of consortiums by HUD and previously performed by HCDC.
- v. In 2010-2011 HCDC was replaced with the Federal Funding Oversight Committee (FFOC). FFOC is a legal entity created by resolution of the three Consolidated Plan jurisdictions (City of Portland, City of Gresham, and Multnomah County) upon Council acceptance of the 2011-2016 Citizen Participation Plan. The FFOC holds public hearings required by the Citizen Participation Plan, recommends allocation of federal housing and community development formula funds to the jurisdictions, recommends allocation of Continuum of Care (CoC) funds, and acts as the primary decision-making group for the CoC.
- w. Multnomah County, Gresham and Portland entered into agreements in each fiscal year FY 2010-11 through FY 2011-2016 to provide financing for Portland to take lead responsibility for coordination and completion of the Consolidated Plan 2011-2016 and one-year Action Plans and other plans and performance reports as requested of the consortium by HUD.
- x. In 2015-2016, Multnomah County, Gresham and Portland now desire to enter into an agreement to provide financing for Portland to take lead responsibility during FY 2015-16 for coordination of the new Consolidated Plan 2016-2021 and one-year Action Plan FY 2016-17, and the McKinney Vento recommendation process, Emergency Solutions Grants, and other plans and performance reports as requested of the consortium by HUD.
