

# PSC Small Group Briefing Survey

June 29, 2016

As a follow up to our briefing we would like to offer you the opportunity to attend one or more small group meetings to help you learn more about the CC2035 Plan and sort through the various documents. To help us plan the sessions we ask that you please fill out the following survey. To avoid any quorum issues we will hold the attendance at any one meeting to 5 PSC members.

This survey asks:

- 1) Which topics would you like to learn more about in a briefing? Are there any specific interests that we should focus on?
- 2) When are you available to attend a briefing? We recommend the week of July 18<sup>th</sup>.
- 3) Do you need any more documents?

Please complete this survey as soon as you can but no later than July 14<sup>th</sup>! Thanks!

Sallie Edmunds
