Subject: Reappointment to River Community Advisory Committee (RCAC)

The River Community Advisory Committee is a citizen advisory body, composed of six members who represent a variety of floating structures interests. Members are appointed by the Commissioner-in-charge of BDS and confirmed by the City Council for three-year terms and will serve no more than two complete three-year terms, unless the Director recommends approval of a longer term and the Mayor and City Council approve the extended appointment, as specified in Portland City Code Title 28.

I am recommending Samuel Galbreath for a second, 3-year term from June 22, 2016 to expire on June 21, 2019. Sam served on the BDS River Community Advisory Committee for a partial term from January 5, 2011 through October 31, 2011 and a first full, 3-year term from November 1, 2011 through October 31, 2014. He also has extensive experience as a floating home resident and active participation in local and regional community and floating home development boards, forums, and quality control efforts.

Candidate	RCAC Position	Term	Term Begins	Term Ends
Samuel Galbreath (filling a vacant position)	Floating Home Resident	2 nd term	June 22, 2016	June 21, 2019

Outreach

The bureau recently completed a targeted outreach effort to potentially qualified members in our community. BDS Inspection Services Manager Mitch Nickolds reviewed the qualifications of the candidates interested in serving and the River Community Advisory Committee requirements.

With this proposed reappointment, the RCAC has one remaining vacancy and will continue its outreach efforts to fill the vacant position.
