871 Amend City Code to clarify sewer billing authority and criteria (Ordinance; amend Code Chapter 17.36)

Hi Karla – I am writing to request pulling agenda item 871 (see description above that I cut and pasted from the Council agenda) from the consent agenda.

I have discussed this with Jim Blackwood in Commissioner Fish's office and Jonas Biery at BES and am copying them on this email.

If you could provide any estimate of when this item may come up this Wednesday morning that would be appreciated. However, I know that is challenging to do so I will be prepared to be in Council chambers early in the proceedings that morning.

Thanks - Janice
