**East Portland Pilot Project Presidents-**

We have an incredible opportunity to advocate for the Pilot Project on **Wednesday, 2/10 at 9:30am**. Commissioner Fish is acting President of the Council 2/10 and currently all 5 communication slots are open – these slots are 3-minute opportunities for members of the public to address Council on any topic and I'd love to have each of you sign up to speak about your business, district and participation in the Pilot Project. You will be finished no later than 10am and I will help you write your remarks. This is your opportunity to brag about your recent success, tell Council what (if anything) makes it hard to operate your business in your district, and ask them to continue our funding.

Please confirm your availability and then email Karla ([Karla.Moore-Love@portlandoregon.gov](mailto:Karla.Moore-Love@portlandoregon.gov)) the following information:

- Name
- Address (business address is fine)
- Phone Number
- 2/10 at 9:30am
