RE: BES Participation in NE 47th Avenue LID

Dear Mr. Aebi:

This memorandum confirms and acknowledges BES's participation as a property owner in the NE 47th Avenue Local Improvement District proposed by the Portland Bureau of Transportation to improve transportation infrastructure along 1,900 linear feet of NE 47th Avenue from north of NE Columbia Blvd. to south of NE Cornfoot Rd., including associated stormwater collection. It is BES's understanding that the requested amount of \$412,567 is consistent with the methodology used to determine costs for any property owner participating in the LID.

We acknowledge the value of cooperation between multiple City bureaus on this project, and appreciate your involvement of BES staff in the Watershed Division, Engineering Services and Business Services in development of the LID funding concept.
