Portland Fire & Rescue’s Toy & Joy Makers started in 1914 when a Sellwood district firefighter, Eddie Boatright fixed a broken red wagon for a neighborhood boy. If only Eddie knew that he started a tradition of Portland firefighters gathering toys yearly for more than 14,000 children who would otherwise not have holiday gifts. Toys are also provided throughout the year to help reduce a child’s tragedy of losing toys in fires or other natural disasters. Your support can make each child’s dream of a happy holiday come true. Our program is so successful that it has been written up in Reader’s Digest, been awarded a White House Commendation, and served as a model for more than 1700 toy giving organizations all over the country.

A single gift to Work for Art funds 100+ nonprofit arts & culture groups – encompassing arts education; community outreach; dance; music; theater; and cultural, healing, media, literary and visual arts.

100% of all donations to Work for Art are passed on to these organizations to fund the services they provide – no fees are deducted.

\$60 + \$60 = \$120! Work for Art’s Matching Challenge Fund doubles your gift with a dollar-for-dollar match strengthening our ability to make the arts and arts education services accessible to everyone: working with students and teachers in urban and rural schools to provide meaningful arts education experiences. Work for Art funded organizations provide performances and services for women’s shelters, hospitals, prisons, low-income housing facilities, retirement centers, and other communities that wouldn’t otherwise have the opportunity to experience the arts.

In appreciation of pledges of \$60 or more, donors receive an Arts Card providing a full year of 2-for-1 tickets to performances of more than 65 leading arts and culture organizations. Arts Card recipients are informed of these events through the monthly Arts Card e-newsletter.
