APPEAL OF KEGAN FLANDERKA, WORKS PARTNERSHIP ARCHITECTURE AGAINST THE DESIGN COMMISSION'S INTERPRETATION AND ENFORCEMENT OF SECTION C2, PROMOTE QUALITY AND PERMANENCE IN DEVELOPMENT, SPECIFICALLY IN REGARD TO THE PROPOSED EXTERIOR CLADDING MATERIAL FOR JUPITER HOTEL EXPANSION, LOCATED AT 910 E BURNSIDE (HEARING; LU 15-276553 DZM)

Applicant/Appellant: Kegan Flanderka | Works Partnership Architecture | 524 E Burnside Street, Suite 320 | Portland, OR 97214

Owner: Tod Breslau & Kelsey Bunker | Jupiter Hotel | 800 E Burnside Street | Portland, OR 97214

Site Address: 910 E BURNSIDE STREET

Legal Description: BLOCK 197 LOT 1 EXC PT IN ST, EAST PORTLAND; BLOCK 197 LOT 2, EAST PORTLAND

Zoning: EXd – Central Employment zone with a Design overlay

Procedure: Type III, with a public hearing before the Design Commission.

Original Proposal:

The applicant seeks Design Review approval for a new 6-story hotel in the Central Eastside sub district of Central City. The project provides 67 hotel rooms on the upper four floors, large event space and outdoor deck on the 2nd floor, and retail, restaurant and hotel lobby on the ground floor along with loading and back-of-house areas. Bike parking for both visitors and employees are provided on site along both street frontages and on the interior. The exterior finishes include options for metal shingle or layered asphalt composition shingle for the primary cladding, and aluminum storefront system, vinyl windows, mirror glass soffit and metal panel.

Along Burnside, floors 2 through 6 extend into the right-of-way above the sidewalk up to 8'-0" in depth, which is considered a Major Encroachment by Transportation. A request to eliminate the Major Encroachment review process for properties along E Burnside, specifically, went before City Council on March 16, 2016. Council supported the ordinance and the Major Encroachment process will therefore be waived for such projections along E. Burnside. A recommendation from the Design Commission to City Council is no longer necessary.

Along 9th, a 2'-6" deep oriel window at floor 5 extends into the right-of-way above the sidewalk. An exception to the Oriel Window standard E is requested to exceed the 12' maximum bay length (27.2' length proposed).

The following Modification is requested:

1. *Loading* – To reduce the 13' vertical clearance to 12' for the required for the one large loading space provided on site (Section 33.266.310).

Nonconforming Upgrades - The site and ownership includes the block to the west where the current Jupiter Hotel and Doug Fir Lounge exist. Per Section 33.258.070.D, when improvements to a site are made that exceed \$155,900, up to 10% of the total project value must be spent towards bringing the site up to conformance with the current zoning code regulations. The potential upgrades identified include screening

of trash and recycling, 6' wide pedestrian connections through the site and to the abutting streets, long and short term bike parking and screening of vehicle areas from adjacent properties. Staff is working with the applicant to confirm which upgrades are required and if they will be addressed in this design review. If not addressed in this review, separate land use reviews (Design, Modification and/or Adjustment reviews) may be required before building permit issuance.

The City Council appeal hearing was opened in the Council Chambers, 1221 SW 4th Avenue on June 8, 2016 at approximately 2:00 p.m. After hearing public testimony and considering the evidence in the record, the Council continued the hearing to June 15, 2016 at 9:45 a.m. On June 15, 2016 Council voted 5-0 to tentatively grant the appeal with modification and amend Condition B of the Design Commission's decision and ordered staff to prepare Council final findings for consideration and adoption on June 29, 2016 at 10:35 a.m. On June 29, 2016 at 10:35 a.m. Council voted 5-0 to adopt findings and a final decision to grant the appeal and amend Design Commission's decision approving a Design Review for a new 6-story hotel with 67 hotel rooms, retail, restaurant and event space and the Modification to loading in the Central Eastside sub district of Central City.

DECISION

Based on evidence in the record and adoption of the Council's Findings and Decision in **Case File LU 15-276553 DZM** and by this reference made a part of this Order, **it is the decision of Council to Grant the** appeal of Kegan Flanderka, Works Partnership Architecture and amend Design Commission's decision.

It is the decision of the Council to grant the appeal of the applicant and amend Condition of Approval B of the Design Commission's Design Review approval as noted below (modified condition is in *italics*)

Approval of a Design Review for a new 6-story hotel with 67 hotel rooms, retail, restaurant and event space and the Modification to loading in the Central Eastside sub district of Central City.

Approval of the following Modification:

Loading – To reduce the 13' vertical clearance to 12' for the required for the one large loading space provided on site (Section 33.266.310).

Approvals per Exhibits C.1-C-66, signed, stamped, and dated June 29, 2016, subject to the following conditions:

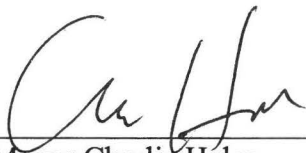

- A. As part of the building permit application submittal, the following development-related conditions (A – D) must be noted on each of the 4 required site plans or included as a sheet in the numbered set of plans. The sheet on which this information appears must be labeled "ZONING COMPLIANCE PAGE- Case File LU 15-276553 DZM. All requirements must be graphically represented on the site plan, landscape, or other required plan and must be labeled "REQUIRED."

- B.** *The alternate exterior cladding option of metal shingle in a dark grey in 26-gauge is allowed or Malarkey Legacy asphalt composition shingle in a dark grey or black.*
- C.** If the transformer cannot be pole-mounted and/or subterranean pursuant to PBOT and/or PGE standards, its location shall be subject to a future Type II Land Use Review. That Type II Land Use Review, if required, must be approved prior to issuance of any building permit.
- D.** No field changes allowed.

IT IS SO ORDERED:

JUNE 30 2016

Date

Mayor Charlie Hales
Presiding Officer at Hearing of
June 29, 2016
9:30 a.m. Session
