Purpose of proposed legislation and background information:

This ordinance will grant ExteNet Systems, Inc. a franchise for 5 years. ExteNet is a new franchisee for the City of Portland and is planning to provide telecommunications services through right of way attachments on existing utility poles. As a neutral host provider, ExteNet's customers are wireless carriers, and the company intends to build and maintain outdoor neutral-host low powered access nodes, such as distributed antenna systems (DAS) and small cells in the public right of way.

Timeline per City Charter Requirements:

April 20, 2016	Daily Journal of Commerce notice
May 13, 2016	Oregonian notice – 20 days prior to City Council 1 st reading
June 8, 2016	1st Reading
July 13, 2016	2nd Reading–30 days after 1 st Reading
September 11, 2016	Effective Date–60 days after 2 nd Reading
October 11, 2016	Acceptance signed by ExteNet–within 30 days of Effective Date

Financial and budgetary impacts:

Under the terms of the franchise agreement, ExteNet will pay an annual franchise fee of \$5,000 or 5% of gross revenues, whichever is greater, to the City. This will be new general fund revenue to the City.
