Purpose of proposed legislation and background information:

The proposed legislation is to update Procurement Code to conform to new state law and make technical corrections for PCC 5.33, 5.34, and 5.68.

During the 2014 legislative session, the Oregon Legislature passed other legislation which revised portions of ORS Chapters 279A, 279B and 279C collectively known as the “Public Contracting Code.” Some of these changes have taken effect and are being codified at this time. Additionally, housekeeping changes and minor technical corrections have been included as part of this update. The substantive changes include the following in PCC 5.33: The attached Exhibit A (Chapter 5.33), Exhibit B (Chapter 5.34) and Exhibit C (Chapter 5.68) detail the substantive changes and revisions to its Code in order to make the necessary technical corrections to be effective immediately.

Financial and budgetary impacts:

There will be or no budgetary or financial impacts to this legislation.

This legislation will neither generate nor reduce revenue coming to the City.

No current positions will be affected and no positions will be created, eliminated, or re-classified as a result of this legislation.

Community impacts and community involvement:

With the posting of the Code changes, community members and the contracting community are able to provide comment regarding the proposed changes.

No known persons or groups will be testifying.

No future public involvement is anticipated or necessary for this request.
