As a non-profit, we advocate for this beautiful park, its public pool, skatepark, tennis courts, ball fields, disc golf course and amazing trees. We also organize volunteer work parties in cooperation with Portland Parks and Recreation to remove invasive plants and graffiti, plant native trees and improve the trails and disc golf course.

 Chair Friends of Pier Park

Petition for Pier Park Restrooms

Preamble

Over 10,000 visitors enjoy Pier Park each year. This includes the hundreds who play the World Class Disc Golf course each week, teams of baseball, softball and soccer players on the Pier Park fields and skateboarders riding the Pier Park half pipe. Joggers, walkers and families with children enjoy Pier Park daily. The beautiful forest canopy makes Pier Park exceptional with paved trails meandering through the trees. The children's playground and spray pool, basketball and tennis courts are all shaded and inviting in the summer months.

A new bridge and an ADA trail, dedicated this year, now connects visitors to Chimney Park and the off-leash dog park area. Pier Park is also a frequent filming location for the television series *Grimm*.

With so much to offer, Pier Park must have improved restroom facilities capable of serving the basic sanitation needs of our of visitors. Currently, the restrooms are substandard on many levels:

- Peeling paint and rusting walls
- Lacking hot water for hand washing
- Not ADA compliant or accessible
- Too few for the overwhelming amount of visitors they are meant to serve.

Petition

We, the undersigned, petition Portland Parks and Recreation and the City of Portland to designate funding to upgrade the restroom facilities to provide safe, clean and ADA accessible public bathrooms for Pier Park in North Portland.

Petition for Pier Park Restrooms

Preamble

Over 10,000 visitors enjoy Pier Park each year. This includes the hundreds who play the World Class Disc Golf course each week, teams of baseball, softball and soccer players on the Pier Park fields and skateboarders riding the Pier Park half pipe. Joggers, walkers and families with children enjoy Pier Park daily. The beautiful forest canopy makes Pier Park exceptional with paved trails meandering through the trees. The children's playground and spray pool, basketball and tennis courts are all shaded and inviting in the summer months.

A new bridge and an ADA trail, dedicated this year, now connects visitors to Chimney Park and the off-leash dog park area. Pier Park is also a frequent filming location for the television series *Grimm*.

With so much to offer, Pier Park must have improved restroom facilities capable of serving the basic sanitation needs of our of visitors. Currently, the restrooms are substandard on many levels:

- **Peeling paint and rusting walls**
- **Lacking hot water for hand washing**
- **Not ADA compliant or accessible**
- **Too few for the overwhelming amount of visitors they are meant to serve.**

Petition

We, the undersigned, petition Portland Parks and Recreation and the City of Portland to designate funding to upgrade the restroom facilities to provide safe, clean and ADA accessible public bathrooms for Pier Park in North Portland.

Hello Ryan,

Our Communications schedule is full for July 8th. Next opening is July 22nd. Would that date work?

Please note Mayor Hales will be absent on 7/22. The rest of the Council is scheduled to be present.

All dates in August are available. Commissioner Fritz will be absent Aug 5 & 12.
