Subject: Composite Zoning Proposal - SE Belmont Street - Historic Block
Date: Thursday, July 14, 2016 8:44:22 AM

As a community member, I urge the Planning and Sustainability Commission to keep the livability of our neighborhood by zoning the 3300 - 3356 SE Belmont Street block CN1 (3 story maximum). I am very opposed to a CN2 designation (5 story), which will ruin this historic block and negatively impact the livability of this neighborhood. We are rapidly decimating the historic character of the old business districts and, with each new multi-story building, impacting the livability of nearby residential neighborhoods.

Sincerely,

Maria Hein
